Passed at the First Session of the Thirty Seventh Congress. AN ACT to refund and remit the duties on arms im-

AN ACT to refund and remit the duties on arms imported by States.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress Assembled, That the Secretary of the Treasury be and he is hereby authorized and directed to refund and remit the duties and imports on all arms imported into the United States since the first day of May last, or which may be imported before the first day of January next; by or for the account of any State; Provided, the Secretary of the Treasury shall be satisfied that the said arms are intended, in good faith, for the use of the troops of any State which is or may be engaged in alding to suppress the Insurrection now existing against the United States. Approved, July 10, 1861.

[Puntic.—No. 2.]

AN ACT to provide for the payment of the militia and volunteers called into the service of the United States, from the time they were called into acrylic to the thirtieth day of June, eighteen hundred.

dred and sixty-one.

Be it enacted by the Senate and Heuse of Representatives of the United States of America in Congress assembled. That there be and hereby is appropriated, out of any money in the Treasury not officewise appropriated, the sum of five millions seven hundred and sixty thousand dollars, or so much thereof as may be necessary, to enable the Government to pay the militia and volunteers called into service of the United States, being an additional amount required for the fiscal year ending June thirtieth, eighteen hundred and sixty-one.

Approved, July 13,7861.

MOITORIN (Pumps - No. 3.1 2'D)

AN ACT further to provide for the collection of duties on imports and for other purposes.

Be it enacted by the Sensite and House of Representatives of the United States of America in Congress assembled, That whenever it shall, in the judgment of the President, by reason of unlawful combinations of persons in opposition to the laws of the United States, become impracticable to execute the revenue laws and collect the duties on imports by the ordinary means, in the ordinary way, at any port of entry in any collection district, he is authorized to cause such duties to be collected at any port of delivery in said district until such obstruction port of entry in said district until such obstru-of delivery in said district until such obstru-of delivery in said district until such obstru-and in such case the surveyors a shall cease; and in such case the surveyors at said ports of delivery shall be clothed with all the powports of delivery shall be clothed with all the powers and be subject to all the obligations of collectors at ports of entry; and the Secretary of the Treasury, with the approbation of the President, shall appoint such number of weighers, gaugers, measurers, in spectors, appraisers, and clerks as may be necessary, in the judgment, for the faithful execution of the sevenue laws at said ports of delivery, and shall it and establish the limits within which such ports of delivery are constituted ports of entry as aforesain; and all the provisions of law regulating the issue of marine papers, the coasting trades, the warehousing of imports, and collection of duties shall apply to the ports of entry so constituted in the same manner as they do to ports of entry established by the laws and the ports of entry established by the laws and the coasting trades.

of imports, and collection of duties shall apply to the ports of entry so constituted in the same manner see they do to puris of entry established by the laws allow in force.

Sec. 2 And be it further enacted, That if, from the cause mentioned in the foregoing section; in the judgment of the President, the revenue from duties on imports cannot be effectually collected at any port of entry in any collection district, in the ordinary may and by the primary means, or by the course provided in the foregoing section, then, and in that case, he may direct that the custom-house by the signification of the course provided in the foregoing section, then, and in that case, he may direct that the custom-house within said district; either on land or on board any ressel in said district or at sea near the coast; and in such case the collector shall reside at such place, or on shipboard, as the case may be, and there detain all vessels and cargoes arriving within or approaching said district, until the duties imposed by law on said vessels and their cargoes are paid in cash: Provided, that if the owner or consignee of the cargo on board any vessel detained as aforesaid, or the master of said vessel, shall desire to enter a port of entry in any other district in the United States where no such obstructions to the execution of the laws exist the master of such vessel may be permitted so to change the destination of the vessel and cargo in his manifest; whereupon the collector shall deliver him a written permit to proceed to the port so designated: And provided further, that the Secretary of the Treasury shall, with the approbation of the President, make proper regulations for the enforcement on shipboard of such vessel or cargo detained as aforesaid from the custody of the proper officers of the customs, it shall and may be lawful for the President, or such person or persons as he shall have enoughed or cargo detained as aforesaid from the custody of the proper officers of the customs, it shall and may be lawful for the Presid

mg the officers of the customs in retaining the custody thereof.

