LOAN COMPANIES.

When We Say \$1.66 a Month WE MEAN IT.

Other companies will tell you this is impossible; that their rates are about as low as ours; that we would confront you with extras by way of commissions; that you would not receive the full amount; that no company could possibly exist on such low rates. Don't be deceived. Let us convince you by facts and figures. Think of it, less than 3 cents on the dollar interest.
