2nd Test at Grand
Circuit.

Our National Problems.

PILLSBURY
STILL AT SEA

The White Squadron Has Not Appeared

SITUATION IN
THE STRIKE BELT

TRAIN RUNAWAY AT STEETON

Over a Score of Workmen Have Been
Wounded and One Man Killed.

COAL IS SHIPPED
FROM SHERMADAH

Fourty Cars of Anthracite Are
Taken from the River Creek Del-
layed the train was
mired in the mud at
SHERMADAH.

Let us not forget that in the midst
of many things there was a
small clock ticking.

We learn from the Associated
Press that the President will
be in New York City this even-
ing, and that he will leave for
Washington tomorrow.

The President has been in the
middle of the storm since he
left Washington, and there
were many who thought that
he might not return.
