Facts About the Purchase of the Famous Marquise Suits and Waists From the Holzman Manufacturing Co.

Our representatives are continually on the alert for bargain "Snaps." You know how successful they have been. The big sales we've held from time to time were the result of their having secured the "sample" lines or surplus stocks of manufacturers who found it necessary to make quick deals. Such sales have always been looked upon as the bargain events of the year. The crowning achievement of our bargain hunting is the purchase of the entire sample lines of the famous MARQUISE SUITS from the HOLZMAN MANUFACTURING CO., of Baltimore. This company is recognized as the largest manufacturer of women's wear in the world. Their most famous productions are the Marquise India Linen Suits and Waists for Women, which are recognized as the best made, best fitting, most stylish, and most serviceable garments of the kind to be had. Marquise India Linen Suits and Waists are good sellers at all times, and the opportunity to buy them at reduced prices is indeed rare. These prices are irresistible.
