Do It the First Day

By Wilbur D. Nesbit

You *know* you are going to buy Liberty Bonds.
You wouldn't be square with *yourself* if you didn't.
You couldn't take off your hat to the flag with half the sense of *ownership* if you didn't.
You couldn't cheer the marching line of troops with half the *thrill* if you didn't.
You couldn't watch the Jackies go by with half the *pride* if you didn't.
You couldn't glimpse a battleship off the coast with half the *joy* if you didn't.
You couldn't read the war news with half the eager *faith* if you didn't.
You couldn't be 100% *American* if you didn't.

You know the Fourth Liberty Loan starts September 28th.
You know that buying a Liberty Bond isn't making a *gift*.
You know you are simply lending your money to your Government—to the best *friend* you and your mother and wife and sister and daughter have.
You know what *security* is back of your loan—security that means good interest and that your money will be paid back to you.
You know all of that—you know the *business* side as well as the patriotic side of it.

Then, buy *your* Liberty Bonds the very first day of the Loan. Don't wait. Do your thinking beforehand. You don't need to consider it; you don't have to be *argued* into it—you *know* you will buy Liberty Bonds. Be one of the first to get the *badge of honor*—the Liberty Bond button. Get *yours* on the first day—September 28th. You *know* what an example that will set.

Make September 28th *your* Liberty Bond day.
Could you do a better thing right now?
