

JULY A MONTH OF SALES

EVERY woman, no matter where she is, knows July to be THE month of midsummer sales. And so it suffices to say that the store abounds in economies that feature price and value as never before.

All things summery---airy frocks, swagger suits, novel sports skirts, sheer blouses, dainty undies, colorful hats---all are price reduced. Every day is a sales day during July---so come in any day---but be sure to come and share in this feast of bargains.
