AYER'S CATHARTIC PILLS

A RE YOU SICK, FEEBLE AND COMPLAININGS Are you out of order, with your system deranged, and your feelings uncomfortable? These symptoms are often the product to serious illness. Some of selections are often to produce to serious illness. Are you out of order, with your system exhibited, and your feelings uncombritable? These symptoms are often the product to serious illness. Some fit of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills, and cleanse out the disordered humors—purify the blood, and let the fluids move on unobstructed in health again. They atimulate the functions of the body into vicorous activity, purify the system from the obstructions which make disease. A cold settles somewhere in the body, and obstructs its natural functions. These, if not relieved, react upon themselves and the surrounding organs; producing general aggravation, suffering, and disease. While in this condition, oppressed by the derangements, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common compilant, is also true in many of the deep-seated and dangerous distempers. The same purguitve effect expels them. Caused by similar obstructions and derangements of the matural functions of the body, they are rupidly, and many of them surely, cured by the same means. None who know the virtues of these Pills, will neglect to employ them when suffering from the disorders they cure.

Statements from leading physicians in some of the persons.

From a Forwarding Merchant of St. Louis,
Fth. 4, 1856.

DR. Aven: Your Pills are the paragon of all that is
great in medicine. They have cured iny little daughter of ulcerous sorse upon her hands and feet that
had proved incurable for years. Her mother has
been long grievously afflicted with blotches and pimples on her skin and in her hair. After our child
was curred, she also tried your Pills, and they have
cured her.

Billious Disorders-Liver Complaints.

From Dr. Thredore Bell, of New York City.
Not only are your Pills admirably adapted to their purpose as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved more effectual for the cure of billious complaints than any one remedy I can menion. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people.
