

FEAR DISCREPANCY IN STAMP ACCOUNTS

Treasury Officials Apprehensive of Reckoning.

PACKET FOUND IN OLD COAT

Revenue Certificates Worth Vast Sums Exposed in Corridors—Three Hundred Tons Once on Hand.

Three documentary internal revenue stamps which were found in the pocket of an old coat purchased in a second-hand clothing store have been presented at the Treasury Department for redemption. They were rejected today by Chief E. C. Johnson of the stamp division. The name of the person offering the stamps was not disclosed, inasmuch as his story is not believed, despite affidavits offered in support of his claim.

The chief of the stamp division ruled that the person offering the stamps had not satisfactorily proved his title. He told a story of having purchased the coat and finding the stamps. He also filed the affidavit of the second-hand clothing dealer which stated that he sold the garment. It was decided, however, that possession of the stamps would not prevent the original purchaser from prosecuting a claim for their redemption.

One Packet Weighed Nine Tons.

The stamp division has just completed the cancellation of the largest claim for redemption that has ever been filed. It weighed over nine tons, and contained \$14,000 worth of 1-cent stamps. Twenty persons were occupied thirty days in checking the claim. There have been many packages received at the office of the Internal Revenue Bureau, containing stamps of greater value, but never one of such great weight.

It was said this morning that more than 50 per cent of the war revenue stamps have now been redeemed, and as a consequence, the counting force has been reduced to six persons. Forty persons have been employed steadily for more than a year in counting the redeemable stamps and stamped instruments.

Revenue stamps have been coming into the Treasury Building in great quantities since the war taxes have been declared inoperative. The bundles in some instances have been worth thousands of dollars.

Guarded by Policemen.

Great piles of these packages have filled the corridors of the building, and as there is no storeroom provided for them, watchmen have patrolled the corridors to prevent tampering with the packages. It is estimated that at one time there were nearly 300 tons of these stamps in the Treasury Building.

Cancellation of the stamps has been performed by a special committee appointed for that purpose. The facilities for doing the work have not been good, and some apprehension is now felt as to whether the report of the number of stamps destroyed will check with the number collectors say they have sent to the Commissioner for redemption. The opportunity for a steal has been great.

KING ALEXANDER FEARS FOR SAFETY OF PALACE

Strongly Re-enforces Bodyguard at Belgrade.

PARIS, April 20.—A dispatch from the Serbian frontier says the bodyguard at the royal palace at Belgrade has been strongly re-enforced. A coup de main is feared.

King Alexander of Serbia executed a coup d'etat on April 7, when he issued two proclamations. The first suspended the constitution for a few minutes and annulled all the laws passed by the skupshtina and re-enacted those that existed previous to the constitution in 1901. The second proclamation restored the constitution to its former validity.

COCAINE FIEND FAILS TO RECALL SHOOTING

Awakens in Prison Ward of Bellevue Hospital.

NEW YORK, April 20.—Charles Frederick Spang, the wealthy young Pittsburg "cocaine fiend," who "shot up" Herald Square Saturday night, woke up in the prison ward at Bellevue Hospital yesterday apparently entirely sane. His mind was a blank concerning the exciting episode in which he had been the central figure.

Awakening, he looked about at the sixteen bruised and battered physical wrecks in the midst of whom he had spent the night, and, rubbing his eyes, cried:

"Where am I?"

"You are in the prison ward of Bellevue Hospital," the attendant informed him.

"What for?" Spang asked, with evident surprise.

"For shooting people."

"What! Me shoot people? You must be crazy!"

When he learned that he had broken loose with two revolvers and had shot at an inoffensive stranger and stamped cabmen and pedestrians he said he hadn't the slightest recollection of the incident. He demanded to be released.

When Spang is discharged from the hospital he will be arraigned in Jefferson Market Police Court.

SAENGERBUND CELEBRATES FIFTY-SECOND ANNIVERSARY

The fifty-second anniversary of the Saengerbund was celebrated last night at the clubhouse. A large audience was present to enjoy an unusual program, arranged by the musical director of the society, Henry Xander.

The Hon. Simon Wolf made an address and Frank Clacy, president of the society, read an original poem. Mr. Wolf's address was heartily applauded and appreciated. He touched upon the amicable relations between Germans and Americans and strongly advocated the enlargement of Saengerbund Hall for the accommodation of its many friends.

Dennis's Orchestra furnished several interesting musical numbers, and many of Washington's best known musicians participated in the program. Among these were Sol Minister, violinist, who played several solos with his customary artistic finish. Melville D. Hensley, tenor, was well received in Denza's "Star of My Heart," and responded to an encore, while Mae E. Woodward, soprano, won much favorable comment through her excellent work in several songs. Others who assisted were James Nolan, bass; Mr. Jehvert, and Mr. Hahn, cornetists; Mr. Bechtel, horn soloist. The Saengerbund sang several numbers.

Last night's entertainment will mark the close of this season's concerts. It is believed that before the opening of next season the seating capacity of the hall will be increased.

EX-POLICEMAN PAYNE ARRESTED FOR THEFT

Accused of Participation in Robbery of George Vigovsky.

