HOFFMAN GUARDS WELL.

Oil Men With Fat Bank Rolls Tempt Him in Vain.

Butler, Pa., June 2.—To be penniless Monday and to refuse \$45,000 for an oil gusher and leases on thirty acres of land Saturday night was the fortune of Harry N. Hoffman of Penn township, whose great strike in the McBride oil field continues to create excitement.

Oil men with long green and check books failed to move Hoffman. He has been urged to drill his gusher into the second pay, but he steadfastly refuses. The well at times flows at a 600-barrel rate.

Yesterday morning work was hustled on eleven rigs within 500 feet of the gusher. Hoffman himself will rush two rigs. Even with the chance that others will tap the pool, Hoffman will be a rich man before anyone else has time to puncture the sand, found at a depth of 1,700 feet. Hundreds visited the well. Hoffman remains on guard all the time and has had but a few hours' sleep in five days.

PITIFUL TRAGEDY.

Whole Family Drowned While Enjoying a Special Holiday.

Philadelphia, June 2.—An entire family consisting of William Eldredge, aged 38 years, his wife Elizabeth, aged 37, and their two children, Anna, aged 17, and William, aged 7, of West Pensauken, N. J., were drowned in Pensauken creek, below Riverton, N. J., Sunday, by the capsizing of a small rowboat. The family was taking an outing party in celebration of the fact that the father had just cleared off the mortgage on a home he had purchased.

While rowing down Pensauken creek the boat was caught in the swift current and carried against a scow moored in the stream. The boat was overturned and all the occupants thrown into the water and before assistance could be rendered all were drowned.

More Money For Schools.

Harrisburg, June 2.—Payments to public schools out of the increased appropriation granted by the last legislature will begin this week. The legislature increased the appropriation from \$13,000,000 to \$15,000,000 for the two years, beginning June 1. Superintendent of Public Instruction Schaeffer expects to receive by the middle of this week the first of the reports from the school districts, on which are based the warrants for the payments of the state appropriation, and State Treasurer Shultz says he is ready to pay out the money as fast as the warrants are received from the department of public instruction.

Sudden Death of Wellknown Engineer.

Columbus, O., June 2.—James G. Cobbs, aged 68, of Utica, N. Y., one of the bestknown engineers on the New York Central, who has been attending the convention of the locomotive engineers, was found dead in his bed yesterday at the Great Southern hotel. He was occupying a room with James Farley of Syracuse, N. Y., and the latter found him dead when he awoke. He has been engineer since 1865. He was one of the most popular delegates here. Death was caused by heart disease.

Erie Auto Victim Will Die.

Erie, June 2.—The victims of Saturday's automobile accident here, in which five prominent Franklin persons were seriously injured, show little change in conditions. Miss Kataline Wilson, who was frightfully burned by flaming gasoline, cannot recover. It is feared. Large pieces of flesh were roasted from her body. Mrs. Alfred Wilson was removed from the Hamot hospital to her home in Franklin Sunday afternoon.

DEATH OF A VENERABLE PHYSICIAN.

In November last death claimed one of the venerable physicians of Western New York, Dr. Alonzo Wiltsie of Delaware, Cattaraugus County. Mr. Wiltsie had been a practicing physician for seventy years. A peculiar circumstance in connection with his life is the fact that thirty years ago he was stricken with Bright's disease and after a thorough examination and consultation by eminent Buffalo physicians, his case was pronounced incurable and he was advised to prepare for the closing of his earthly career.

Returning to his home with such sad information he was spurred to make a desperate analysis and study of Bright's disease, with the result that he formulated a remedy which completely cured him and gave him an additional lease of thirty years of life, or until the age of 94 years, as mentioned above.

Mr. Wiltsie in his practice thereafter used the remedy with great success. The mixture can be obtained at any local drug store at a nominal cost, and the complete formula will be mailed, postpaid, on receipt of twenty-five cents by addressing the Empire Type Foundry, 809 Morgan Bldg., Buffalo, N. Y., enclosing 25 cents in stamps or coin. The Empire Type Foundry is one of the largest anti-trust type makers and is given a rating by Dun's Commercial Agency of \$20,000, with high credit.

James Our June Cloak Clearance Sale.

The sale began Monday morning, thus starting several weeks earlier than has been our custom in the past and this brings the garments to you almost in the midst of the season at very much less than actual value. The reduction in price will bear very close relation to the actual cost of the garments to us.

Naturally we wish to empty these cloak room racks as little loss as possible. Satisfied now, however, to dispose of all tailored garments without any consideration of profit whatsoever. Of course we realize that to accomplish our purpose some degree of loss must be sustained. We shall not hesitate in every instance where necessity demands to go below actual cost in order to effect a complete clearance of all tailored garments. Below we quote the prices to be in force during this June clearance. In many instances there will be still greater reductions, but these prices mark the very least reduction in price to be in force at this time. We shall give our first attention to Women's Tailored Suits.
