A signal service to weak womankind is the finding of lost health—the building-up of "a run-down" system. Nothing does it so surely as Dr. Pierce's Favorite Prescription. It's the most perfect of strength-givers, imparting tone and vigor to the imparting tone and vigor to the clusive production run from five to the command of the army of the valley his old brigade was not at first sage on any regular train until Septons. whole system. For overworked, deerally, it is the greatest earthly boon, being unequaled as an appetizing cordial and restorative tonic. "Favorite Prescription" gives satisfaction in every case, or money paid for it is promptly refunded. That's the way it's sold; that's the way its makers prove their faith in it. Contains no alcohol to inebriate; no syrup or sugar to derange digestion; a legitimate medi-cine, not a beverage. Purely vegetable and perfectly harmless in any condition of the system.
