FIFTEEN MILES

An Hour Favored by Council Committees as the Speed Of

RAILROAD TRAINS IN LIMITS

Of the City when Proper Safeguards Are Established—Chamber of Commerce Advocated Twenty Miles an Hour, but Councilmen Opposed Anything More than Fifteen—The Ordinance to Go to the Ordinance Committee.

Yesterday afternoon at 4:30 o'clock, in the chamber of the first branch of council, city building, the city council committees on railroads and ordinances, held a well attended meeting, for the purpose of considering the proposition advocated by the chamber of commerce, looking to concessions being granted to the several railroads entering the city, in the matter of the rate of speed to be allowed within the city limits. The chamber advocated an increase from ten to twenty miles an hour, where proper safeguards in the way of safety gates are provided, but the councilmen could not see their way clear to recommend the adoption of an ordinance fixing the rate at more than fifteen miles. Two members of the committee were not that liberal, one desiring the rate to be twelve miles and another ten miles, the rate of speed now allowed.

Members, Richards and Campbell, of the railroads committee; Butts, Weidensch, Waterhouse and Robinson, of the committee on ordinances, and Messrs. Thomas O'Brien, Randolph Stalnaker and R. W. Peterson, of the special chamber of commerce committee, were present. Mr. H. C. Richards presided and Mr. A. R. Campbell was made secretary in the absence of Clerk Henning, of the railroads committee. Mr. Campbell read extracts from the proceedings of a recent meeting of the chamber of commerce, asking for the passage of an ordinance increasing the rate of speed of railroad trains within the city limits, where proper safeguards in the way of safety gates, are provided. Mr. Campbell also read the ordinance prepared by the chamber of commerce.

Mr. Butts asserted that the railroad trains now run at a speed greater than that allowed by the ordinance now in force, ten miles per hour.

Mr. Peterson claimed that the increased speed will not endanger person or property. He also asserted that there is less danger from a passing train that is going at a high rate of speed than from a train that is running at ten or twelve miles an hour. People will take no chances in crossing ahead of a swiftly moving train.

Mr. Robinson arose to amend the ordinance making speed twelve miles an hour. Mr. Campbell wanted to amend making the speed fifteen miles. Mr. Butts favored no change; allow the speed to remain at ten miles an hour.

Mr. Campbell called attention to the fact that probably the Baltimore & Ohio will give better train service to Wheeling if it is allowed to run its trains up from Benwood junction and back.

Col. O'Brien said the chamber of commerce had held a well attended meeting and had come to the conclusion that the change to twenty miles an hour would be a good thing for the people of Wheeling. He advocated a change to at least fifteen miles per hour.

Mr. Robinson feared fifteen miles would be too speedy. He favored twelve miles.

Mr. Butts said the railroads should be satisfied with the ten mile rate, and feel grateful that the four mile ordinance is no longer in force.

Mr. Waterhouse desired that the ordinance shall specify where safety gates shall be placed. Mr. Robinson moved that the ordinance be referred back to the ordinance committee with instructions to insert the location of as many gates as are considered necessary. A motion to recommend to council that the ordinance be referred to the ordinance committee with instructions to locate gates and establish the rate of speed at fifteen miles per hour prevailed.

Mr. Butts continued his opposition to the granting of any concessions in addition to what is given by the ordinance now in effect.

IN CLERK HOOK'S OFFICE

Deeds Recorded, Marriage Licenses Issued and Other Transactions.

In Clerk Hook's office yesterday business pulled up considerably, in fact it was the biggest day in that office for weeks.

A deed was admitted to record whereby Alonzo Loring transfers a piece of land lying along Middle Wheeling creek to the Wheeling Suburban Railway Company in consideration of \$1,500.

J. S. Woods and wife transfer to C. S. Terrell Elm Grove property known as the "mill property" in consideration of \$7,000.

Conrad Yahn and Adam Yahn and wife transfer to Thomas R. Bellville lots number 35 and 36 in Belvedere addition; consideration \$1,000.

A power of attorney was granted to Simon P. Parker by Miss E. Virginia Parker.

Death of Charles E. Graves.

The sad intelligence reached this city yesterday morning that Mr. Charles E. Graves had died at Hot Springs, Ark., where he had gone but a short time ago for the benefit of his health. Mr. Graves was a young business man, and carried on the stationery and wall paper business so long conducted by his father, who died some time ago. Mr. Graves lost his wife, to whom he had been married but a short time, several months ago, and since then his health has been failing. His remains will be brought to this city for burial.

Attention, Knights of Pythias.

