SEAY HAD THE REAL GOODS

and Prevented Bunching—No Er-
rors After First Inning.

In a game that was full of interest and with a culmination that was far from being expected by the large number of spectators, the National Council of the Royal Arcanum League beat the Bureau Athletic club by 6 to 3 on the grounds at Second and R Streets northwest yesterday.

The game started out in the first inning by the Bureau getting one run to the good, but in the second inning the Nationals boys played the kind of ball for which they have received such a good name.

S. Seay, of Sunday School League fame, did the twirling for the winning team, and allowed but four hits which he kept well scattered except in the first inning, when the losers made their first two runs on two hits, an error, and a pass. For the rest of the game there was not a semblance of bad fielding, and every player put some life into the game.

EX-DISTRICT MAN
WINS AT SEA GRITDr. George E. Cook Takes
Wimbledon Cup.

WEATHER CONDITIONS BAD

Deceptive Wind and Constantly Vary-
ing Light Caused Small
Scores.

SEA GRIT, Sept. 3.—A former member of the District of Columbia National Guard, but now a member of the Manhattan Rifle and Revolver Association, Dr. George E. Cook, of Sandy Brook, Ind., this afternoon, won the Wimbledon Cup Match, against sixty-eight competitors, by a score of 88.

Considering the extremely adverse conditions under which the match was shot his score is fine. It is three points below that of Capt. W. H. Richard, of Ohio, last year's winner, but today's battle and light that constantly varied, and it ended in a rainstorm. An hour before the match ended a drizzle set in.

New Jersey Man Second.
Dr. Cook finished early. Second honors went to Lieut. W. A. Tewes, First New Jersey, 85, and third to Capt. W. A. Martin, Second New Jersey, 84. S. B. Winder, Ohio, and Harry M. Pope, Massachusetts, with 83, each.

Three stopped at St. Lieut. K. K. V. Casey, Seventy-first New York, and J. Murray, and Lieut. C. S. Benedict, Ohio.

The other District of Columbia scores were: Maj. G. B. Young, 73; Lieut. W. W. Cookson, 70; Private S. B. Wetherall, 64.

The Maryland scores were: Serg. J. E. Grant, 65; Serg. W. W. Brown, 62; Corp. L. E. Beach, 58; Maj. S. J. Fort, 52.

Marine Corps Scores.
The Marine Corps scores were: General Burkhardt, 99; Sergeant Major Hayes, 63; Lieut. G. Bishop, 67; Private Cope, 67; Sergeant Howard, 63; Sergeant Ketcham, 63; Corporal Shriver, 63; Sergeant Baptiste, 62; Sergeant Maybe, 54; Private Markee, 45; Sergeant Lonsdale, 45.

The all-comers' squadded revolver match was won by Lieut. R. H. Sayre, Squadron A, New York, 130, with Col. Thomas Anderson, Massachusetts, 125; C. F. Armstrong, 124; Maj. S. J. Fort, Maryland, 123; Lieut. W. W. Cookson, District of Columbia, 121; Lieut. W. W. Cookson, District of Columbia, 89.

NELSON-HERRERA
NEXT BIG FIGHTTakes Place at Butte, Mont.
Tomorrow.Both Men Are Fierce Mixers, and Each
Has the All-Necessary
Punch.

At Butte, Mont., on Monday what should prove one of the best fights in the history of pugilism is scheduled to take place. Aurelio Herrera and Bat Nelson will be the principals. Nelson is the man who recently put Eddie Hanlon away, and with whom Al Hartford is after a match for Kid Sullivan, the Washington boy.

Unusual interest is taken in this fight throughout the country, and in Washington in particular, as local admirers of Kid would want to see what chance the Kid would have when Nelson is in the ring. Nelson is a fighter of the same order as Sullivan, who, while not as clever as some of the little fellows, is a terrific mixer and has a punch that will bring him the money when it lands.

Many Pick Herrera.
Despite the fact that Nelson is touted in the West as the coming champion, there are many sporting men who pick Herrera to give the battling one his quietus, because they say Nelson is made to order for him. Herrera has lost to little men who had a clever left-for instance, Abe Attel, Kid Goodman, Charlie Neary, and others—but the Mexican has won when he stacked up against men like Kid Broad, Benny Yanger, and Louis Long, who carried the fight to him. Nelson he will face just such a fighter, and one who was fast enough to make Eddie Hanlon quit.

Should the proposed match between Nelson and Sullivan come to a head, it is likely that the Washington boy's admirers will see a greatly improved pugilist in him. Nelson he will face just such a fighter, and one who was fast enough to make Eddie Hanlon quit.

