BROOKLYN, N. Y., Sept. 30.—Although Boston has one more game to play with Brooklyn, and Baltimore will play two more with Washington at the Monumental City, the race for the league pennant of 1897 practically came to an end with the conclusion of to-day's game at Eastern Park.

Father Time has to halt when he meets a woman who knows how to take care of her health. Time can't make her seem old.

She may be the mother of a family; that makes no difference. She is bound to be young because her heart is young and there is rich young blood circulating in her veins.

But when a woman's blood is full of bilious impurities, she can neither look young nor feel young. Her whole constitution is poisoned with bad blood. It permeates every part. It paralyzes the nerve centers; weakens the stomach; irritates the heart; preys upon the lungs and bronchial tubes.

It reduces a woman to a state of weakness, nervousness, irritability, dejection and melancholy. Such a woman can't possibly be youthful, no matter what her age may be. She needs the youthfulness of highly vitalized blood. Dr. Pierce's Golden Medical Discovery will give it to her. It will help any woman to get back her youth and freshness again.

It gives the digestive and blood-making organs and the liver power to produce good, pure, healthy blood. It cures croup, coughs, and weakles. It gives drives away impurities and builds new, healthy, vital, rounds out emaciated forms, and creates firm, natural, healthy flesh.

Mrs. Rebecca F. Gardner, of Cranston, York Co., Va., writes: "When I was married I weighed 125 pounds. I was taken sick and reduced in health and broke up my contract with my husband. I was excruciatingly ill. He treated me as if I were a piece of property. I was reduced to a state of emaciation. I began using Dr. Pierce's Golden Medical Discovery and in a few days I began to improve. Now I weigh 120 pounds and have only taken two bottles. I cannot say too much about the medicine. My husband says I look younger than I did the first time he saw me, 15 years ago."

Do You Use It?

It's the best thing for the hair under all circumstances. Just as no man by taking thought can add an inch to his stature, so no preparation can make hair. The utmost that can be done is to promote conditions favorable to growth.

This is done by Ayer's Hair Vigor. It removes dandruff, cleanses the scalp, nourishes the soil in which the hair grows, and, just as a desert will blossom under rain, so bald heads grow hair, when the roots are nourished. But the roots must be there. If you wish your hair to retain its normal color, or if you wish to restore the lost tint of gray or faded hair use Ayer's Hair Vigor.
