A Box Party.

One of the most pleasant occasions of the season was a Box Party given the night of February 22nd by the Argonian Literary Society of Coid Spring School. Each member invited two persons, the boys invited the girls ond visa versa. Each girl was requested to bring a box containing enough lunch for two. The boxes were soid to raise a fund for securing new books for the school library and for various other things in the schoolroom. After all guests arrived the boxes were auctioned off by Mr. Alvin Eills. Since a party of this sind, was something new for our neighborhood, the boys, at first were a little slow about bnying, but evidently some gothingry before all were sold, for several of the last ones brought fancy prices. The boys did not open their boxes until all were sold then not open their boxes until all were sold then they were very eager to, for the name of the owner as well as the lunch was inside. After this discovery each boy found his partner and then came the pleasant part—the least. When all had finished supper many interesting games were played. But about eleven o'clock the happy party was beginning to think it would have to camp there for the night, for outside there seemed an almost ceaseless downpour of rain.

Luckily it ceased somewhat about midnight and all started for home. And I suppose all reached it safe and sound as I have never heard any inquiries for a lost person. A handsome sum was collected. "B."

It Saved His Leg.

"All thought I'd lose my leg," writes J. A. Swenson, Watertown, Wis., "Ten years of eczema, that 15 doctors could not cure, had at last laid me up. Then Bucklen's Arnica Salve cured it sound and well." Infallible for Skin Erup-tions, Eczema, Salt Rheum, Boils, Fe-ver Sores, Burns, Scalds, Cuts and Piles. 25c at Speed's drug store.

The best beardless spring barley at Link's.

"My three year old boy was badly consti-pated, had a high fever and was in an awful condition. I gave him two doses of Foley's Orino Laxative and the next morning the lever was gone and he was entirely well. Fo-ley's Orino Laxative saved his life." A. Wol-kush, Casimer, Wis. C. A. Milford & Co.

A large shipment of Huyler's candy fresh for Christmas at Millord's.

Soldier Balks Death Plot.

Will also stop at the following stations and take on and let off passengers-Phinney's, James, Toxaway, Welch. J. R. Anderson, Superintendent

It seemed to J. A. Stone, a civil war veteran, of Kemp, Tex., that a plot existed between a desperate lung trouble and the grave to cause his death. "I contracted a stubborn cold," he writes, "that developed a cough that stuck to me, in spite of all remedies, for years. My weight ran down to 130 pounds. Then I began to use Dr King's New Discovery, which restored my health completely, I now weigh 178 pounds.' For severe Colds, obstinate Coughs Hemorrhages, Asthma, and to prevent Pneumonia it's unrivaled. 50c. and \$1.00. Trial bottle free. Guaranteed by P. B. Speed.

Senator Tillman's Explanation of his Vote on Brownsville Case.

on Brownsville Case.

So the bill was passed.

Mr. Tillman. Mr. President, I wish briefly to explain my vote on this bill.

When the Brownsville matter was first brought into the Senate I took the position. I believe alone among. Democrats, that the President was not warranted. In his action; that his dismissal of the troops under the conditions and circumstances was cruel and contrary to all ideas of justice which I had ever read about of thought about. The majority of the Senate then took a contrary position and sustained him. The Senate today has reversed and stuitified itself and emphatically condemned his action by the step which it has just taken, which permits all of these troops to be reculisted under certain conditions—gulity and innocent alike.

My position then was that the President ought not to have dismissed and punished innocent men because some men were guilty. We have today illustrated what used to be called on the Scotch border "Jedwood Justice." When the lords of the marches caught some man who might have been suspected of stealing cattle or committing some other offense, they would hang him first and then try him afterwards. These negroes have been banged, so far as the President could do it, and now the Senate proposes to give them a trial and a tardy justice to those who may be able to prove their innocence, although I doubt if any can prove it. But it is a cardinal legal principle that a man must be considered innocent until he is proved guilty, and proving a negative is an impossibility. But my attitude is that somebody shot up Brownsville, and I believe some of the negroes did it, but not more than 25 of them were ever charged with it, while 168 were discharged. Now, to turn the whole bunch back into the army, as they doubtless, will be, will be to admit into the service of the United State some men was have committed murder, for there is no doubt in my mind that; you, will never be able to find out who committed this orime. Therefore, as I did not want innocent men to be kicked out of

BELLEVUE.

