The Newbern Agricultural Fair-Appeal to the Adjoining Connties.

The erection of buildings and other improvements are going forward rapidly on our Fair Grounds. A beautiful track for the exercise of the Uni ed States. The ground on which the whole is located is perfectly level, while the enclosure is bounded on one side by the Railroad zid on the other by the majestic Neuse, as handsome a sheet of water as eve could wish to rest on. We do trust that we shall have some aquatic sports connected with the Fair. It is a beautiful

We have already made appeal after appeal to our Newbern and Craven friends in behalf of our Fair, and now we desire to say a few words to the people of the adjoining counties.

be considered exclusively a Craven county enterprise. We want Carteret, Jones, Hyde, Beau-

they as well as on terves should be benefit in stol and besides this variety there is a success which the enterprise deserves. We trust not only come up to the Fair, but we want them to bring so nething for Exhibition. Don't matter what it is-bring the best you have got or can produce, whether agricultural product, specimen of mechanical skill, or mineral. Bring something. All the friends of the Fair will bear in mind that there is to be another meeting at the Court House to morrow night, and it is desi ed that here be a large attendance.

Dongles and the Strong Minded Women The Bath (Me.) Sentinel publishes the following letter purposting to come from Senator Douglas, but really if Douglas wrote this letter he has not as much good sense as we had given him credattending a Woman's Rights Convention-would as soon see him in a mad house at once. Humbug? We don't believe Douglas wrote it:

WASHINGTON, July 14, 1859. happiness and protection of the interests and When these are finished, between four and five rights of the female sex, has just been laid before miles of track can be laid forthwith. It is supme. You are right, dea. Madan, when you say posed they will reach the twenty-four mile post that I take a deep interest in all that concerns the by Christmes.' ladies of our great and glorious country. And I need not now, after so many years of fai hful lavon that you have, in your endeavors to obtain Civ, says: the liberty of governing your elves in your own way, subject only to the Constitution of the United States, the full confidence of my undivided sympathy. I regret, dear Madam, that bus ness of great importance will prevent me flom being present at your convention.

I have the honor to remain. &c.

Letter from Prof. Emmons. Below we give, a letter from the State Geolo-

gist, Prof. Emmons, descriptive of a portion of Western North Carolina: SOUTH-WESTERN COUNTIES OF N C. Lever from Prof. Emmons to the Editors of the Franklin N. C. Observer.

SIRS-It seems to the writer, that the question relative to the Mineral and Agricultural resources inducements for development and improvement are limited, it cannot be expected that remarkable and inviting prospects can be shown immediately upon the surface. But the mining and agricultural interests are slowly developed, and it is only upon and by encouragements which markets and profits hold out that men are induced to act; and hence, when market facilities are provided, an entire change in the feelings of a community take place which result in enterprize which either bring to light mineral resources, or lead to a sys-

In the south-western counties, agriculture has kets, where intercourse is difficult and expensive: revolutions. and hence, the inducements to labor energetically for large crops are too small to move a community. though individual exections in a few instances are When all things are taken into consideration, which affect the capacity of the soil, climate, composition and depth, few sections can compare with says: the south-western counties of North Carolina. > REVOLUTION IN COSTA RICA. NEW YORK, Sept. 14 .- The steamship North Star from Aspinwall has arrived. The revolution in Costa Rica continued. President Mora and Generals Mora and Canas had been banished from the country, and have arrived here. Doctor Mon-

commanders of troops at other places counselling non-resistance, but the commander-in-chief declared he would attempt to restore Mora. Nica past neces of Line ture. We sell to low he English flag.

PRESIDENT!AL.—The Concord (N. H.) Stan ard says the Concord "Clique" are bold in their assertion that they will oppose any candidate nominated at Charleston for the Presidency, un less it be Douglas or Franklin Pierce It is said that Mr. Pierce is quite confident that he or longlas will get the nomination, if things are shrewd

FROM OUR CORRESPONDENTS

NEW YORK CITY, Sept. 13th, 1850 Dear Progress :- Bright and beautiful is th day in New York after the rain of yesterday. Ev erything presents a charming aspect. The Accademy of Music opened for the seaso

last night. The opera was Polinto; the artist were Cortisi, Brignoli and Arnodio. The hous was packed full-such a display of elegant oper. cloaks, gems, fans and lovely faces-such connet ting as there was behind the opera glasses sol the ladies, the ladies, how they make the lords of Creation sin-my heart has been si perforated since my visit to New York-what sha r, in-words, but in a matter of presents! one can imagine himself transpected the control of presents and home. Can be control of the control rich decorations of the spacious house-all

> lend a witchery to the whole. Madam Cortisi was loudly applauded and man-
