Although the Freedmen's Bureau as originally established was only intended according to its provisions to extend to the States in the North, yet we cannot shut our eyes to the fact to what extension the bureau is bound to become. New York, Jan. 23.—The A. T. Stewart libel case came up at the tombs police courty yesterday afternoon. Several prominent citizens were examined, when the testimony went to show that from reading the article in the Police Gazette they were led to believe that Mr. Stewart was the person referred to. The case was rested without argument, when Judge Dowling stated that if he wished to hear any argument in the matter he would give 24 hours notice to the respective counsel.

The following announcement is made by Mr. Henry D. Phelps, agent of the Columbian Marine Insurance company to the Board of Directors of said company. In consequence of the severe and unprecedented loses the past year, and particularly during a recent period, they have decided to close up the affairs of the company, and they find themselves possessed of large assets, sufficient to meet all liabilities and leave a handsome surplus.
