THE LATEST RETURNS SHOW THAT Snook & Co.'s

Store is not only ABREAST, but AHEAD of the times. It is a store which caters to your EVERY want—a store in which it is possible to secure the very best merchandise at the prices usually charged for inferior. In the matter of Silks and Dress Goods it acknowledges no superior—the showing is large—varied—select.

Black Crepons.

Who can properly describe their manifold attributes of which beauty is not one of the least. There's a richness—an aristocratic exclusiveness clinging to these overspun fabrics, which is totally lacking in others. They are a class unto themselves—distinct—bewitching, and what's of more import, durable to an extent not warranted by their peculiar weaving. Their hold on the public is fixed, come to us for the choicest specimens. Any price between 48c and \$4.00 per yd.

Covert Cloths

Of Colored Dress Fabrics, none are more generally employed for tailor-made suits than Covert Cloths. It's a well-earned popularity, won by sheer force of merit, as the assemblage of competitive fabrics is not a limited one. Prices of the lines most in demand are 59c, 79c, 98c and \$1.25 per yard. In these four lines at least fifteen distinct color tones to appeal to your sense of the beautiful.

CHENEY BROS. FANCY SILKS.

Are as distinct in the silk line as Crepons and Coverts in the wool line. Such bold, clear-cut examples of black, new blue, Dark Garnet, Brown and Olive Taffetas lined up with clear white broken and unbroken satin stripes, were never before shown. Prices 98c to \$1.50. As we pen these lines, more of those black reversible satin Luxors are being added to the silk stock. These frequent arrivals prove their popularity. The best selling numbers are between 98c and \$1.50.

For Silk Petticoats and Dress Linings we suggest the new Moire Francaise Dress Lining, which is 24 inches wide and 50c a yard. Comes in black and all the bright colors. We have reversible Golf and other cloakings.

TRIMMINGS.

Satin foldings in solid colors, also with the addition of narrow streaks of bright contrasting colors—very popular for Dress Trimmings; so are narrow ruffled and plaited Satins, Braids, Ribbons; and Tucked and Puffed Satins.

Ready-Made Department.

Always crowded, but our trained force is accustomed to this condition and you will receive prompt service—we fit.

DAVIS RESIGNS

Thus Ending the Investigation that has Been on

IN MARSHALL CIRCUIT COURT

SINCE OCTOBER 31—JUDGE MELVIN'S MOTION TO DISMISS THE CASE WAS ACCEPTED BY JUDGE PAULL—MR. DAVIS' DEFEAT AT THE POLLS ON TUESDAY BROUGHT ABOUT HIS RESIGNATION—GEORGE GRAY SUCCEEDS AS PRESIDENT OF THE COUNTY COURT.

S. R. Davis resigned as commissioner of the county of Marshall yesterday and his resignation was accepted by the other two commissioners in session. This ends the trial which has been in progress in the Marshall county circuit court since October 31st, for his removal from office.

When the circuit court convened yesterday afternoon, Judge Thayer Melvin, of counsel for Davis, presented the resignation to the court in a very neat talk, showing the reasons Davis had for resigning, and asking the court, in as much as the charges on which he was being tried only asked for his removal, that the case be concluded and dismissed. As Mr. Davis had only until the third Tuesday in January to serve, he did not think it just to the county or himself that he should permit the trial to go on.

The court dismissed the case, and the question of who will pay the charges will be argued and settled at a later date.

The county court also proceeded to elect a member to serve the unexpired portion of the term for which Mr. Davis was elected. George W. Berry, of Rosby's Rock, was chosen; and after he had taken the oath of office, the court proceeded to organize by electing G. F. Gray president.

Thus ends a case which, perhaps, has caused more widespread interest throughout Marshall county than any other civil case for many years.
