THE WORLD.

"Sir, bring me a good plain dinner," said a melancholy looking individual to a waiter at one of our principal hotels in the State.

"The dinner was brought and devoured, and the waiter called the landlord aside, and thus addressed him: "You are the landlord?"

Seven years after that a wealthy man entered the political arena, and was presented to a caucus as an applicant for a Congressional nomination. The chairman of the caucus held his peace.

"I came to a dinner in your hotel, and although I told you I was furnishing, and pledged my word and honor to pay you in a week, you took my coat and saw me go out into the inclement air at the risk of my life without it."
