April 14.

Prevention better than Cure.

For the prevention and cure of Bilious and

Malignant Fevers, is recommended

DR. HAHN'S

Anti-bilious Pills,

WHICH have been attended with a degree

of success highly grateful to the inven-

tor's feelings, in several parts of the West In-

dias, and the southern parts of the United States,

particularly in Baltimore, Peterburg, Rich-

mond, Norfolk, Edenton, Wilmington, Charle-

ston, Savannah, &c. The testimony of a num-

ber of persons in each of the above places can be

adduced, who have reason to believe that a

timely use of this salutary remedy, has, under

Providence, preserved their lives when in the

most alarming circumstances.

Facts of this conclusive nature speak more in

favour of a medicine, than columns of pompous

eulogy, founded on mere assertions, could do.

It is not indeed presumptuously proposed as

an infallible cure, but the inventor has every

possible reason, which can result from extensive

experience for believing that a dose of these pills,

taken once every two weeks during the preva-

lence of our annual bilious fevers, will prove an

infallible preventative; and further, that in the

earlier stages of these diseases, their use will

very generally succeed in restoring health and

frequently in cases esteemed desperate and bey-

ond the power of common remedies.

The operation of these pills is perfectly mild

and may be used with safety by persons in every

situation and of every age.

They are excellently adapted to carry off su-

perfluous bile and prevent its morbid secretions;

to restore and amend the appetite; to produce

a free perspiration and thereby prevent colds

which are often of fatal consequence. A dose

never fails to remove a cold if taken on its first

appearance. They are celebrated for removing

habitual costiveness, sickness of the stomach and

severe head-ache, and ought to be taken by all

persons on a change of climate.

They have been found remarkably efficacious

in preventing and curing most disorders attend-

ant on long voyages, and should be procured

and carefully preserved for use by every seaman.

Dr. HAHN'S

Genuine Eye-water.

A certain and safe remedy for all diseases of the
