Daily Intelligencer.

Fashions for August.

The present times are not too grave for the graces of the toilette, as indeed no times ever were. When Cæsar fell at the foot of Pompey's pillar, he wrapped his mantle about his dying face; his last act was an adjustment of costume. Before the poorest of us were ever born, fond mammas prepared tiny articles of drapery for the babe that was to come, and when the life has become a memory that was then a hope, fingers as busy if not as loving shall arrange fitting robes for the dead. And in the interval between the cradle and the grave, the change in costume as year follows year is an unwritten biography, marked by stealing gradation and startling change; adapted in turn to infantine innocence, the bride's bounty and the widow's woe. The August magazines give us the following hints with regard to the externals of feminine humanity in this midsummer of 1862:

Shawls and dresses made of the same material are much worn for walking toilettes, and are particularly economical; as, when the dress becomes somewhat old, it may be renovated by using the shawl for making a new body. Mantles are of a scant shape, quite deep at the back, with long, square ends in front. They are made of *crepe*, grenadine, or grenadine *barege*. Braiding is still much in vogue, and we see, for the present season, a great number of dresses with a jacket of the same, made of white pekin, or of nankeen, either plain, flowered or striped, but in all cases ornamented with braiding. It is always a favorite style of ornamenting children's dresses and pelisses and this season black appears to be the favorite color. Worked on buff, white, or stone pique the effect is very good and, for young ladies, morning dresses nothing is prettier. Exaggeration in fashion is the sure forerunner of simplicity. Many ladies as if anticipating the impending change, are wearing skirts very slightly trimmed, but extremely full, set in large box-plaits at the waist, the only trimming being a narrow quilling at the bottom of the skirt just above the hem. Crinolines are very much reduced in size at the top, but retain their amplitude at the bottom, and are made with trains to suit the fashionable skirts.

Wheeling Wholesale & Retail

SHOE MANUFACTORY.

THE undersigned may be found at 149 Main Street, where we are extensively engaged in manufacturing the latest and best styles and quality of Ladies', Misses', Children's, Boys' and Gentlemen's SHOES, expressly adapted to the tastes and necessities of the citizens of Wheeling and the surrounding country, which we offer at wholesale and retail at prices which cannot fail to please the most fastidious.

We invite the trade, and the public, to call and examine our goods. While we gratefully remember past favors, which have already far exceeded our most sanguine expectations, we hope in the future to merit a continuance and to share a large increase of public patronage.

Having largely reinforced our manufacturing department, with experienced and accomplished mechanics, we are prepared to manufacture styles and sizes to order for the trade and public.

Ayer's Ague Cure.

AYER'S

Cathartic Pills,

(SUGAR COATED)

ARE MADE TO

Cleanse the Blood and Cure the Sick.

INVALIDS, FATHERS, MOTHERS, PHYSICIANS, PHILANTHROPISTS, READ THEIR EFFECTS, AND JUDGE OF THEIR VIRTUES.

FOR THE CURE OF

HEADACHE, SICK HEADACHE, FOUL STOMACH.

PITTSBURGH, PA., May 1, 1855.

DR. J. C. AYER. Sir: I have been repeatedly cured of the worst headache any body can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once. If they will cure others as they do me, the fact is worth knowing. Yours with great respect, ED. W. PEEBLE,

Clerk of the Steamer Clarion.

BILIOUS DISORDERS AND LIVER COMPLAINTS.

DEPARTMENT OF THE INTERIOR, WASHINGTON, D. C., 7 Feb., 1856.

SIR: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of bilious disease so obstinate that it did not readily yield to them.

Fraternally yours, ALONZO BALL, M. D., *Physician of the Marine Hospital.*

DYSENTERY, RELAX, AND WORMS.

POST OFFICE, HARPLAND, LIT. CO., MICH., November 16, 1855.

DR. AYER: Your Pills are the perfection of medicine. They have done my wife more good than I can tell you. She had been sick until pining away for months. Went off to be doctored at great expense, but got no better. She then commenced taking your Pills, which soon cured her, by expelling large quantities of worms (dead) from her body. They afterwards cured her and our two children of bloody dysentery. One of our neighbors had it bad, and my wife cured him with two doses of your Pills, while others around us paid from five to twenty dollars doctors' bills, and lost much time, without being cured entirely or even relieved. Your Pills are a perfect panacea, which is actually good and honest, will be prized here. GEO. J. GRIFFIN, *Postmaster.*

INDIGESTION AND IMPURITY OF THE BLOOD.

