THE HUSTLER.

The central figure in the musical force of "The Hustler," which will be offered at the Academy of Music Monday night, Jan. 22, is the person from whom the piece derives its title. RESCUE MISSION'S GOOD WORK.

Over Thirty-Five Thousand Persons Attended Services Last Year.

The Rescue Mission committee at its annual meeting decided not only to continue the work another year but to push it with more vigor than ever.

The work has been satisfactory in all respects and the results unusually good. The influence of the mission is being felt, not alone in this city, but also in the surrounding towns and outside the state.

Many persons are not aware of the work being done by the mission, but

the committee wishes they would investigate it for themselves by visiting the mission and attending some of the meetings which are held every night in the year at 8 o'clock, and Sunday afternoons at 3:45.

The second annual report of this work will soon be issued, and any contributors by calling at the mission can obtain a copy, or if they will send their address to the superintendent a copy will be mailed to them. During the past year 417 services have been held with an attendance of 35,742; 108 persons have professed conversion, and 391 been forward for prayer; 1,493 have been furnished free beds, and over 300 have been fed. A cordial invitation is extended to all to attend the meetings.

The following constitute the Rescue mission committee: J. A. Lansing, president; Luther Keller, vice president; Mrs. Francis T. Vail, secretary; A. B. Williams, treasurer; Colonel E. H. Ripple, W. J. Hand, Mrs. J. L. Stelle, Dr. G. E. Daug, A. W. Dickson, W. H. Peck, W. D. Kennedy.

EXCEPTIONS IN THE BURR CASE.

It Is Alleged in Them That Commissioner Hawley and Juror Van

North Went Too Far.

The finding of the jury of inquisition in the case of Dr. A. E. Burr, declaring that he is an habitual drunkard, was filed in court yesterday.

The verdict was arrived at on Jan. 9 and is that Dr. Burr has been an habitual drunkard for the past year; that he possesses property, but is unable to take care of it; and that he is 50 years of age and has a wife and two daughters, Lois M. Burr, aged 18 and Natalie Burr, aged 8 years.

Court confirmed the finding of the jury, and afterward allowed Attorneys Hunslander & Vosburg, who represent Dr. Burr, to file exceptions to it.

They are five in number. The principal objection is that while the jury was deliberating Charles F. Van Nor, one of the jurors, said to the others that he lived near Dr. Burr and was well informed as to his condition, disposition, etc. He said that Dr. Burr was not drinking and was taking a great deal of care of his property, and that he had neglected to put the interest on his mortgages and his property would soon have to be sold to the injury of his family. It is also alleged that Mr. Van Nor made other statements calculated to prejudice the jury against Dr. Burr.

The exceptions also set forth that Attorney Hawley, the commissioner appointed by the court to conduct the inquiry, went into the jury room while the jurors were deliberating and told them that it would make no difference if they found Dr. Burr an habitual drunkard, as the whole proceedings could be set aside within ninety days. The ruling of the commissioner is also objected to for the reason that he refused to allow certain testimony concerning the manner in which Dr. Burr managed his estate.

If the court will allow the exceptions after considering the case, Dr. Burr's attorneys will take steps to have the case heard in court before a jury.

Yesterday afternoon Judge Jessup asked the court to appoint Attorney W. J. Hand receiver of the estate of Dr. Burr.

TONY FERRER SENT TO JAIL.

Held Without Bail to Answer Five Charges in Court.

Tony Ferrer, who attempted to assassinate Contractor Timothy Burke while the latter was on a Danmore street car Tuesday evening, was given a hearing before Alderman Wright in police court yesterday morning.

When brought before the Alderman, Ferrer gave his right name, age and residence. When questioned about the shooting he claimed that he had not done the shooting, and that he had no pistol. He said he heard the shot fired and had a narrow escape himself from being killed.

