FIGHT ON RAZO TO BE DROPPED

Prohibition Bureau Doesn't Think Case Can Be Made Against Flavoring Co.

The case against the Razo Manufacturing Company, of this city, charged with manufacturing flavoring extracts which were being used for beverage purposes, probably will be dropped at the instance of the prohibition bureau. A wide difference of opinion is reported be-tween the Revenue Bureau and the Prohibition Bureau. The latter, it is said, believes the case should be dropped, while the Revenue Bureau thinks it should be pressed. DOUBTS ABILITY TO MAKE CASE.

One of the high officials of the probelieve that the Government could make a case out against the manufacturers of Razo. He is of the same opinion about hundreds of other manthroughout the country. The test, he said, will be, to prove the manufacturer knew his product was being turer knew his product was being used for beverage purposes.

In evidence seized when the Razo plant was raided, were several barrels of alcohol. The manufacturers of Razo have fought this seizure de claring it was withdrawn on a genu ine permit. They have carried their of the prohibition bureau, where, it is said, their claim has been sustained. TRIED TO RETURN IT.

Several weeks ago the legal department endeavored to give back to the Razo company the barrels of alcohol, of the stuff loaded on a truck from the storage warehouse. While the loading the remainder of it on the revenue agents, and they climbed up into the truck and threw the barrels miss w of alcohol off into the alley. They contended that the legal department of the prohibition bureau did not have the power to give the alcohol back to the Razo company.

It has been charged that one of the proprietors of Razo was seen dining with an official of the prohibition bu-Prohibition Commissioner Kramer says he cannot see that this sity Law School, he came to Washwould alter the opinion of the official ington to practice his profession. He on the case.

PERRYGO

Youthful Sweetheart of Alleged Slayer Will Marry Him If Freed.

"I loved him then, I love him now,

I'll always love him."

Mabel Hill, the seventeen-year-old weetheart of Edgar Randolph Perrygo, eighteen, who went on trial this morning for the killing last February of Mrs. Emitt Faithful, and to obtain money to wed whom the boy is alleged to have committed the crime, told a reporter for The Times this morning that she will stand by the boy.

WANTS TO MARRY HIM.

The girl who has been detained at the National Training School for Girls, following the crime last February, even admitted upon being diectly questioned that she will marry the youthful prisoner should he be freed of the crime.

Mabel Hill has been called as the principal witness for the Government. She says, however, that she will say nothing against her boy

"I don't know anything against him," she said. "I loved him before. le has never done anything to make ne turn against him. Of course I still love him."

Before the trial started this mornng the girl sat in the courtroom, on the front row, with her sister-in-law, Mrs. Viola Hill, and her brother. She ittracted the attention of many in the courtroom by her continued laughter. Later, in the witness room, she miled evasively when asked if she knew anything about the crime, and even laughed.

DEFENSE PLEADS INSANITY. She seemed to be more concerned about a little niece, eight or nine old, who has been brought to estify, than about herself. "It's a shame to bring that child nto a courtroom," she said. "What an she know of such things?" The younger girl is supposed ave found the money which young

Perrygo had taken from the woman e killed, and which he is supposed o have given to his sweetheart. The trial of Perrygo began this He admitted later, however, they say norning, after Justice Gould, presidng in Criminal Court No. 1, had overuled a motion of James A. O'Shea for he defense that the case be continued

The defense will plead insanity. whiskey. Shea asked for a continuation of he case because Dr. John Lind, one of the alienists who will testify in he case, had just recovered from an liness. Judge Gould ruled that Washington.

The show will be open to the public from 9 a, m. to 9 p. m. for the remainder of the week. Seven feet tall and holding its head above all the other "mums" in the greenhouse was the handsome white flower, "Mrs. Woodrow Wilson." This flower was voted the queen of the "mums." The exhibit was viewed by Secretary of Agriculture Meredith and Dr. A. W. Taylor, chief of the Bureau of Plant Industry, who pronounced it the "finest gathering of chrysanthemums ever assembled this country."

