Burned Down .-- The steam saw mill of Mr. Sutton, three miles east of New Milford, on the Susquehanna pike, was burned to the ground on Monday hight of last week. The engine room was the last part to burn. One of the workmen was through the building an hour and a half before the fire enveloped the whole building, and reported everything safe .-It is thought, accordingly, that it was fired by an incendiary. Loss at least \$5000 .- Scranton Register.

Choice Seed Potatoes, -- Those in need of choice seed potatoes, will find them at H. W. Bardwell's, a short distance above town. He has the Early Goodrich, Goodrich's Seedling and Garnett's Chili, which will be sold at reasonable rates.

A Box of what our fumigating friend pronounces, very choice Cigars, were left on our table with the regards et Mr. M. R. Kohnstamm, the new Tobacconist. Of course, under such assurances, we indulge in a "puff." Mr. K. has a fine stock of everything in his line, on hand for sale, in any quantities desired Being intimately connected with a large N. Y. house, his facilities for supplying the trade are unsurpassed. Dealers will do well to call and examine stock and prices.

I. W. Heermans, formerly of this place, we notice by the Scranton papers, has returned to that city and opened a Picture Gallery at the old Brownell Gallery,on the corner of Lackawanna and Penn. Avenue. No one from this vicinity, who may visit Scranton, will neglect to cal! on "Lew," who is not only one of the best artists, but also one of the most social and companionable of men. Success to him.

A Card .-- The Band tenders its most earnest thanks to those young ladies who so perseveringly exerted themselves in its behalf. All credit is due to them, and especially to Miss Faunie Bacon, for the admirable success they met with, particularly so, in view of the discouraging circumstances under which they labored. We respectfully bow our acknowledgments, and gratefully pocket the "stamps. R. P. ROSS, Leader.

Seminary at Factoryville .-- A project is on foot for the erection of seminary buildings at Factoryville, this county, at an expense of twenty thousand dollars. We learn that some \$10,000 or more have already been subcribed towards this new enter prise. Should it prove a success it will un loubtedly he a great blessing to that community as well as the surrounding country, which have been wanting in proper public schools for the education of our youth We are pleased to note this enterprising public spirit in our Factory ville neighbors, and trust the day is not far distant when they may realize their fondest anticipations in the successful operation of this institution of learning; for the poet holds that-

"A little learning is a dangerous thing; Drink deep, or taste not the pyerian spring."

Small Potato Legislation .-- Almost the last official act of Senator Shoemaker (Rad.) was that of rushing through the Senate the outrageous law preventing persons not resident of Luzerne county from selling goods by sample or otherwise within its limits. Last week a man stopped at this place with ar ark load of potatoes for which he asked \$1,25 per bushel when they were selling here at \$1,80. Under the wise provisions of Mr. Shoemaker's small potato bill the man was compelled to go on down the river to Columbia county, and our citizens are taxed 55 cents extra on their "taters"- Luzerne

DeMott & Ward's United Menagerie and Circus, -- The young gentlemen whose names form the caption of the firm of the above mentioned institution are both well and most favorably known to the public as eminent performers. By merit and industry have acquired sufficient to enable them to start an enterprise of their own upon a firm basis .-They know practically what a good performance is worth to an establishment, and low far a commendable entertainment ensures success. They have an entire new outfit, and are fully enabled to make a good display upon the road, but not depending upon that alone they have secured a troupe of ladies and gentlemen artistes, whose performance will not only create a sensation but give the establishment proud and permanent reputation. To these people they have added a Zoological divertisement of a clever and moral nature. They have rare beasts, the majority of which have been so trained that they can be introduced with satisfaction into the arena. -These are the Performing Bears of Old Grizzly Adams, a Leaping Buffalo, a Hintoostan Bull, a fine corps of Dogs, Apes, Monkeys. Babboons, and a den of ferozious denizens of the Tropics. The stock of Horses, Ponies and Mules are of excellent quality, and the concern to-day backed by youth, merit, ambition and originality must prove remunerative to its proprietors and acceptable to its patrons. It will be here on Thursday, May 21st, 1868.

Rattroad Matters -- Since our last issue we have learned more of the particulars concering the merging of the Hazleton Railroad with the Lehigh Valley Railroad. The merger is effected by the issue of the stock of the latter to an amount slightly exceeding the combined capital stock of the two former companies, and by the purchase (also, for stock, at par,) of the equipment and shops, including eighteen locomotives, and nearly two thousand coal cars. belonging to the lesees of the Hazleton Company, -The whole transaction will amount to a little over \$3,300,000 of Lehigh Valley stock, which will take the place of other stock now outstanding, and probably be held to a great extent by the same parties .-An increased business having bee , thus secured without any new expenditure the efficiency of working and general strength of the consolidated line will be greatly promoted by the arrangement, which, includes, of course the coal lands and all other property of the Hazleton Company. The bonds of that Company, amounting to \$150,000, will be assumed by the Lehigh Valley Railroad. The exact figures

HOOFLAND'S GERMAN BITTERS.