Sec. 4. And be it further enacted, That if, in the judgment of the President, from the cause mentioned in the first section of this act, the duties upon imports in any collection district cannot be effectually collected by the ordinary means and in the ordinary way, or in the mode and manner provided in the foregoing sections of this act, then and in that case the President's hereby empowered to close the port or ports of entry in said district, and in such case give notice, thereof by proclamation; and thereupon all right of importation, warehousing, and other privileges includent to ports of entry shall cease and be discontinued at such port so closed, until opened by order of the President on the cessation of such obstructions; and if, while said ports are so closed, any ship or vessel from beyond the United States, or having on board any articles subject to duties, shall enter or attempt to sater any such port, the same, together with its tackle, apparel, furniture, and cargo, shall be forfeited to the United States.

Sec. 5. And be it further enacted, That whenever

the United States, . 5. And be it further enacted, That whenever resident. In pure the President, in pursuance of the provisions of the accond section of the act entitled "An act to provide for calling forth the malitia to execute the laws of the Union, suppress insurrections, and repel invasions, and to repeal the act now in force for that purpose," approved February 28, 1795, shall have called forth the militia to suppress combinations against the laws of the United States, and to cause the laws to be duly executed, and the insurgents shall have failed to dispurse by the time directed by the President, and when said insurgents claim to act under the authority of any State or States, and such claim is not disclaimed or repudiated by the parsons exercising the functions of government in such State or States, or in the part or part shereof in which said combinations exists, nor such insurrection suppressed by said State or States, then and in such case it may and shall be lawful for the President, by proclamation, to declare that the inhabitants of such State, or any section or part thereof, where such insurrection exists, are in a state of insurrection against the United States; and thereupon all commercial intercourse by and between the same and the clitzens of the rest of the United States shall cease and be unlawful so long as such condition of hostility shall continue; and all goods and clattles, wares and merchandles, coming from said State or section into other parts of the United States, and all proceeding to such State or section, by land or water, aballs theorems, or conveying persons to or from such State or section, be forfeited to the United Union, suppress insurrections, and repel invaing the same, or conveying persons to or from such State or section, he forfeited to the United States: Provided, however, That the President may such State or section, be forfeited to the United States: Providels, however, That the President may, in his discretion license and permit commercial intercourse with any such part of said State or section, the inhabitants of which are so declared in a state of insurrection, in such articles, and for such time, and by such persons, as he, in his discretion, may think most conductive to the public interest; and such intercourse, so far as by him licensed, shall be conducted and carried on only in pursuance of rules and regulations prescribed by the Secretary of the Tressury. And the Secretary of the Tressury may appoint such officers at places where officers of the customs are not now authorized by law as may be needed to carry into effect such licenses, rules, and regulations; and officers of the customs are not officers of the customs are not some and other officers shall receive for services under this section, and under said rules and regulations, such fees and compensation as are now allowed for similar services under other provisions of law.

Sec. 3. And he it further enacted. That from and after fifteen days after the issuing of the said proclamation, as provided in the last foregoing section of this act, any ship or vessel belonging in whole or in part to any, chizen or inhabitant are so declared in a state of insurrection, found at sea, or in any port of the rest of the United States, shall be forfeited to the United States.

Sec. 7. And he it further enacted, That in the execution of the provisions of this act, and of the other laws of the United States, shall be forfeited to the law of the United States, shall be forfeited to the law of the United States, shall be forfeited to the law of the United States, shall be forfeited to the law of the United States, shall be forfeited to the law of the United States, shall be forfeited to the law of the United States, shall be forfeited to the law of the United States, shall be forfeited to the law of the United States, shall be forfeited to the law of the Uni

United States.

Sec. 7. And be it further enacted. That in the execution of the provisions of this act, and of the other laws of the United States providing for the collection of daties on imports and tonnage, it may and shall be lawful for the President, in addition to the revenue cuttors in service, to employ in sid thereof such other suitable vessels as may, in his judgmant, be required.

Sec. 8. And he if further enacted. The interest of the suitable vessels as may, in his judgmant, be required.

Sec. 8. And be it further enacted. That the for-feltures and penalties incurred by virtue of this act

feltures and penalties incurred by virtue of this act
may be mitigated or remitted, in pursuance of the
authority vested in the Secretary of the Treasury by
the act entitled "An act providing for mitigating or
remitting the forfeitures penalties, and disabilities
accraing in certain cases therein mentioned," approved March third, seventeen hundred and ninetyseven, or in cases where special circumstances may
seem to require it, according to regulifican to be
prescribed by the Secretary of the Treasury.

Sec. 9. And be it further enacted, That proceeding on selsures for forfeitures under this act may be
possed in the courts of the United States in any
district into which the property so selsue may be
taken and proceedings instituted; and such courts
shall have and entertain as full jurisdiction over the
same as if the seizure was made in that district,

DISPATCH PATENT.

