DUE WEST IDEAS.

The Literary Club met last Friday night at the home of Judge McGowan, who was the essay int as well as the host. He read an essay on Macaulay, the historian, which was expressed in the choicest English and was into interesting recitals, facts and incidents in his life. Waiter L Miller, Esq. Mr. W. H. Parker, Jr., Col H. T. Wardiaw, Prof. Bailey, W. C. McGowan, Esq., and others, participated in the discussion of the essay and its subject.

Prof. Bailey was president, and Mr. McGowan was secretary.

Change of Schedule.

ORDER OF EXERCISES.

J. M. Bigham, Chester, S. C.-The Future of Metalic Caskets.

DANIEL C. MURPHY, accused of murdering Treasurer Cobert Capes, of Orangeburg county, in October last, was convicted of murdering the first degree last Monday.'

MR. W. T. GILES, one of Anderson's best looking young med, returned home yesterday, after a ten days visit to friends in town.

Corner Creek Locals.

Corner Creek Locals.

Corner Creek, S. C. May 13th, 1895.

It has been so much rain lately it makes the farmers blue and the wheat areen.

Mr. Turner and Arthur Davis is visiting friends and relatives in this section.

Some of the farmers are planting cotton, while others are hoeing.

Mr. Prof. Glassaway who has been sick for last week.

while others are hoeins.

Mr. Prue Gassaway who has been sick for sometime, don't seem to get much better.

Mr. Waiter Wilson and Miss Elia Carwille went down on the excursion and stopped over and spent the night at Mr. J. R. Wilson's. Picnics seems to be very fashionable around here, the times are so busy they don't seem to have very large crowds.

Mr. Praker Dunlap visited Mr. Wister Bigby mast week.

School closed at Keowee last Friday.
Miss Cora Elgin visited Miss Ora Bigby last Sunday.

Mr. Bob Clamp means business in this section, he called on his best girl Saturday night Miss Sue Bigby is visiting at Town's Chapelle this week.

Miss Emma Bigby visited Miss Maggie Elgin Thursday.

Tacky parties seem to be all the go around here now.

All the people in this section seem to be much pleased with their trip to Charleston just week.

Mrs. S. W. Davis, of Due West.

Crown.

L. W. White's Locals.

I offer a few more patterns of pliese silk crepous for waists, Only a few are left. They are very beautiful and very styish. Also all

A. Ranson. Rev. D. G. Caidwelland Dr. Grier dispensed the sacrament.

Rev. and Mrs. S. L. Wilson, of Abbeville, were up on a visit last week. Mr. Wilson preached a most excellent sermon in the A. R. P. church Saturday evening.

1. T. W. L. Pressly preached at Generostee and conducted communion last Sabbath.

Mrs. Pearson has been on a visit of several days in Abbeville to see her daughter, Mrs. Mary White Pearson Wilson.

Prof. J. P. Kennedy and Mrs. Kennedy visited Piedmont and Greenville last week. Prof. Kennedy attended the amiral dinner and stockholders meeting of the Piedmont factory. The factory is making money.

The alamni of Erskine will give a banquet at commencement. A good deal of interest has been excited in it here.

upon parents is the intellectual and spiritual training of their own children. The idea that another own children. dren. The idea that anything else can be so important as to take precedence J. FULLER LYON, Pres. National Bank of Anney 18, so this duty, is a delusion and a snare. We would that it were in our power to speak trumpettongued to the consciences fall our readers, and especially to those At Abbeville, in the State of South of them whose children are still young enough to be fully amenable to the in-Carolina, at the close of business, thuences of sound religious teaching and of godly example. It is greatly to be feared that there is an increasing tendency, even among reputable Christians, to turn over their children en-.. \$146,890 63 tirely to the Sunday school, the Epworth League, and the Church. These are all good organizations, but none of 1,010 00 them is as divine as the family. By 4,523 77 every token children are primarily 1,011 71 committed, for the care of their souls as well as of their bodies, to their own fathers and mothers.

The best way to destroy hatred or discord is by spreading the contagion tion of Abbeville Coderiy, surance on their property, EDWARD ROCHE, E. W. ASHLEY. of love. A gentlemen quoted, the other day, this sentiment: "We all ought day, this sentiment: to have in our hearts a cemetery where we should bury the faults of our fellow men." If this were the case there 6,740 40 would soon be comparatively few faults to bury. The stock would die out. But suppose we have in our hearts also a garden for the cultivating of the virtues of our fellow men. The gar-

and tears in our eyes :

Through tright eternal years, Personal loveliness is not loveliness of person, and yet a person who is lovely in spirit will be sure to give evi-dence of that loveliness in and through will manifest itself as lovely. True beauty is first of the nature, and then of the appearance. In order to show

Obedience to God's law is the only true road to success. You can bury the evil past only in

the noble present.

When a man has truly tasted of God's grace he hungers for more.

(Wesleyan Advocate.)

virtues of our fellow men. The gardens would soon be blooming and flourishing, and so blending with each other as that we would not know in whose garden we lived. Spread the contagion of love, and cultivate the gardens of virtue. But don't forget the cemetery for your neighbor's faults.

There is no merit in seeing the sunlight at noonday. We cannot doubt the existence of light when it blazes in our eyes. But when the gloom and chill of night are about us, it requires faith to believe that there is just as much light in the universe as ever, and that God will bring us again into its cheer. If we have faith, we shall have hope. We can walk in the light in the We can walk in the light in the darkest hour, while seeing Hun who is invisible. This is the cheer of faith and hope when sorrow is in our heart

was a jail closed; but the statistics of We say it now with tears; But we shall sing it with those we love criminality in that country do not bear out his statement. Prisons, especially for juvenile offenders, seem to be multiplied there with the diffusion of knowledge. In this country, with all our educational facilities, crime is not wanting; it is undoubtedly increasing. the outer person. Not merely in expression of countenance, but in tones pression of countenance, but in tones In England, however, the statistics of voice, and in gentleness of manner, are more hopeful. There are 5,000,000 and in gracefulness and dignity of bearing and movement, a lovely spirit than three times as many as there were than three times as many as there were than three times as many as there were in 1870, and yet the number confined in English prisons has fallen in the last one's self to advantage, one must live twenty-four years from 12,000 to 5,000; juvenile offenders now number 5,000 as against 14,000 then. There are other factors to be taken into consideration besides education, of course, in these statistics, but it is undoubtedly true that a purely intellectual education is no

effective safeguard against criminal tendencies, and that the latter will not be checked until we engraft moral The home should be the brightest teaching and conscience-training upon our systems of instruction.

Bruce's harness is all hand made. Try
