Thursday Morning. November 10. Linsley Institute.

THE NEXT QUARTER of this Institution begin on Monday, November 14th. S. J. McCarasti, Ass's. L.F. JONES, Principal,

A NOTED REBEL IN TOWN .- The notorious bushwhacker. Henry Williams who, it will be remembered, did so much damage in Missouri, was seen in Wheeling a few days ago, and left on Monday night on horseback for parts noknown. He is well known all over Calhoun county, and should he get a band together he will do as much damage in this State as he did in Missouri. Shortly after the battle of Wilson's Creek, Sterling Price gave him command of 100 mounted cut throats. His first act, after Gen. Pope evacuated Springfield and had crossed the Osage river, was to steal in the night time into Warsaw, and burn the town, shooting men as they escaped from the burning houses. He broke into the Bank, took all the money and escaped across the pontoon bridge which Fremont had built, and set it on fire.

We next hear of him in Sedalia, Tipton and California, where he made many raids. He next turns up at Commerce in company with Jeff Thompson and Major Prentice (son of George D. Prentice of Louisville,) where Williams and Thompson had a grand fight. Williams shot Thompson's brotherin-law, who was his Lieutenant, for disobeying his orders. Shots were afterwards exchanged between Thompson and Williams. Gen. Grant subsequently captured Williams and thirty of his men and paroled them. He has been north some two years He is a native of South Western Virginia, but has spent most of his life at sea. We would not be surprised to bear of him on Intelligencer Steam Job Office. the lakes before long as he is a desperate character.

Many years ago, the Williams boys made themselves well known in this city and they were regarded as dangerous characters. Harry, or as he was then better known, Wash Williams, shot a negro some years ago for some trivial offece near the McLure House, and soon afterwards went

THE RIVER .- The river has receded with great rapidity. Yesterday there were only about eleven feet water in the channel-The steamer Saint Johns did not get off yesterday as she expected, but will posiively leave this evening at 5 o'clock. She will receive visitors to day.

The Cincinnati Commercial announces the departure from that city of the new Wheeling and Cincinnati packet Peerless, Capt. Oakes, and hopes she will meet with a warm reception here. Mr. A. S. Doane of this city is her Clerk. The Peerless leaves here on Friday.

The Commercial has the following in relation to another new Wheeling packet: Captain H. H. Drown's Wheeling packet "Wild Wagoner," is now receiving her out-fit at the loot of Washington street, in the Seventeenth Ward, and will make a trial trip on Wednesday, leaving at 2 P. M., af-ter which she will drop down to the leves and load and leave for Wheeling, on her first trip, on next Saturday evening.

ALLEGED ATTEMPT TO COMMIT RAPE - We learn that on Tuesday afternoon a young fellow called "Hopper" Bens, seized upon a daughter of Mr. Marshall in the First Ward, and attempted to outrage her person. The father of the girl hearing of the outrage and being justly incensed, armed himself with a knife, and coming upon Bens, threw him down and was about to plunge the steel into his body when luckily officer George Santmiers interfered and prevented a tragedy. Bens was arrested by the officer and com mitted for trial by Ald. Miller.

A REBEL GUERRILLA SHOT .-- A rebel guerrilla was shot to death at Charleston, Kanawha, on Friday last. He came into our lines some months ago at Charleston, and, pretending to have deserted from the rebel army, took the oath of allegiance. A short time afterwards he was captured with a gang of guerrillas who were robbing and murdering the Union people. He was tried by a military commission and sentenced to be shot.

There was a great jollification at the Union Club room on Tuesday night. Several speeches were made, and the aunouncement of the election news was received with deafening cheers. At a late hour a lunch was prepared in the room.

The Mechanics' Band of Richietown was prepared in the room.

The Mechanics' Band of Richietown was LAUGHLINS & BUSHFIELD'S. nouncement of the election news was re-The Mechanics' Band of Richietown was present, and a serenading party was organized, and the Governor, Mayor Crangle and several citizens were complimented.

THE WEATHER.-Yesterday was most unseasonable day. The air was as balmy as in the Spring time. Windows were thrown open all over the city and "each separate dying ember" in fire-places "wrought their ghosts upon the floor." We mean by that there was no need of fires and like the woman and children they were permitted to go out.

