IMPORTANT INFORMATION REGARDING REGISTRATION OF BONDS
Important information concerning the registration of Liberty Loan bonds, as given out by the bond department of the Federal Reserve Bank of Chicago contains the following quotation from a letter from the Treasury department:
"With reference to accepting subscriptions for bonds to be registered in the names of persons giving only initials rather than the full name, I have to say that it is the intent of the Department, not for its own sake, but for the sake of holders of registered bonds, to have them registered in such manner as to enable the said holders, or their legal representatives, to dispose of them in the simplest and readiest manner. Bonds issued and women under their initials, or under the initials of their husbands, are not readily transferable in case of the death of the holder.
"Though letters of administration would be issued in the legal name of the deceased, and the bonds would be inscribed in her name, under her initials, or those of her husband, as the case might be. The letters of administration and the bonds would not agree as to the name, and therefore the administrator of Mrs. Sarah A. Smith, say, would have to prove that she and Mrs. Thomas W. Smith (or Mrs. S. Smith) were one and the same person. It is to avoid troubles of this character that the Department has insisted on receiving the legal name of persons subscribing for registered bonds.
"Of course, the Department cannot refuse to issue bonds under initials if the parties interested insist upon it, but it is requested that you, in all cases where it is possible, insist on receiving the full names of persons subscribing for registered bonds."

RE-FORMING CHICAGO
A big fight is being made at Springfield for the passage of the following laws affecting Chicago:
Non-partisan elections for aldermen and mayor.
Reducing the number of aldermen from seventy to fifty.
Increasing the number of city wards from thirty-five to fifty, with one alderman representing each ward.
Recall for aldermen and mayor.
Eliminating the offices of city clerk and city treasurer from the elective offices and making them appointive by the council.
The bills, if successfully pushed through the state legislature, must go to the people for ratification on a referendum vote.
The city manager plan of government, which was also submitted to the city council, was put in the discard.
The contemplated change in the aldermanic system was first brought to the council in a bill providing for four years instead of two-year terms for the city fathers and provided for one alderman from each of thirty-five wards. It lost by a vote of 32 to 27 and was then amended to provide for fifty wards, with an alderman from each.

LEGAL BLACKMAIL
The So-Called Legal Fraternity Rotten With Alleged Lawyers, Who Live Upon the Sorrows of Others.
The Chicago legal fraternity needs a purgative. It is too full of crooks and blackmailers who are living upon the misfortunes of others. Fellows who have given up all sorts of jobs where they had an opportunity to get hold of other people's troubles, like discharged and discredited former assistant public attorneys, and other vermin of that ilk are reported to be thriving just now. One long-haired, spindle-shanked scoundrel, who held an official job long enough to get on both sides of a certain divorce case, is reported to have quite a meal ticket working both sides of it. He is only one of many. This class of vermin is boosted and aided by certain "reform" associations, some of which are paid out of the public funds and are "authorized" blackmailers.
The exposure of these frauds is certain to come, and will shake the daylight out of the legal crooks, who now fatten on human misery.

FROM LOT LINE TO LOT LINE
As City Owns All of Street It Should Clean Sidewalks Itself.
The city claims the ownership of the streets from lot line to lot line and all obstructions on the sidewalks from news stands to snow are there with its permission. It rents space on sidewalks at its own sweet will. It should, therefore, keep the sidewalks as well as the rest of the streets clean. But it does not. The money that the city should spend on the cleaning of dirty sidewalks is wasted on \$2,000,000 worth of unnecessary job holders.
Otto Rueter, the leader among Chicago real estate subdividers, has opened a new office at 32 North Dearborn street. It is encouraging to the real estate world as well as to the property owners and prospective buyers to see Mr. Rueter blazing the way to a big trade with the finest real estate office in Chicago on the ground floor of a big building on a prominent lot street.
Five bills for state legislation to be asked by the city were prepared by the law department. The bills provide:
A city manager.
Changes in the method of selecting city controller, city clerk and city treasurer.
Consolidation of the duties and offices of city controller and city treasurer.
Nonpartisan election of aldermen.
Consolidation of local governments.
A special committee on state legislation will pass on the bills before the council is asked to act on them.
Charles Mollitor, a recognized leader in the machinery trade, is one of Chicago's leading and most reliable business men. His name is honored wherever he is known.
C. E. Karstrom, the well known manager of sales for the Big Creek Colliery Co., is one of the most popular men in Chicago connected with the coal trade.
Thomas J. Swerman of Ohio and Clark street and proprietor of the oldest saloon and restaurant in Chicago has the finest bar fixtures in America. They were made over fifty years ago, and the carving was all done by hand. The German Historical Society has taken photographs of them.
Judge Kichham Scanlan fulfills the expectations of his friends. His record on the bench is a good one.
Patrick J. Carr is making a good record as trustee of the Sanitary District of Chicago.
Dr. George Sultan always made a good record in public life.
Maurice T. Cullerton is much respected as a leader in labor circles.

YOU ARE JUST AS OLD AS YOUR SPINE
Even back as far as Caesar's time this saying was used. In later years, men substituted for it—"A man's just as old as he feels". Taking the two, and combining the meaning, we have the true expression and Chiropactic interpretation—"A man's just as old as his Spine allows him to feel!"
The spinal column is the main conduit through which the nerve cables pass from the brain, and from which the tiny feeders are distributed to every portion of the body. If through abnormal curvature, the bones of the spinal column obstruct the free flow of the health-giving currents from the brain to the bodily organs, disease results in the organs so affected. The Chiropactor adjusts the cause of the trouble, removes the pressure on the nerves without the use of Drugs or Knife. This allows Nature to build up the diseased organs or tissues. If there is any abnormal condition present in your body which is causing you suffering, let Chiropactic bring back normal conditions so you may again enjoy good health. F. H. Seubold, Chiropactor, 1331 Stevens Bldg.—Adv.
John T. Murray, the well known and popular lawyer, would make a good judge.
Judge Frank Johnston, Jr., is making a fine record on the Circuit Court bench.
Hey Bros. Motor Car & Garage Company at 4621 to 4629 Cottage Grove avenue maintain one of the largest garages in the city and their "daylight and night service" is the best of any.
Chester A. Phillips & Co., the well-known sales engineers, in the Old Colony Building, have a national reputation for efficiency and square dealing and no concern in the country furnishes better locomotives, steam shovels, excavators, locomotive cranes, railway cars, steel rails, railroad power, mining, shipbuilders and contractors equipment.
Edmund T. Perkins, the well known engineer, is a progressive Chicagoan with a national reputation in his profession.

RE-FORMING CHICAGO (continued)
Judge Thomas F. Scully has made a splendid record in the County Court. The people have confidence in him and their confidence has never been misplaced, either when the judge was on the Municipal bench or in his present responsible position.
Fletcher Dobyns, the popular master in chancery, is at the forefront in every movement for the betterment of Chicago.
Granville W. Browning would make a good member of the Circuit Court bench.
Two hundred saloons have gone out of business since May 1, leaving 5,200 still running in Chicago.
Stillman B. Jameson is one of the coming men in the Republican party. He is honest and able.
Matt Aller would make a good City Treasurer. He is a sterling Democrat and has worked hard to put many good men into public office.
James Scala's Italian restaurant at 61 West Monroe street is very popular.
Adam Wolf is one of the most popular men in Chicago. You can't beat him.
Alderman Walter P. Steffen is making a fine record in the city council.
The Michelob Club which meets at Ohio and Clark streets in Sauer's splendid rooms is growing in membership and power every day.
Dr. George Sultan always made a good record in public life.
Maurice T. Cullerton is much respected as a leader in labor circles.