The Inventor's Claims as acknowledged and prot by the Governments of Canada, the United States, and Great Britai; all whom it may content.

WHAT I CLAIM AS MY INVENTION IS, THE contributes of keeping accounts. contrivance of keeping accounts current, or tever kind, description or variety, in printed, by keeping the statements of the several acwhatever kind, description or variety, in printed orm, by keeping the statements of the sovical accounts standingin printers' type, or their equivalents, the type being so arranged in form as to admit or being readily and quickly readjusted in any particular part, where an account may have undergone a change, by the lapse of time or the current of business transactions; so that, when readjusted in all such parts up to any given date, an impression then taken from the type shall exhibit, in printed form, the true state of all the accounts so kept, accurately representing all the balances or conclusions, in accordance with the end or ends contemplated in keeping the record, rendering it, in commercial business, a balance sheet of the most compact and perfect character, the details of management being substantially as recited in specification, wherein it is shown, that the fact or facts to be recorded, may be represented. a balance sheet of the most compact and perfeccharacter, the details of management being substantially as recited in specification, wherein it is shown,
that the fact or facts to be recorded, may be represented by figures, symbols, dates, or numbers, used
either separately or in combination, or by whatever
else will indicate the fact or facts as desired; and
furthermore, based on this primary invention. Lake
claim the device or contrivance of readering or
transmitting accounts in partial or full statements,
when the statement or statements so sent are thus,
or substantially thus, kept in type, by the contrivances of my invention, be the medium of transmission what it may; but the particular mode of rendering accounts by the use of the Dispatch Machine
constituted of Apron Movement, Reel, and Cutter
stamp, I claim in the broadest and fullest sense; and
also the machine itself, embracing all its forms and
modes, of operating, as indicated in describing it,
either as a simple hand instrument, or as propelled
by machinery. And in connection with these speciin claims, and based upon them. I also claim sil
other inexus and appliances substantially the same
as those herein claimed or intended to be claimed.
With these claims fully acknowledged and protected
as above, this invention has already spread itself above, this invention has already spread in Canada, eighteen States of the American Un over Canada. oighteen States of the American Union, and into Great Britain, and is now used in more than three linn-dred Newspaper Offices. Its immense value to banking and similar institutions will be shown in a circular which will make its appearance soon. Meanwhile applications for information, "Deeds of Right," or "Dispatch Machines," will receive due attention, when addressed either to Rev. Robert, Dick, Sufficient C. W., or

to his Agent and Attorney, John J. Hnines, London, ENGLAND. John J. Haines, London, ENGLAND.

"To "LEX," who in the Montral Gazette of 1st
February, 1860, pronounces the "idea" of keeping
accounts current "in type," a "gross absurdity,"
thanks are hereby tenderod, and the assurance given,
that this gross absurdity is all that Mr. Dick has
patented in the domain of keeping accounts. His
claims hinder no operation therein into which this
gross absurdity is not piratically amuggled in any
manner: neither bodily nor partially; neither directly or indirectly; neither explicitly nor symbolically; this ground his claims cover, and nothing
more; the absolute monopoly of this absurdity and
nothing else, is all he asks as his claims, rationally
read, attest. Ex

MRS. WINSLOW, An experienced Nurse and Female Physician, presents to the attention of mothers, her SOOTHING SYRUP

FOR CHILDREN TEETHING, which greatly facilitates the process of teething, by softening the gums, reducing all inflammation—will allay ALL PAIN and spasmodic action, and is

Sure to Regulate the Bowels. Dependupon it, mothers, it will give rest to your selvend relief and health to your infant We have put up and sold this article for over ten years, and can say, in confidence and truth of it, what we have never been able to say of any other medicine, NEVER HAS IT FAILED, IN A SINGLE INSTANCE TO EFFECT NEVER HAS IT FAILED, IN A SINGLE INSTANCE INSTANCE OF A CUKE, when timely used. Never did we know an instance of dissatisfaction by any one who used it On the contrary, all are delighted with its operations, and speak in terms of commendation of its magical effects and medical virtues. We speak in this matter "WHAT WE DO KNOW," after ten this matter "WHAT WE DO KNOW," after ten years' experience and pledge our reputation for the fulfilment of what we here declare. In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup is administered.