Following the usual custom, you will want lots of address cards if you attend the encampment at Cleveland, August 24-26, so that you can exchange with brothers from other cities. DAHNA TEMPLE

Of Knights of Khorassan to be Instituted Here Next Wednesday—Many Distinguished Guests.

Next Wednesday will be a gala day among the Knights of Pythias of this section of the state and a number of the members of Ohio and Pennsylvania will lend their presence to the occasion. It is the day set for the institution of Danna Temple No. 61, Dramatic Order, Knights of Khorassan, which is the new able degree to Pythianism, and one that every knight in ready and anxious to become a member of.

Danna Temple will be the only one instituted in this section of the state and to become a Khorassan it is necessary for the "tyro" to come to Wheeling to take the degree, hence a large number of knights from throughout the district will be here next Wednesday to be instructed in the work of the new Arabian degree.

The D. O. K. K. is to Pythianism what the Shrine is to Masonry and those who are on the inside contemplate a great deal of pleasure in seeing the many "tyros" cross the burning sands of Danna's great and sandy desert. There are over 140 charter members of the new temple and the work of institution will be very interesting, so interesting, in fact, that "votaries" from Pittsburgh, Cleveland, Cincinnati, Detroit and Fairmont will be here to participate in the exercises. Sublime Venerable Prince, Hon. Howard Douglass, of Cincinnati, will be one of the distinguished guests of the temple, and Imperial Prince, Hon. John A. Hinsey, of Chicago, will be another.

The fun will begin at 8:30 Wednesday afternoon, when all the charter members and visitors will assemble at the Pythian Castle, corner of Twenty-seventh and Chapline streets, and form for the parade. Every member will be clad in the robe of the order and the turn out will be a novel one. Meister's full band will head the parade, which will start promptly at 4 o'clock and move over the following route: Up Chapline to Twenty-fourth, down Twenty-fourth to Main, up Main to Tenth, on Tenth to Market, down Market to Twentieth, on Twentieth to Chapline and down Chapline to the Pythian Castle and disband.

They will reassemble at 7 o'clock sharp, when the institution exercises will begin. They will probably take up the time until midnight, after which a banquet will be given in the auditorium of the building, preparations for which have been going on for some time. Meister's band will be at the Castle building all evening and will furnish music for the occasion. Of course it cannot be definitely stated at what time the banquet will end, but it will probably be in the "wee sma' hours."

VERY INTERESTING

Institute is that of the Marshall County Teachers at Moundsville.

The enrollment at the Marshall county teachers' institute yesterday was increased to 225. Greater interest is shown in the work this year and the attendance is larger than in former years. Although the weather is very uncomfortable, the work of the institute is entered into with much enthusiasm and close attention. The instructors this year are giving perfect satisfaction and are proving themselves men of ability in their lines of instruction.

Yesterday the singing was very inspiring. The hymn selections were beautiful and all were heartily sung. Mr. Hubert Bonara is making a record at this institute and Miss Dora Davis is filling her usual place as organist in excellent style.

The principal subjects discussed yesterday were as follows: "Theory and Practice in Arithmetic," by Prof. Schaeffer; "Pitfalls in Grammar Sentences," by D. T. Williams; "Model Lessons in United States History," by Prof. Douthat; "Universal Education Before the Dark Ages," by Prof. Schaeffer; "Spelling," by E. Henar, and "Civil Government," by Dr. Douthat.

A committee on resolutions was announced as follows: D. T. Williams, James Rine, C. E. Carrigan, Maude Jefferson, Stella Meade and Lina Barrett.

Last evening a musical and literary programme was given, much to the enjoyment of the large crowd present. This is one of the yearly treats given the teachers. Prof. W. S. Allen, of Waynesburg (Pa.) College, rendered some very fine recitations.

To-night Professor N. P. Schaeffer, of Pennsylvania, will deliver the last lecture to be given during the institute and it will be, no doubt, very interesting and largely attended, as he has become a favorite instructor at this institute.

THE ablest preachers of the West Virginia and Eastern Ohio Conferences will be present at the Moundsville Camp Meeting, August 13 to 23.

"League of American Wheelmen" at Louisville, Ky., August 10 to 15, 1896.

August 9th and 10th, the Baltimore & Ohio Company will sell excursion tickets from Wheeling to Louisville at \$9.50 for the round trip, good returning until August 18th.

MANY a day's work is lost by sick headache, caused by indigestion and stomach troubles. DeWitt's Little Early Risers are the most effectual pill for overcoming such difficulties. Charles R. Goetze, corner Twelfth and Market streets; Bowie & Co., Bridgeport; Peabody & Son, Benwood.