After hearing the evidence of Mr. Burke and Civil Engineer Knapp, Alderman Wright decided that no other evidence was necessary and committed Ferrer to the county jail to await trial, without bail. Three counts for felonious wounding will be pressed against Ferrer. The case is preferred by Mr. Burke, who will be for attempt to kill and the others will be pushed by Mr. Bradley and Mr. Chapman. Chief Simpson charges Ferrer with violating the city ordinances by carrying concealed weapons and discharging the same upon the street.

When taken to the county jail Ferrer was weighed and measured. He is 30 years of age, weighs 129 pounds and wears a number 7 shoe. He is 5 feet 3 inches in height.

REPUBLICANS HOLD A CAUCUS

Jacob Mantz Nominated for School

Controller and August Frantz for Common Council—Death of Ferdinand Schmidt—William Meagher Put in Jail—John Convey and His Son Injured.

The Republicans of the Nineteenth ward held a caucus in Workingmen's hall last evening. The meeting was very harmonious, although there was no dearth of candidates. Jacob F. Miller presided and August Englehardt was secretary. Jacob Mantz was nominated for the office of school controller by acclamation, and in a next speech he thanked those present for the honor conferred and promised to have no stone unturned to secure his election.

There were three candidates placed in nomination for the office of common council. They are August Neula, Oscar E. Strachan and August Frantz. The vote resulted as follows: Frantz, 53; Neula, 28; Strachan, 22. District officers were nominated as follows: First district—Register, George L. Miller; judge, William J. Smith; inspector, Louis Schwass. Second district—Register, John Schunk; judge, Fred Stagerwal; inspector, Charles Downing. Third district—Register, Charles Huffman; inspector, Henry Faller; judge, August Neula. Fourth district—Register, Charles Corlier; judge, Fred Ziegler; inspector, Jacob Corlier, jr.

The men who constitute the head of the ticket named last evening are about 28 years of age. Mr. Mantz is a blacksmith, while Mr. Frantz is a machinist. Both men work for the Lackawanna Iron and Steel company.

Death of Ferdinand Schmidt.

Ferdinand Schmidt, proprietor of Simonson's hotel during the last two years, who has been hovering between life and death for the past few days, quietly breathed his last yesterday at noon. Medical skill was unavailing. Tuesday night hemorrhages again set in and the doctors felt that death was at hand. The remains were taken to the home of his brother, Police Officer Ernst Schmidt, on Prospect avenue, last evening, and the funeral will take place Saturday afternoon.

Mr. Schmidt was a genial whole-some gentleman, and as an ardent Republican he was for many years a tower of strength to his party in the Nineteenth ward. He was United States marshal on several occasions, and although blunt and brusque in his dealings with his fellows his honesty of purpose won general respect. He is survived by a widow and two children.

Thrown from a Wagon.

John Convey, a teamster residing on Beech street, and son, who was with him, were thrown from their wagon yesterday and both were pretty badly hurt up. The accident occurred on Cedar avenue near the bridge and was due to the breaking of a bolt in the whiplash, the horses becoming ungovernable.

The team fell in front of the Roaring Brook hotel and the injured men were taken there where Dr. Haggerty ministered to them. Sprains and bruises were found to constitute their injuries, and Proprietor Bat took them home in his buggy.

William Meagher Rejoiced.

William Meagher, residing with his mother and sister in a hotel on Prospect avenue, was lodged in the Alder street station house yesterday evening. The charge was drunk and disorderly, but he was very violent, threatening his sister's life and attempting to break what little furniture they possessed.

News Notes in Paragraphs.

Miss Winifred Kenney and Thomas F. Needham were married at a nuptial mass in St. John's church yesterday morning. Mr. Needham holds a responsible position with Hunt & Connell, and is the tenor of St. John's church choir. His bride is a very talented young lady. John T. Troy and Miss Healy were bridegroom and bridesmaid, respectively, and Rev. E. J. Melley officiated.

