EXCHANCE REVIEW New YORK, October 3--The stock market was dull in the general list, but active in spots which were special objects of bear attacks. The forces of depression were turned upon coal stocks, and St. Paul and Union Pacific also suf-fered. A story on the board which received most most attention, was that the pool in Read-ing had been unloading. The whole list is low tonight and Reading is off 2%: Union Pacific ja; St. Paul and Bigfour, each Já; Missouri Pacific and Burlington, 1½: Northern Pacific preferred and Atchison, I per cent.
