Candidate for City Auditor

DR. P. E. SPRATLIN

Dear Voter:—I am a candidate for City Auditor. The election will be held May 20th. I want your support and your vote. I am the only colored candidate on the ticket. I am not the candidate of any party. The Commission Form of Government that is now the law in Denver does away with party tickets. I am running just for the same reason that actuates more than 100 candidates. I want the office. The Auditor's duties are more like that of a bookkeeper than the duties of the Commissioners. I will, if elected, have nothing to do with making laws nor executing laws. I am in favor of colored men and women getting appointments in all the Departments of the City Government. Other nationalities in Denver have candidates running and they are demanding that the candidates when elected shall give their people city jobs. I promise, if elected, to fill one Department at the City Hall with nothing but colored clerks and inspectors. The bond required by the charter is a large one and I have made arrangements for qualifying under it. I ask every colored man and woman in Denver to advocate my election. When the Swedes, the Irish, the German, the Italians and other white candidates ask for your support I wish you would also demand that they give a vote for the colored man on the same ticket.

Yours for a square deal,
P. E. SPRATLIN, A. M., M. D.

Colored Americans have no fear or misgivings as to the continuance of their crafts, such as the Knights of Pythias, Odd Fellows, Masons and organizations of similar object and aim for mutual betterment. In this particular it would be well to consider the fact that the race is free from the will of the oppressor and that caste legislation has no part in the makeup of the men and women of character and thrift who constitute the great body of Afro-American secret and benevolent organizations in the United States.

The Mozart society of Fisk university gave an interesting rendition of S. Coleridge-Taylor's "Hiawatha" in the Fisk Memorial chapel, Nashville, Tenn. on Friday evening, May 2. Professor Harry T. Burleigh of New York, was the special baritone soloist for the occasion.