There are 101 Japanese varieties and 189 varieties of the single and pompom type. The plants range in size from the garden variety to those with stalks ranging as high as eigh feet. Each plant has a card attached to it, so that visitors may easily

learn its origin and to what branch of the family it belongs. It is expected that more than 20,000 persons will visit the show this week. The exhibition is under the direct management of Dr. Taylor, of the

D. C. BARS 182 MILK DEALERS

Health Officer Fowler Rejects New York Applications. Court Fight Impends.

One hundred and eighty-two ap plications for permits to ship milk into the District from New York State were rejected today by William G. Fowler, District Health

Dr. Fowler refused to issue the permits, he stated, because the ap-plicants had failed to submit their cattle for the tuberculin test. LEGAL FIGHT IMPENDS.

Dr. Fowler's stand is expected to District Health Department and the nen who applied for milk permits. The health officer said today that he would issue no permits to these applicants until their cattle are tested r unless the courts forced him to. The 182 applications, according to or. Fowler, were filed by an attorney for the Merrell Soule Company of New York. The farmers planned to ship their milk through this concern. MAY SEEK COURTS.

is expected that this company o issue an order compelling Dr. Fow-

er to issue the permits.

The law, according to Dr. Fowler provides that the health officer issue permits if he is satisfied with the milk to be shipped into Washington. Dr. Fowler said today he is not satisfied with any milk to be shipped where the cattle have not been subnitted to a tuberculin test. Washington's milk supply now omes from Maryland and Virginia.

OF PAY BOARD

Robert Catherwood, Economic Expert of Commission, Calls Report "Buncombe."

Characterizing the Jones reclassification measure as full of "red tape, rat holes, and buncombe," Robert Catherwood, a former economic expert of the Reclassification Commission, makes a second attack upon the bill through the National Civil Service Reform League.

WILL WRECK SYSTEM. "Certain sections of the bill, if enacted into law, undoubtedly will wreck the present civil service system." he declares.

"When this measure begins to de stroy the substantial and valuable provisions of the civil service law and to deceive and to delude the public and the federal employes into a surrender of real benefits for a salary will of the wisp, it is time to speak

"The language, for instance, about making promotion by transfer is peculiar, but when we observe that few classes in the federal service are from the classified service, we see the reason for promotion by transfer. An exempt position may be filled by political appointment. Then the next step is to require the Civil Service Commission to promote and transfer the political appointee into the classsons who have passed the examina

POINTS OUT FAULTS. "It is not difficult to provide one of

these waiting-room jobs in each class of the service. Indeed, the service is well peppered with them now. When the political appointee is appointed in one of these waiting room jobs he may be transferred into any position in the classified service at the same rate of pay and in the same class as the waiting room job, or he may be promited by transfer. The political appointee in the waiting room, while they are fixing him up for the classified service, must not block the throughout the Carranza administra- gangway, for section 9-4c is a 'step tion as the attorney of the Mexican lively, others are waiting section. containing a 'no harm done if you fall down on the job proviso.'

"Appointment for an hour or so is sufficient to cause rights of reinstatement rights, because they are nothing of the kind, but involve the Irish bull of returning to where one never has been before.

QUOTES INEQUALITIES.

But this game should be quoted changed from a position in one class to a position in another class may at time within six months after Congressman Lehlbach, chairman of the House Committee on Reform in the Civil Service. commission shall thereafter, in case a vacancy exists in a class which has been designed to be one to which an employe holding a position in another cause of an alleged dissension of class may be promoted, certify the opinion which has sprung up over the name of the employe available for

application. "We have promotion for inefficiency in Mr. Lehlbach's office within the promotion by transfer, reinstatement in the sense of coming back to where one has never been before, a host of idotic provisions which border upon buffoonery, but each of which is a godsend to the political appointed who would steal from the classified employe and the eligibles on the civil service registers the appointment which they have honestly won in open, competitive examinations.