From Rev. J. V. Himes, Pastor of Advent Church.

DR. AYER: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood they are the very best remedy I have ever known, and I can confidently recommend them to my friends.

Yours, J. V. HIMES.

WARSAW, WYOMING CO., N. Y., Oct. 24, 1855.

DEAR SIR: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system and purify the fountains of the blood. JOHN G. MEACHAM, M. D.

ERYSIPELAS, SCROFULA, KING'S EVIL, TETTER, TUMORS, AND SALT RHEUM.

From a Forwarding Merchant of St. Louis, Feb. 4, '56

DR. AYER: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter, whom we had given up for lost, and her aunt that have proved incurable for years. Her mother has been long grievously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her. ASA MORSE BRIDGE.

RHEUMATISM, NEURALGIA, AND GOUT.

From Rev. Dr. Hawkes, of the Methodist E. Church

PULASKI HOUSE, SAVANNAH, GA., Jan. 6, 1856.

HONORED SIR: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating neuralgic pains, which ended in chronic rheumatism. Notwithstanding I had the best of physicians, the disease grew worse and worse until, by the advice of your excellent agent in Baltimore, Dr. Jackson, I tried your Pills. Their effects were slow, but sure. By perseverring in the use of them I am now entirely well.

SENATE CHAMBER, BATON ROUGE, LA., 3 Dec., 1855.

DR. AYER: I have been entirely cured by your Pills of Rheumatic Gout—a point I despaired that had afflicted me for years. VINCENT SLIDELL.

FOR DROPSY, PLETHORA, OR KINDRED COMPLAINTS, requiring an active purge, they are an excellent remedy.

FOR COSTIVENESS or CONSTIPATION, AND AS A DINNER PILL, they are agreeable and effectual.

FITS, SUPPRESSION, PARALYSIS, INFLAMMATION, and even DEAFNESS, and PARTIAL BLINDNESS, have been cured by the alterative action of these Pills.

Most of the pills in market contain Mercury, which, although a valuable remedy in skilful hands, is dangerous in a public pill, from the dreadful consequences that frequently follow its incautious use. These contain no mercury or mineral substance whatever.

AYER'S CHERRY PECTORAL

FOR THE RAPID CURE OF

COUGHS, COLDS, HOARSENESS, INFLUENZA, BRONCHITIS, WHOOPING COUGH, CROUP, ASTHMA, INCIPIENT CONSUMPTION,

and for the relief of consumptive patients in advanced stages of the disease.

We need not speak to the public of its virtues. Throughout every town, and almost every hamlet in the American States, its wonderful cures of pulmonary complaints have made it already known. Nay, few are the families in any civilized country on this continent, without some personal experience of its efficacy, and forever yet the communities any where which have not among them some living trophy of its victory over the subtle and dangerous diseases of the throat and lungs. While it is the most powerful antidote yet known to man for the formidable and dangerous diseases of the pulmonary organs, it is also the pleasantest and safest remedy that can be employed for infants and young persons. Parents should have it in store against the insidious enemy that steals upon them unprepared. We have abundant grounds to believe the CHERRY PECTORAL saves more lives by the consumptions it prevents than those it cures. Keep it by you, cure your colds while they are curable, not neglect them until no human skill can master the inexorable canker that, fastened on the vitals, cuts your life away. All know the dreadful fatality of lung disorders, and as they know too the virtues of the remedy, we need not do more than to assure them it is still to be had, and can be. We spare no cost, nor care, to call to perfection the most perfect possible, and thus afford those who rely on it the best agent which our skill can furnish for their cure.

Prepared by DR. J. C. AYER,

Practical and Analytical Chemist, Lowell, Mass.

THE LONDON QUARTERLY (Conservative).
THE EDINBURGH REVIEW (Whig).
THE NORTH BRITISH REVIEW (Free Church).
THE WESTMINSTER REVIEW (Liberal).
BLACKWOOD'S EDINBURGH MAGAZINE (Tory).

