Exceptional Value and Correct Style
Are Closely Linked in These Draped
Velvet Turbans
\$5.00 Values at **\$3.29**

Draped Velvet Turbans are enjoying a great vogue this season—they are quite the smartest and most becoming hats a woman could wish to wear. The styles offered in tomorrow's sale are particularly good and will be sure to please those who want serviceable and stylish millinery at moderate cost.

These Draped Turbans are made of genuine Lyons velvet and come in black, navy, brown, cerise, purple, and red. They are self-trimmed, and some are cleverly draped to form side bow or back trimming; others have long ends of the same material that forms the body of the hat. The secret of their style and smartness is the clever way in which they are designed. See this line of regular \$5.00 hats tomorrow at \$3.29.
