### A Song of Praise. BY JOAQUIN MILLER.

As a tale that is told, us a vision, For ve and lerges; for I say That he true shal endare the derision Of the tal e till the fall of the day;

Av, for eive as you would be forgiven; Av. thrast, lest 14 you have done. By remembered against you in heaven And all the days under the sun.

For who shall have bread without labor And who shall have rest without price? And whits not hold wir with his neighbor With primise of peace with Christ? The years may lay hand on fair Heaven; May place and displace the red stars; May stain them, as blood stains are draven

At sunset in beautiful bars; May should t em in idack till they fret us As clauds with their showers of tears; May good us to dust and for us,

M. y and years O the putless years; The procepts of Corist are beyond them; The transity the Nazacene taught, With the frame of the ages upon them, They eniture as the igh ages were marght.

The deserts may wink up the formains, The terms give place to the plain; The main may give place to the mountains, The usermain return to the main; Mornious of worlds and mutations

to some may take place; but the reign (); The half the tools and vexations if quesdi them, not never a statu-Garanti to the fle ds as one sowing, Ting song and he glad as you go; There are a colathat take root without sow-

And ocur some fruit whether or no. And the sun shall shine, sooner or later, Though the midnight breaks ground on

Then appeal you to Christ, the Creater, And 'n gray bearded Time, His firsts bern.

#### SPUGIANNA.

Ayer's Sarsaparilla.

Is widely known as one of the most ever discovered for cleansing the system and purifying the blood. It has stood the test of years, with a constantly growing reputation,

tained by its remarkable cures. So mild as to be safe and beneficial to children, and yet so searching as to effectually purge out the great corruptions of the blood, such as the scrofulous and syphilitie contamination. Impurities, or diseases that have lurked in the system for years, soon yield to this powerful antidote, and disappear. Hence its wonderful cures, many of which are publicly known, of Scrofula, and all scrofulous diseases, Ulcers, Eruptions, and eruptive disorders of the skin, Tumors, Blotches. Boils, Pimples, Pustules, Sores, St. Anthony's Fire, Rose or Erysipelas, Tetter, Salt Rheum, Scald Head, Ringworm, and internal Ulcerations of the Uterus. Stomach, and Liver. It also cures other complaints, to which it would not seem especially adapted, such as Dropsy, Dyspepsia, Fits, Neuralgia, Heart Disease, Female Weak-ness, Debility, and Leucorrhoa, when they are manifestations of the scrofulous poisons. It is an excellent restorer of health

and strength in the Spring. By renewing the appetite and vigor of the digestive organs, it dissipates the depression and listless languor of the season. Even where no disorder appears, people feel better, and live longer, for cleansing the blood. The system moves on with renewed vigor and a new lease of life.

PREPARED BY Dr. J. C. AYER & CO., Lowell, Mass., Practical and Analytical Chemists. SOLD BY ALL DRUGGISTS EVERYWHERE.

market abounds. By their occasional use, the blood is purified, the corruptions of the system expelled, obstructions removed, and the whole NEVER machinery of life restored to its healthy activity. Internal organs which become clogged ity. Internal organs which become clogged and sluggish are cleansed by Ayer's Pills, and stimulated into action. Thus inciplent disease is changed into leadth, the value of which change, when reckoned on the vast multitudes who enjoy it, can hardly be computed. Their sugar-coating makes them pleasant to take, and preserves their virtues unimpaired for any length of time, so that they are ever fresh, and perfectly reliable. Although searching, they are mild, and operate without disturbance to the constitution, or dict, or occupation.

Full directions are given on the wrapper to each box, how to use them as a Family Physic, and for the following complaints, which thest Pills rapidly cure:

For Byspepsia or Endigestion, Listlessness, Languor and Loss of Appetite, they should be taken moderately to stimu-

titr, they should be taken moderately to stimulate the stomach, and restore its healthy tone and action.

For Liver Complaint and its various symptoms, Ellious Headache, Sick Headache, Jaundice or Green Sick-ness, Bilious Colic and Ellious Fevers, they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it. For Dysentery or Diarrhoea, but one mild dose is generally required.

For Rheumatism, Gont, Gravel, Palpitation of the Heart, Pain in the Bide, Back, and Loins, they should be continuously taken, as required, to change the diseased action of the system. With such change

those complaints disappear.

For Bropsy and Propsical Swellings, they should be taken a large and frequent doses to produce the effect of a drastic purice.

For Suppression, a large dose should be taken, as it produces the desired effect by symmetry. As a Dinner Pill, take one or two Pills to As a Dinner Pill, take one or two Pills to promote digestion, and relieve the stomach.

An occasional dose stimulates the stomach and bowels, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these Pills makes him feel decidedly better, from their clemating and renovating effect on the dieselye amazing. effect on the digestive apparatus.
