AUGUST'S INTERESTING REPORTS

And some Deductions from them. What it Costs to Feed Prisoners in the Workhouse and in the Lock-up. The Amount of Work done by Prisoners last Month—Receipts in July.

In August the police made 118 arrests, according to the report made by Chief McNichol to the council committee last night, and the fines and costs collected only reached \$363 75.

The falling off in the receipts was due to the greater number of prisoners who could not pay their fines and so went to the hill. This, again, resulted in increasing the expenses of the workhouse.

The funeral of the late Patrick Kenney, marketmaster in the Second ward, will take place this forenoon, requiem mass being celebrated at St. Joseph's Cathedral at 10:30 a. m.
