NEW BOXING CLUB.

The Ariel A. C. with Leslie Pearce as Manager, Organized Limited Round Bouts in the Fall of 1901 at the Pythian Castle. The Ariel Athletic Club is the title of an organization affected yesterday, the promoters including a number of business men, chief of whom is Philip Mauer, the well known boxing patron. The new club is launched under splendid auspices, and the prediction is that it will be a success.

What does A stand for? When some friend suggests that your blood needs a sarsaparilla treatment, remember that A stands for AYER'S. The first letter in the alphabet stands for the first of sarsaparillas; first in origin, first in record, first in the favor of the family. For nearly half a century

Ayer's Sarsaparilla

has been curing all forms of blood diseases—scrofula, eczema, tetter, rheumatism, erysipelas, blood poisoning, etc. There's a book about these cures—"Ayer's Curebook, a story of cures told by the cured"—which is sent free on request, by Dr. J. C. Ayer, Lowell, Mass. The book will interest you if you are sick or weak, because it tells not what it is claimed the remedy will do, but what your neighbors and fellows testify that it has done. Will it cure you? It has cured thousands like you. Why not you?

meet for twenty rounds. Marshall was in Eddie Gardner's corner here when Jack McClelland defeated Eddie. He is a cousin of Charles Mitchell, and a good featherweight, but not good enough for Oscar. The latter will return to Wheeling the Monday following.

FOOTBALL TEAM

To be Organized Saturday Evening—To Fly W. A. C. Colors. The promoters of a Wheeling football team have called a meeting for Saturday evening, and they extend a cordial invitation to all lovers of the game to attend this meeting. Jason C. Stamp, the sporting goods man, has kindly donated the use of his store rooms for the meeting, which will be called for order at 8 o'clock.

The team will likely play as the Wheeling Athletic Club, since it scored success under those colors last season, and there are no good reasons for a change. As might be expected the Edwards boys are to the fore when it comes to football, and they may be relied on whenever the game needs encouragement. And when the history of football in Wheeling comes to be written, the name of Edwards will, like that of Ben Adhem's, "led all the rest." This season will see many candidates from the Ohio side of the river, and the growing popularity of the game in Wheeling should result in candidates from this city also.

Among the "old guard" will be found "Bob," John and Roy Edwards, Clynk, Barrett, Thompson, and a host of others. The Handlan boys may be induced to don the molokins again, and there are lots of hardy young fellows who will be given a chance to make the team. All that is asked is encouragement, and Wheeling will be represented and advertised as well, by a team worthy the name.

INTENSE SUFFERING

From Dyspepsia and Stomach Trouble. Instantly Relieved and Permanently Cured by Stuart's Dyspepsia Tablets—A New Discovery, But not a Patent Medicine.

Dr. Redwell relates an interesting account of what he considers a remarkable cure of acute stomach trouble and chronic dyspepsia by the use of the new discovery, Stuart's Dyspepsia Tablets.

He says: The patient was a man who had suffered to my knowledge for years with dyspepsia. Everything he ate seemed to sour and create acid and gases in the stomach; he had pains like rheumatism in the back, shoulder blades and limbs, fullness and distress after eating, poor appetite and indigestion, the heart became affected, causing palpitation and sleeplessness at night.

I gave him powerful nerve tonics and blood remedies, but to no purpose. As an experiment I finally bought a fifty cent package of Stuart's Dyspepsia Tablets at a drug store and gave them to him. Almost immediate relief was given and after he had used four boxes he was to all appearances fully cured.

There was no more acidity or sour water risings, no bloating after meals, the appetite was vigorous and he has gained weight and 12 pounds in weight of solid, healthy flesh.

Although Stuart's Dyspepsia Tablets are advertised and sold in drug stores yet I consider them a most valuable addition to any physician's line of remedies, as they are perfectly harmless and can be given to children or invalids or in any condition of the stomach with perfect safety, being harmless and containing nothing but vegetable and fruit essences, pure and of Golden Seal.

Without any question they are the most effective cure for indigestion, biliousness, constipation and all derangements of the stomach however slight or severe.

Stuart's Dyspepsia Tablets are made by the Stuart Co., of Marshall, Mich., and sold by druggists everywhere at fifty cents per package.

BENWOOD.

Twenty News Items Gathered in the Busy Marshall County Town. G. W. Montgomery, who will operate a yacht ferry between here and Bellaire, was in Moundsville yesterday, seeking to get a permit. He was unable to secure the permit, as the county court doesn't meet for several weeks yet. Mr. Montgomery's application for a license is endorsed by a large host of Benwood citizens, as well as those of Bellaire.

The opposition to his yacht ferry comes from parties interested in the proposed river bridge, it being said that the bridge would be built if the ferries are permitted to have landings at Benwood. The yacht ferry, however, appeals to the working classes, fifteen rides for twenty-five cents being offered, so there is little doubt but Mr. Montgomery will get his license.

Council met last night and deferred the election of a street commissioner until its next meeting. There were nine candidates in the field, and the election was postponed in order to settle the long-standing differences with the Benwood Southern Railway Company. This matter was finally settled. The terms of settlement provide that the company is to give the town of Benwood a check for \$3,000. This offer was satisfactory, and the differences of the past are now happily over.

To-morrow evening at the state fair grounds, there will be a hot race between two young wheelmen, both employed in Main street business houses. For a year back they have argued as to their speed on the wheel, and a small side bet will be a further incentive. Parental censure precludes giving the boys' names.

There is only one case of typhoid fever at Hamilton hill, an evening paper to the contrary notwithstanding, and the patient contracted the disease at another section, and not in the vicinity reported.

John W. Leach is in Huntington, representing the Benwood council, Jr. O. U. A. M., at the state council.

Druggist O. O. Gates is at Powhatan, James Handian, of Wheeling, is in his place for a few days.

Miss Ella Tell, of Alabama, is visiting at the home of John Roy.

Charles Sutton is visiting in Sistersville.