Georgetown Field Meet
Offers Many FeaturesCrack College Runners and Relay Teams
From Baseball Organizations
Are Entered.

The open outdoor field and track meet for the benefit of the Georgetown boat-house site fund will be held tomorrow afternoon at Georgetown Field, beginning at 2:30 p. m.

The decision of the Corporation Counsel that the varsity boat house occupied public property at the foot of Thirty-second Street compelled the Blue and Gray rowing association to demolish the structure, and as a result the boat club is without a home. A friend has offered to provide the university with a house on condition that the ground on which to build is purchased. It was to raise money for this fund that Directors O'Shea and Reilly decided to hold an outdoor meet.

In conjunction with the field and track tourney there will be an interleague game between St. Stephen's Institute and Fourth Presbyterians, the winners of the pennants offered by the Capital City and Church Leagues, respectively. Ever since the formation of the Capital City League, which is the younger of the organizations, baseball enthusiasts of this city have been awaiting a game between the clubs of the two leagues in order to decide which is the stronger.

Two Good Teams.
In the Sunday school race Fourth had no trouble in landing the trophy, but in the city league St. Stephen's was just able to beat out Turner Athletics after a pretty fight. Neither Captain King nor Captain Morlarty has as yet decided upon what pitcher he will use in the important contest in Lower Busher, and Kidwell the West Enders have a trio of strong ball artists, while Donaldson and Red Wahler are the standbys of the Presbyterians. Moffatt Bradley will be behind the bat for Fourth, while Graves will do the receiving for the Institute.

There will be two umpires for the game. Handball, of the City League, and Colliflower, of the Sunday School League. The handsome trophy cup to be presented to the winners by R. Harris & Co. will be one of the most coveted prizes offered to athletics in this city in years.

The big feature of the track meet will be the relay race between the Maryland Athletic Club and an all-Washington four running under the colors of the Gonzaga Club. The Baltimoreans have one of the fastest club fours in the country, and a victory over their team will be no little achievement. The Gonzaga quartet will probably be Lorenzo, and Edmonston, Fischer and Robey.

Four From Capital City.
There will be four relay teams in the Capital City race. The Carroll Institute entry is Lucas, Crowley, Cullen, and Lanahan. St. Stephen's Institute will be represented by Fitzgerald, Howard, Ross and Drewry. Gonzaga's team in this race will not be the same that will be pitted against Maryland Athletic Club but will be made up of Connolly, Lorenzo, Fischer and Brown. In the National Guard race the Urell Rifles and the Capron Cadets will enter teams. The Urells will be Bateman, Gill, Laughlin and Graham, while the Capron men who will compete have not yet been finally selected.

In the intermediate relay race the Duponts will be classed against the Inghams. The Dupont team is Rosemond, Royce, Wallace, and Johnson. The most prominent of the individual athletes entered is Joe Hill, the American champion hurdler and one of the best broad jumpers in the country. He will probably be the scratch man in the broad jump, and in the relays will run third on the Maryland Athletic Club, Randall, of the Baltimore Athletic Club, and Reilly, of Georgetown, the world's record holder for the quarter mile indoors, will meet in the 400 yards open. Randall will also try for the first prize in the high jump against Le Matt, the local crack, who will enter from the Spaulding Athletic Club, of this city. Reilly will be the scratch man in the 220-yard dash, in which Preston Edmonston, also of Georgetown, will also run. The half mile race promises to be one of the prettiest of the day. Hemmingsway of Cornell; Gill, of the National Guard; Lorenzo, of Georgetown, and Watson, of the Olympia Athletic Club, will all start in this event. There is little to choose between the men on form, and as there is the fiercest sort of personal rivalry between them the race should prove interesting to the large crowd which is expected to be present.

In the shot put Hoffman, a Georgetown freshman, who is a protégé of Joe Curran, the Georgetown crack missile thrower, will have his initial appearance. Opposed to him will be Curtiss, of the local Y. M. C. A., and several strong men from Baltimore.

Experienced Officials.
Claude R. Zappone, director of athletics at Georgetown and late president of the National Association of Amateur Oarsmen, will referee the tourney, with Bernie Wefers, ex-champion of the world, as clerk of the course. Percy Given, of Georgetown, has been appointed marshal, and with a large number of competent assistants he expects to keep the infield free of spectators and insure an unobstructed view for the crowd.

The tickets for the meet will be good for the high jump and will include grandstand privilege. The first race will be started at 2:30, and the game will be called at 4:15.

ST. LOUIS, Mo., Sept. 3.—The final series of Olympic contests began at the Stadium this afternoon before some 10,000 spectators under a flawless sky.
