**How to Win \$1,000**  
How many votes will be cast for  
the Republican and Democratic  
candidates for President in No-  
vember next? To those who can  
answer this question the nearest  
correctly The Times will give \$1,000  
in cash, divided into forty prizes  
as enumerated in the accompany-  
ing list of awards. In addition to  
the prizes for the nearest correct  
estimates a special prize is offered  
for submitting the best estimate  
early, its value depending upon the  
month such estimate is received.  
Should it be found that the best  
estimate was received in May, the  
winner of the first prize will re-  
ceive \$1,000; in June, \$1,000; in July,  
\$1,000, and so on until November,  
when there will be no special prize  
in addition to the first prize of  
\$1,000.

This contest also has its mascot,  
an English Bull Terrier, "Bully,"  
which will be awarded to the con-  
testant sending in the thirteenth  
nearest correct estimate.  
Estimates are to be made on the  
combined popular vote of the can-  
didates of the Democratic and Re-  
publican parties only. To assist  
contestants with their estimates  
The Times gives the popular vote  
for the candidates of the two lead-  
ing parties in the last six elec-  
tions. To make these statistics in-  
teresting The Times has given the  
vote of each candidate separately  
before totaling the two, but in  
submitting estimates contestants  
must give only what in their judg-  
ment will be the total, or combined,  
vote for both candidates. The first  
prize of \$1,000 will be awarded for  
the nearest correct estimate; the  
second prize for the next nearest,  
and so on. All estimates must be  
submitted on the blanks provided  
in this advertisement or special  
blanks which The Times will fur-  
nish on request. All estimates  
must be written with ink, and  
without erasure of any kind. If it  
is necessary to make any altera-  
tion in an estimate use another  
blank.

A positive guarantee is given that  
this contest is not associated with  
any syndicate offering prizes  
through a large number of papers  
or with any other paper. It is an  
independent contest, being con-  
ducted wholly by The Times and  
for the benefit of readers of The  
Times solely.

and the estimate received. NO  
LESS THAN ONE DOLLAR OR  
TWO ESTIMATES WILL BE RE-  
CEIVED AT ONE TIME.

Contestants desiring certified  
copies of their estimates can have  
them if, when sending in their es-  
timates, they will forward a dupli-  
cate blank filled out the same as  
the original and inclose a two-cent  
stamp for its return. Write "duplic-

tion, and all estimates must be