This yaluable preparation is the prescription of one of the most EXPERIENCED and SKILFUL NURSES in New England, and has been used with neverfailing success in

THOUSANDS OF CASES. It not only relieves the child from pain, but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will relieve almost instantly

Griping in the Bowels, & Wind Colle and overcomeconvulsions, which, if not speedily remedied, end in death. We belove it the BEST and SUREST REMEDT in the WORLD, in all cases of DYSENTERY AND DIARRIMGA IN CHILDREN, whether it arises from teething, or from other cause. We would say to AND DIARRHEGA IN CHILDREN, whether it arises from teeting, or from other cause. We would say to every mother who as a child suffering from any of the foregoing complaints—do notlet yourpre-judices, nor the prejudices of others, stand between you and your suffering child, and the relief that will be SURE—yes, ABSOLUTELY SURE—to follow the use of this medicine, if timely used. Full directions will accompany each bottle. None genuine unless the fac-simile of CURTIS & PER-KINS. New York, is on the outside wrapper. Sold by Druggists throughout the world. Principal Office, 13 Cedar St., N. Y.

AYER'S CATHARTIC PILIS A RE YOU SICK, FEEBLE AND COMPLAN

plaint, is also true in lawly of the de-dangerous distempers. The same pur-expels them. Caused by similar obs-derangements of the natural functions they are rapidly, and many of them sur-the same means. None who know the three Pilis, will neglect to employ then ing from the disorders they cure.

Statements from leading physicians in some of rincipal cities, and from other well known pulprocess. From a Forwarding Merchant of St. Long Feb. 4, 1856.
DR. Aven: Your Pills are the paragon of all their

great in medicine. They have cured my little sug-ter of ulcerous sores upon her hands and settin had proved incurable for years. Her mother as been long grievously afflicted with blotches and pa-ples on her skim and in her halr. After our clay was cured, she also tried your PHs, and they have cured her.

ASA MORGRIDGE. As a Family Physic. From Dr. E. W. Curiwright New Orlean. Your Pills are the prince of purges. Their was ent qualities surpass any cathartic we possess. To re mild, but very certain and effectual in thirs ion on the bowels, which makes them invaluable

Headache, Sick Headache, Foul Sie

From Dr. Edward Boyd, Baltimore From Dr. Edward Boyd, Baltimore,
DEAR Ind. Aver: I cannot answer you what on
plsinis I have cured with your Pills better thats
say all that see ever treat with a purposite success
I place great dependence on an effectual carbarilen
my daily contest with disease, and believing as I do
that your Pills afford us the best we have, I of curie
value them highly.

DR. J. C. Aver. Sir: I have been repeatelly card
of the worst headache anybody can have by a doe at
two of your Pills. It seems to arise from a foil somach, which they cleanse at once.

Yours with great respect. ED. W. PRABLE,
Clerk of Steemer Clarke.

Billions Disorders-Liver Complaints From Dr. Throdore Bell, of New York City.

Not only are your Pills admirably adapted to the
urpose as an aperient, but I find their beneficial

purpose as an aperion, but I find their densitates effects upon the Liver very marked indeed. The have in my practice proved more effectual for the cure of billious complaints than any one remeducan mention. I sincerely rejoice that we have a length a purgative which is worthy the confidence of the profession and the people. the profession and the people.

DEPARTMENT OF THE INTERIOR, \
Washington, D. C., 7th Feb., 1860. \
SIR: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick said decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of billious discuss so obtainst that it did not readily yield to them.

Fraternally yours. ALONZO RALL, M. D.

Physician of the Marine Hospital

DESCRIPTION. Discription, Relax, Worms

Dysontery, Diarrhea, Relax, Worms

Pysentery, Diktrinea, item of chicago.

Your Pills have had a long trial in my practic, and I hold them in esteem as one of the best sperients! have yer found. Their alterative effect upon the liver makes them an excellent remedy, when given in small doses for billious dysentery and diarhan. Their sugar-conting makes them very acceptable and convenient for the use of women and children. Dyspepsia, Impurity of the Blood.

From Rev. J. V. Himes, Pastor of Advent Church, Boston. Dn. Aven: I have used your Pills with extraord nary success in my family and among those I am alled to visit in distress. To regulate the organs of ligestion and purify the blood, they are the very lest emedy I have over known, and I can confidently reend them to my friends.

Wassaw, Wyoming Co., N. Y., Oct. 21, 1855.

Drak S &: Lam using your Cathartic Palls in my practice and find them an excellent purgative to cleanse are system and purify the foundatas of the blood.
