

GERMAN TROOPS WELL FED, WRITES HOSPITAL ATTACHE

Germany's troops are far from being starved and the war is expected to last another year. This is the word received by a Georgetown University student from his friend, Harry P. Dikes, 24, who went across last summer as a member of the United States army base hospital, No. 10.

Dikes describes captives from the Kaiser's forces as being "large, well-fed, and apparently healthy."

Dikes relates that when his unit reached Blackpool after landing in England, they came upon an amusement place in which among wooden "babies," set up to be knocked down with balls, one was seen to be labeled "Wilson." He and his companions made the proprietor remove the offending manikin.

"The fighters are giving up trenches," he declares. "They do their deadly work now on open ground. The troops simply jump into large shell holes."

LIBERTY BONDS HELP TO SWELL FUND FOR CHURCH

The dial in front of St. Martin's Catholic Church, North Capitol and T streets, registered \$7,500 this morning as the parishioners started on the third lap of their seven-day campaign to raise \$20,000 to pay off the church debt.

In addition to the fifty-six teams which are visiting the homes of the neighborhood, a committee of four today began visiting the merchants of the section for subscriptions. This committee is composed of Thomas F. Shea, Henry R. Murphy, Joseph D. Clark, and George T. Bradley.

It was announced that many parishioners were turning their Liberty bonds over to the church. Yesterday the campaigners started on their second day and several \$50 bonds.

Subscriptions for the second day totaled \$4,000, an increase over the opening day of the campaign, when \$3,500 was subscribed.

Elaborate plans are being laid for the mass meeting in the church Sunday night, when the campaign will be brought to a close.

BOY SCOUTS WILL AD IN SELLING LIBERTY BONDS

The entire personnel of the Boy Scouts of America will engage actively in furthering and promoting the sale of War Savings and United States Thrift Stamps.

The Postoffice Department today announced that the National War Savings Committee of the Treasury Department has concluded an arrangement with the Boy Scouts, who will work under what is known as the "Red Post Card Plan." A series of awards are to be given the Boy Scouts who take the largest total of orders, and instructions today were sent to all postmasters and postal employees to co-operate fully to assist in every way practicable to further the efforts of the scouts in the sale of the stamps.

ESPERANTO COMMENDED FOR U. S. BOYS IN FRANCE

PHILADELPHIA, Feb. 20.—The use of Esperanto as an agent in facilitating communication between English and Americans and their French and Italian allies is advocated by Ernest Archdeacon, vice president of the Paris Esperantist group, in a letter just received by the Philadelphia Esperanto Society. He says:

"Why have the Americans not eagerly grasped the chance to prove their practical spirit by adopting Esperanto as a means of international communication? There is already in France an important nucleus of 200 Esperanto societies and about 50,000 unattached Esperantists who would give material aid to the enterprise."

DON'T BE BALD

How to Make Hair Grow Strong, Thick and Lustrous on Thin Spots.

Few of us get bald in a day and we all have ample warning when our hair is thinning out. Parisian sage is a most efficient hair grower, but to immediately stop any further loss of hair and quickly start a new growth it must be pushed into the scalp so the starved hair roots can really absorb it and get the vital stimulation so badly needed. You will surely be delighted with the first application, for your hair and scalp will look and feel 100 per cent better.

Parisian sage is not expensive. It's a scientific preparation that supplies all hair needs—a clean, non-sticky, antiseptic liquid that is guaranteed to give you perfect satisfaction or money refunded.

Good looking hair is half the battle in any man's or woman's personal appearance. Neglect means dull, thin, lifeless hair and finally baldness, while a little attention now insures thick and lustrous hair for years to come. No matter what your hair troubles try a Parisian sage massage tonight—you will not be disappointed. O'Donnell's Drug Stores will supply you.