HOOFLAND'S GERMAN TONIC, PREPARED BY DR. C. M. JACKSON, · PHILADELPHIA, PA. The greatest known remedies for

Liver Complaint, DYSPEPSIA, Nervous Debility, JAUNDICE, Diseases of the Kidneys, ERUPTIONS of the SKIN,

and all Diseases arising from a Dis-ordered Liver, Stomach, or IMPURITY OF THE BLOOD. Read the following symptoms, and if you find that your system is a fieled by any of them, you may rest assured that disease has commenced its attack on the most important organs of your body, and unless soon checked by the use of powerful remedies, a miserable life, soon terminating in death, will be the result.

Constipation, Flatulence, Inward Piles,
Fulness of Blood to the Head, Acidity
of the Stomach, Nausea, Heartburn, Disgust for Food, Fulness
or Weight in the Stomach,
Sour Eructations, Sinking or Fluttering at the Pit
of the Stomach, Swimming of
the Head, Hurried or Difficult
Breathing, Fluttering at the Heart,
Choking or Suffocating Sensations when
in a Lying Posture, Dimness of Vision,
Dots or Webs before the Sight,
Dull Pain in the Head, Deficiency of Perspiration, Yellowness of the Skin and
Eyes, Pain in the Side,
Back, Chest, Limbs, etc., Sudden Flushes of Heat, Burning in
the Flesh, Constant Imaginings of
Evil, and Great Depression of Spirits.

All these indicate disease of the Liver or Digastice

Goofland's German Bitters fipoliand's Cerman Sillers
is entirely vegetable, and contains no
liquor. It is a compound of Fluid Extracts. The Roots, Herbs, and Barks
from which these extracts are made
are gathered in Germany. All the
medicinal virtues are extracted from
them by a scientific chemist. These
extracts are then forwarded to this
country to be used expressly for the
manufacture of these Bitters. There
is no alcoholic substance of any kind
used in compounding the Bitters,
hence it is the only Bitters that can
be used in cases where alcoholic stimulants are not advisable.

Goofland's German Conic spoollatio of all the ingredients of the Bitters, with runs Sinta Cruz Rum, Grange, etc. R is used for the same diseases as the Bitters, in cases where some pure alcoholic stimulus is required. For will bear in mind that these remedies are entirely different from many others advertised for the cure of the diseases named, these being scientific preparations of medicinal extracts, while the others are mere decoctions of rum in some form. The TONIC is decidedly one of the most pleasant and agreeable remedies ever offered to the public. Its taste is exquisite. It is a pleasure to take it, while its life-giving, exhilarating, and medicinal qualities have caused it to be known as the greatest of all tonics.

CONSUMPTION. Thousands of cases, when the patient supposed he was afflicted with this terrible disease, have been cured by the use of these remedies. Extreme emaciation, debility, and cough are the usual attendants upon severe cases of dyspepsia or disease of the digestive organs. Even in cases of genuine Consumption, these remedies will be found of the greatest fleneft, strengthening and invigorating.

DEBILITY. There is no medicine equal to Hoofand's German Bitters or Tonic in cases of Debility. They impart a tone and vigor to the whole system, strengthen the ap-petite, cause an enjoyment of the food, enable the stomach to dipest it, purify the blood, give a good, sound, healthy complexion, eradicate the yellow tings from the eye, impart a bloom to the checks, and change the patient from a short-breathed, emaciated, weak, and nervous invalid, to a full-faced, stout, and vigor-ous person.

Weak and Delicate Children are made strong by using the Bitters or Tonic. In fact, they are Family Medicines. They can be administered with perfect safety to a child three months old, the most delicate female, or a man of ninety.

These Remedies are the best Blood Purifiers

ever known, and will cure all diseases resulting from bad blood. but blood.

Keep your blood pure; keep your Liver in order; keep your digestive organs in a sound, healthy condition, by the use of these remedies, and no disease will seer assall you.

THE COMPLEXION. Ladies who wish a fair skin and good complexion, free from a yellowish tinge and all other disfigurement, should use these remedles occasionally. The Liver in perfect order, and the blood pure, will result in sparkling eyes and blooming checks.

CAUTION. Hoofand's German Remedies are counterfeited. The genwine have the signature of C. M. Jackson on the front of the outside wrapper of each bottle, and the name of the article blown in each bottle. All others

Pastor of the Tenth Baptist Church, Philadelphis Pastor of the Tenth Baptist Church, Philadelphia.

DR. JACKSON—DEAR SIR:—I have been frequently requested to connect my name with recommendations of different kinds of medicines, but regarding the practica so not of my appropriate sphere, I have in all cases declined; but with a clear proof in various instances, and particularly in my oth family, of the usefulness of Dr. Hoofland's German Billers, I depart for once from my struct course, to express my full conviction that for general debility of the systems, and especially for Liver Complaint, it is a safe and valuable preparation. In some cases it may fair; but usually, I doubt not, it will be very beneficial to those who suffer from the above causes. Fours, very respectfully, be very beneficial to those wno some states.
