PASSING YEARS. Look in your mirror today. Take a last look at your gray hair. It may be the last if you want it so; you needn't keep your gray hair a week longer than you wish. There's no guesswork about this; it's sure every time.

AYER'S HAIR VIGOR. After using it for two or three weeks notice how much younger you appear, ten years younger at least. Ayer's Hair Vigor also cures dandruff, prevents falling of the hair, makes hair grow, and is a splendid hair dressing. It cannot help but do these things. For it's a hair-food. When the hair is well fed, it cannot help but grow. It makes the scalp healthy and thus cures the disease that causes dandruff.

AYER'S HAIR VIGOR. Write the Doctor. If you do not obtain all the benefits you desire from the use of the Vigor, write the doctor at Lowell, Mass.