The present critical state of European affairs will render these publications unusually interesting during the forthcoming year. They will occupy a middle ground between the hastily written news-items, crude speculations, and flying rumors of the daily Journal, and the ponderous tome of the future historian, written after the living interest and excitement of the great political events of the time shall have passed away. It is to these Periodicals that readers must look for the most truthful, intelligible and reliable history of current events, and for able, in addition to their well-established literary, scientific, and theological character, we urge them upon the consideration of the reading public.

The receipt of **Advance Sheets** from the British publishers gives additional value to these Reprints, inasmuch as they can now be placed in the hands of subscribers about as soon as the original editions.

AYER'S CHERRY PECTORAL,

FOR THE RAPID CURE OF

Coughs, Colds, and Hoarseness.

BURNETT'S MASS., Dec. 20, 1855.

DR. J. C. AYER: I do not hesitate to say the best remedy I have ever found for Coughs, Hoarseness, Influenza, and the concomitant symptoms of a Cold, is your Cherry Pectoral. In my constant use in my practice, and my family for the last ten years it has shown it to possess superior virtues for the treatment of these complaints. ERBN KNIGHT, M. D.

A. B. MORTLEY, Esq., of Utica, N. Y., writes: "I have used your *Pectoral* myself in my family ever since you invented it, and believe it the best medicine for its purpose ever put out. With a bad cold I should sooner pay twenty-five dollars for a bottle than do without it, or take any other remedy."

Croup, Whooping Cough, Influenza.

STURBRIDGE, Mass., Feb. 7, 1856.

BROTHER AYER: I will cheerfully certify your *Pectoral* is the best remedy we possess for the cure of whooping cough, croup, and the chest diseases of children. We of your fraternity in the South appreciate your skill, and commend your medicine to our people. HIRAM OSKELIN, M. D.

AMOS LEE, Esq., MONTEREY, Ia., writes, 3d Jan., 1856: "I had a tedious Influenza, which confined me in doors six weeks; took many medicines without relief; finally tried your *Pectoral* by the advice of our clergyman. The first dose relieved the soreness in my throat and lungs; less than one half the bottle made me completely well. Your medicines are the cheapest as well as the best we can buy, and we esteem you, Doctor, and your medicines, as the poor man's friend."

Asthma or Phthisic, and Bronchitis.

WEST MANCHESTER, Pa., Feb. 4, 1856.

SIR: Your *Cherry Pectoral* is performing marvellous cures in this section. I was relieved several from alarming symptoms of consumption, and is now curing a man who has labored under an affection of the lungs for the last forty years.

HENRY L. PARKE, Merchant.

A. A. RAMSEY, M. D., ALBION, MONROE CO., IOWA, writes, Sept. 6, 1856: "During my practice of many years I have found nothing to equal your *Cherry Pectoral* for giving ease and relief to consumptive patients, or curing them so are curable."

We might add volumes of evidence, but the most convincing proof of the virtues of this remedy is found in its effects upon trial.

Consumption.

Probably no one remedy has ever been known which cured so many and such dangerous cases as this. Some no human aid can reach; but even to those the *Cherry Pectoral* affords relief and comfort.

ASTOR HOUSE, NEW YORK CITY, March 5, 1856.

DOCTOR AYER, LOWELL: I feel it a duty and a pleasure to inform you what your *Cherry Pectoral* has done for my wife. She had been five months laboring under the consumption, symptoms of Consumption, from which no aid we could procure gave her much relief. She was steadily failing, until Dr. Strong, of this city, where we have come for advice, prescribed a trial of your medicine. We bless his kindness, as we do your skill; for she has recovered from that day. She is not yet so strong as she used to be, but is free from her cough, and calls herself well.

Yours with gratitude and respect,

ORLANDO SHELEY, of SHELBYVILLE.

Consumptives, do not despair till you have tried AYER'S CHERRY PECTORAL. It is made by one of the best medical chemists in the world, and its cures all around us bespeak the high merits of its virtues.—*Philadelphia Ledger.*

Ayer's Cathartic Pills.