An apparent solution has been found to the robbery of George Vigovsky, of Wilmington, Del., who was relieved of \$450 in a saloon near the Pennsylvania Railroad depot about two weeks ago.

Charged with implication in the theft, Samuel Payne, a negro, formerly a policeman of the Fifth precinct, who was dismissed from the force recently while under suspicion of having taken part in the robbery, was arrested this morning, and is held with George Leftwiler, Joseph Jones, and Bertha Page, also negroes.

His alleged accomplices admit their guilt, and declare Payne was in the conspiracy.

The robbery of Vigovsky has been under investigation since the foreigner called at Police Headquarters and said two negroes had stolen \$450 from him. He was on his way to Cincinnati from Wilmington, and stopped off here to see some friends. Near the station he was accosted by the men, and taken to a saloon where he was robbed.

Several days later Payne was summoned to answer the assertions of two negroes, who informed the police he was one of the thieves. He protested his innocence, and was released after an inquiry owing to the weakness of the case. On the following day he was dismissed from the service for having talked to a reporter about the arrest and then denying that he had mentioned the matter to anyone.

The investigation, however, was not abandoned. Detective Muller questioned the trio under arrest, and gained their confidence. On the strength of their statements, Payne was arrested today, and taken to Police Headquarters. He denies his guilt, but refuses to say anything further.

FORT MYER TROOPERS IN A STREET FIGHT

Queer Story Told the Police About a Nocturnal Brawl.

Mysterious and baffling is an assault committed on three soldiers at Thirtieth and Pennsylvania Avenue early yesterday morning. The victims were privates A. J. Miller and Chadawaska, a famous Indian bareback rider, now stationed at Fort Myer with the Second Cavalry. Both were taken to the Emergency Hospital, but neither was seriously injured, and later they were discharged from the institution.

The assault occurred at about 1 o'clock in a vacant lot near the depot of the Washington and Alexandria Railway. The two soldiers, with a comrade, had thrown themselves on the ground to sleep, when Miller suddenly woke to find himself being beaten by several men. The noise aroused Chadawaska and the other cavalryman, and they immediately joined in the fight. For several minutes the men struggled with each other, when one of the combatants hurled a brick at the trio from Fort Myer.

The missile struck Miller on the head and rendered him unconscious. That ended hostilities, and the police were informed of the affair. The soldiers were taken to the hospital, and a detail of police was summoned from the First precinct to make an investigation. The men told a rambling story of the fight, and were unable to give a clear statement.

"Earlier in the evening we had a dispute with a couple of sailors in a saloon," said one of them, "and they are no doubt the men who started the fight. One of them was an Indian, and fought like a demon. He is the one who threw the brick."

Further than this they said nothing, and the police were greatly mystified to know who the real assailants were. It is believed, however, they had a fight among themselves, and the story was made up on the spur of the moment.

AN AMERICAN SENTENCED.

BERLIN, April 20.—William Mueller, of New York, was today sentenced to two months' imprisonment on a charge of having perpetrated numerous frauds with pictures.

TRIAL OF BRUNO SET DOWN FOR WEDNESDAY

Self-Confessed Slayer of Farmer Van Brownell.

[By a Staff Correspondent.]

UPPER MARLBORO, Md., April 20.—The trial of Francisco Bruno, the self-confessed slayer of Van Brownell, of Bowie, has been set for Wednesday. Bruno was taken from the local jail by Warden Davis, and arraigned in the Circuit Court, with Judge George C. Merrick on the bench.

Bruno has retained as his counsel George B. Merrick, son of the judge, who successfully defended Sheriff Hardist at his trial several days ago. The case will be tried by the petty jury of this county, with Judges Merrick and Crane on the bench. Attorney Merrick will plead self-defense. He expects to prove that Brownell attacked his client with a club. Bruno, according to Mr. Merrick, used his weapon only after he had been struck by the farmer.

It is not believed here that Bruno will be hanged, because there were no eyewitnesses to the deed.

Town Bailiff James A. Scaggs, of Laurel, was placed on trial this morning for manslaughter. He shot and killed Jonathan Merson while the latter was attempting to escape from his custody.

Scaggs was an official at Laurel some months ago and two of the Merson brothers became disorderly. He placed them under arrest and took them before a magistrate, who ordered them locked up. On the way from the magistrate's place to the jail Jonathan broke away and ran. To frighten him and compel him to stop Scaggs says he fired his pistol in the air. Merson fell to the ground, though, and upon examination it was discovered that he had been shot in the hip. He died two weeks after the shooting.

FAVORS A "TREATY OF PEACE" WITH FRANCE

Action of Glasgow Chamber of Commerce Considered Significant.

GLASGOW, April 20.—The chamber of commerce of Glasgow this morning enthusiastically passed resolutions in favor of a treaty of peace between Great Britain and France. The action is significant, as showing the trend of public opinion in England toward France.

It has been asserted in diplomatic circles on several occasions lately that France and Russia are gradually falling apart, and that the old-time animosity between Great Britain and France was fast disappearing. This was accentuated by the announcement that King Edward would visit Paris in May. The action of the chamber of commerce this morning thus adds another confirmation to the report.