The Young People's Society of Christian Endeavor were to have an entertainment on the third Thursday in February. Finding that this date would fall in Lent the young ladies promptly fixed an earlier date. This action was taken last evening.

DARING ASSAULT ON A RAILROADER.

Attacked by Two Men and Relieved of His Watch.

A partly successful attempt at highway robbery was made in the Delaware, Lackawanna and Western yards about 3:30 o'clock yesterday afternoon, when Fireman C. F. Weston was attacked by two unknown men, who tried to relieve him of his watch and money.

Mr. Weston made a stubborn resistance but the men succeeded in taking his watch before help could arrive. When the highwaymen saw that Weston's cries for assistance were being answered they escaped among the cars standing on the switches.

The loss was reported to the police and two officers in company with several railroad men made a thorough search of the yard but could find no trace of the men. They probably took some outward bound train.

WILL STICK TO EASTERN LEAGUE.

Wilkes-Barre Base Ball Magnates Don't Favor State League.

The stockholders of the Wilkes-Barre Base Ball club met last evening and agreed not to enter the State league.

Daniel Shannon, of Bridgeport, who may manage the Wilkes-Barre team this year, was expected to be present at the meeting, but was not. The following were elected directors: William S. McLean, H. S. Deuser, Alexander Dick, Moses H. Burgrunder, J. Bennett Smith, Colonel William J. Harvey, Charles W. Tammany, Leo W. Long and E. F. Bogert.

The pictures which have excited the admiration of so many people may be had at the Tribune office today. The demand was so great that the supply was exhausted, but a thousand are now ready for distribution.

RUSH FOR ART PORTFOLIOS.

Unprecedented Demand for the Photographic Genes.

Of course you remember the moving sidewalk which was one of the odd, interesting features of the Columbian exposition—with the same ceaseless, continuous movement the crowds flowed in and out of the Tribune Art Portfolio department yesterday, only the rate of speed, going and coming, was more like that of the ice machine toboggan on the Midway pleasure.

The growth of the popularity of the Photographic Portfolio idea is shown when it is stated that more than three times as many copies of the pictures, "Telephone Girl," "Delivering Christmas Presents," and "Maidens Swinging," were given out yesterday as on the preceding Wednesday. Those who have had a chance to study the excellence of the different portfolios are now telling their friends of their worth and beauty, so the increased demand is easily understood.

Critics who know what is correct in the interpretation of the artistic and mechanical wonders of the World's fair realize that the photographs taken by United States government experts for preservation in the national archives at Washington are the best to be had. And THE TRIBUNE'S World's Fair Art Portfolios are made from these photographs, so that this fine series is the only authorized official edition that has appeared or will be published.

The rare opportunity presented through the enterprise of THE TRIBUNE needs no further comment. Now cut your coupons daily.

BICYCLE CLUB SMOKER.

Well Attended Event Held at the Club House.

The Scranton Bicycle Club gave a very enjoyable smoker at the club house last evening. It was largely attended and proved to be a very pleasant event.

Cards and cigars were the order of the evening and jollity reigned supreme until midnight. This is the second smoker given by the club this season.

The Weston Mill.

TO THE TRIBUNE.

We think you owe us a better correction of your blunder of yesterday, entitled "Flour Mills Shut Down," than that contained in this morning's paper. Had your reporter applied at this office he could have learned that while it is true that we are shut down, that it is because of needed repairs to our engine and other machinery—that this machinery has run steadily night and day for nearly six years excepting Sundays and holidays—that our stock, instead of six thousand barrels, is not more than half of that quantity; that instead of our finding no sale for our flour that we sold nearly four thousand barrels more in 1893 than in 1892; that we employ no boys; that none of our men are laid off, and are busy getting ready to start and in the general conduct of writing a damaging article about one of Scranton's industries he might have said a pleasant word about a concern which has lived and paid its debts and treated others fairly for nearly thirty years.

Yours,

A. W. DICKSON, Manager.