THE sciences of Chemistry and Medicine have been taxed their utmost to produce this best, most perfect purgative which is known to man. Innumerable proofs are shown, that these PILLS have virtues which surpass in excellence the ordinary medicines, and that they win unprecedentedly upon the esteem of all classes. They are safe and pleasant to take, but powerful to expel the foul humors and properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the foul humors which breed and grow distempers, stimulate sluggish or disordered organs into their natural actions, and impart healthy tone with strength to the whole system. Hardly do they cure the every-day complaints of every body, but also a hundredth part of dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are at the same time, in diminished doses, the safest and best physic that can be employed for children. Being sugar coated, they are pleasant to take; and being purely vegetable, are free from any risk of harm. Never have pills been made which surpass what were they only understood by men of such exalted position and character as to forbid the suspicion of untruth. Many eminent clergymen and physicians have lent their names to certify to the public the reliability of my remedies, while others have sent me the assurance of their convictions that my preparations contribute immensely to the relief of my afflicted, suffering fellow-men.

The Agent below named is pleased to furnish gratis to any American Almanac containing directions for their use and certificates of their cures, of the following complaints:—

Costiveness, Bilious Complaints, Rheumatism, Dropsy, Dysentery, Heartburn, Headache arising from a foul Stomach, Nausea, Indigestion, Morbid Inaction of the Bowels and Pain arising therefrom, Flatulency, Loss of Appetite, all Diseases and Obstructions of the same which require an evacuant medicine, Scrofula or King's Evil. They also, by purifying the blood and stimulating the system into healthy action, cure Nervous Irritability. Derangements of the Liver and Kidneys, Gout, and other kindred complaints arising from a low state of the body or obstruction of its functions.

Do not be put off by unprincipled dealers with some other pill they make more profit on. Ask for AYER'S PILLS, and take nothing else. No other they can give you compares with them in intrinsic value or curative powers. They will cure the best and those in for them, and they should have it.

Prepared by Dr. J. C. AYER,

Practical and Analytical Chemist, Lowell, Mass.

THE

OFFICIAL WAR MAP.

Hazard's Railroad & Military Map

OF THE SOUTHERN STATES.

FROM the most authentic sources, and the Coast Surveys, engraved in the Finest Style of Map Making. It gives no rumors, but such valuable facts concerning all the Railroads, that the War Department immediately authorized its publication, and distributed ONE THOUSAND COPIES among the Generals and Colonels of the Army.

As it is THE ONLY MAP that is authorized as OFFICIAL, it is the most Reliable and Authentic, and from its large size, 30 by 36 inches—shows at a glance the Principal Places, and all Strategic Points. Gen. McClellan has acknowledged the great importance of it to his movements.

BEAUTIFULLY COLORED. PRICE ONLY ONE DOLLAR, to compete with inferior maps. In Cloth Case, $1.50. Dissected and Mounted on Muslin, $2.50. Mounted on Muslin, with Rollers, and Varnished, $2.50. Sent Free by Mail on receipt of Price.

WILLIS P. HAZARD,

No. 724 Chestnut Street, Philadelphia.

☞As every intelligent man wants THE BEST and ONLY OFFICIAL MAP, Agents can make money rapidly by selling this.

☞NEWSPAPERS inserting this three times shall receive a copy by Mail. my26-7t

BALTIMORE Commercial College!

FOUNDED, 1805. CHARTERED, 1854

LOCATED,

Cor. Baltimore and Charles-Sts.,

BALTIMORE, MD.

THIS INSTITUTION IS NOW IN THE MOST prosperous and flourishing condition. Twice during the last two years has it been necessary to obtain larger apartments for the accommodation of the increasing number of students, representing nearly every State in the Union.

It occupies one of the most conspicuous and desirably located buildings in the city. The rooms are commodiously arranged, spacious and elegantly furnished.

The advantages and facilities here offered to young men desiring to qualify themselves properly for the various duties of the Counting Room, or to obtain a *Thorough Practical Business Education* generally, are unsurpassed, in any particular, by any similar establishment in the United States.

FACULTY:

E. J. LOCKERBY,

Principal—Lecturer on the Science of Accounts, Commerce, Business Customs, etc.

J. M. PHILLIPS,

Professor of the Theory and Practice of Book-Keeping and Commercial Calculations.