VOTE AT THE NORTH WHEELING HOS-PITAL .- The following is the official vote of the Obio soidiers at the Post Hospital in this city on Tuesday:

McClellan..... MARSHALL COUNTY .- All but three

precincts have been officially returned, giving Lincoln a majority of 794. The total vote of the county will reach 2100.

CORRECTION.-We made a mistake yesterday morning in the vote of Centre township. Instead of 198 Mr. Lincoln received 189. The majority, therefore, in the county for Mr. Lincoln is 131.

Amone the evidences of the enterprising spirit displayed by our citizens, which is so rapidly improving our city. New Fall & Winter rising spirit displayed by our citizens, none are more prominent than the elegant Boot and Shoe establishment of Messrs. Einstien & Co. Their forte appears to be in goods calculated for ladies wear, and we are sure that the tairy feet of our young adies will borrow additional charms, as they twinkle along the street, by being enased in the goods of the above firm .-But while thus attending to the ladies they have by no means neglected the sterner portion of humantty, having a splendid assortment for men's wear,

TMERE was quite an enthusiastic gathering last evening at the Union Club room. The latest election returns were read amid the greatest applause, and several gentlemen made brief addresses of 25 Per Cent. Cheaper congratulation.

election is quiet.

The river is rising rapidly with seven feet of water in the falls.

The Louisville election passed off quieter than known for years. The Union Press, a Lincoln organ, estimates McClellan's majority in Kentucky from ten to twentyfive thousand. The Journal, (Dem.) claims 25,000 for him, and the vote having been very light on account of the storm. The Democrat, (McClellan,) says that the State has gone for McClelian by a large vote; it is impossible to tell how large the majori-ty. The Anzeiger, (Dem.) claims 50,000 majority. Our own opinion is that McClellan's majority will come within the figures of the Union Press, but the returns being mea-gre and the remote counties not being heard om, it is almost impossible to form a de-

cided conclusion.

A lot of money and correspondence, and important papers was seized.

PROVIDENCE, R. I., Nov. 8 .- Returns from all the towns in the State but one give Lincoln 5011 majority, and the soldiers vote will increase it.

New York, Nov. 9 -The Tribune claims New England, Pennsylvania, Delaware, New York, Maryland, Ohio, Indiana, Michigan, Illinois, Wisconsin, Missouri, Iowa and Kansas, for Lincoln. Total 190, independent of the Pacific States, which it says, have probably chosen Lincoln electors. It claims over 10,000 majority in this State, and that members of Con-gress enough have been gained in the Union to secure the requisite two-thirds in the House for the prohibition of slavery by constitutional amendment. It makes the New York Delegation stand 22 Union and 9 Democrats. Tabor, Dem., elected in the 1st District; Radford and Winfield, Dem., in the 10th and 11th; Hubbell and Goodyear, Dem., 13th and 14th. The present Congressional Delegation stands 10 Ua-tou, 16 Democrats. The World concedes Lincoln's election, claiming only New York, Kentucky, New Jersey and Missouri for McClellan, with Pennsylvania, Delaware, Oregon, California and Nevada in doubt but most likely for Lincoln. The Times claims 133 votes for Lincoln, with the probability of all the rest except Kentucky,

Missouri, and possibly New Jersey. BALTIMORE, Nov. 9 .- Baltimore city gives 12,000 majority for Lincoln, a gain of 4,300 over the October vote. The State has un-doubtedly gone for Lincoln by a considera-ble majority on the home vote, and elected

New Yose, Nov. 9 .- The Herald's Army of the Potomas dispatch reports that the rebels attacked our extreme left on Sunday forenoon, but were quickly sent whirling within their own lines. Gen. Grant had previously issued an order for extra vig-

The Herald's despatch from Sheridan's army, of the Sth. states that Sheridan has received information that the rebels intend to immediately assume the offensive. Ewell has superceded Early. Firzhugh Lee's division of cavalry was on Monday at Wardensville, on the Cacapon river. Imboden was also reported there, and the rebel force was over 5,000 strong. Mose-by has been reinforced by a regiment of Virginia cavalry and on Monday was at Berryville.

A raid is expected on Winchester or on Sheridan's line of communication. The rebel movements have been counteracted. The cavalry moved this morning.

To day Gen. Kelley's command success

fully attacked a rebel force that was mov-ing towards Moorefield. A general engagement is expected in a day or two.

There are indications that the rebels will attempt to flank Sheridan's position Early has gone to Richmond.