Mr. and Mrs. S. L. Wilson spent Saturday with friends in this community, Mrs. Ada Konnedy of Lebanon, spent Saturday with Mrs. Cowan.

Rev. Mr. Prentiss, of Abbeville preached at Willington on the third Sabbath and spent Sabbath night at the home of Mr. John Wardlaw.

Tuesday after spending a tew days who have parents.

Messrs John Wardlaw and W. D. Morrah were in MtCarmei Wednesday on business.
Our farmers are busy hauling fertilzer.
Messrs A. B. Kennedy and J. W. Morrah Jr. were calling in Willington Saturday afternoon.

Miss Willie Calhonn left Monday of Columbia, where she will be an attendant at the marrisge of Mrs. Nell (Ori-Burris to Mr. John C. Wichman of Berlin, Germany.

Mr. W. H. McFall spent a day or two in Anderson last week.

Miss Elizabeth Barron of Columbia is expected in the city Wednesday and will be the guest of Miss Eliza Mabry for several days.

Mr. A. S. Simmons has returned from New York where he has been to buy his stock of goods.

Mrs. J. H. Latimer returned to Lown Jes. ville Monday after spending a week here.

SIMPLE REMEDY POR LA GRIPPE La grippe coughs are dangerons as they frequently develop into pneumonis. Foley's Honey and Tar not only stops the cough but heals and strengthens the lungs so that no serious results need befeared. The genuine coley's Honey and Tar contains no harmful drugs and is in a yellow package. C. A. Millord & Co.

Mothers, don't give your haby anything that contains opiates or any other injurious drugs, but insist on having Dr. Thornton's 'Easy-Teether,' as it is the best medicine on the market for teething babies, and is absolutely harmless as it does not contain any opiates or injurious drugs of any kind. It is guaranteed under Pure Food and Drugs Act, Guarantv No. 11584. Price 25 cents. For sale by McMurray Drug Co. and country merchants; or Easy-Teether Medicine Co., Hartwell, Georgia.

No Land So Rich That Fertilizer Cannot Make It Better

You use fertilizers for the profit you get out of them-and the better the land the more profitably a good fertilizer can be used on it. Do not imagine because land will produce a fair crop without

Virginia-Carolina Fertilizers

that these fertilizers cannot be profitably used on it, or that they were made only for land too poor to produce without them. If poor land will show a normal increase when fertilizer is used, good land will show at least double the increase. Use Virginia-Carolina Fertilizers to increase the quality, as well as the quantity of the crop-and you will increase the profits from your land.

"I have been using your fertilizers for a number of years" says Mr. William Fraiser, of Glasburg, La., "and find that it not only pays to fertilize, but to do plenty of it, and use the best fertilizers to be had, such as your brands. I have used a number of them and found them to be as recommended and to give better results than any other fortilizers that I have over used." fertilizers that I have ever used."

Every planter and farmer should have a copy of the new 1909 Virginia-Carolina Farmers' Year-Book. Get a free copy from your fertilizer dealer, or write our nearest sales office.

High Grade Fertilizers Meeting of the Abbeville County Anti-

of ammonia and 4 per cent. of potash. little as good. It takes just as much time, trouble and labor to put in a cheap low grade fertilizer as it does this 8-4-4 goods, and the results are not to be compared. People who try it continue its use. It is the cheapest the cheapest fertilizer. Crops fertilized with 8-4-4 goods take on a different hue and a different color to the others. And then, you get more stalk and more fruit and that is what it takes to make the crop; stalk and takes to make the crop; stalk and fruit, and this is the special advantage of this 8-4-4 goods; it makes stalk and fruit. It costs more than the others but it is worth much more than the difference in the cost. If you don't feel like going into it heavy at first, try some of it. If you use five tons of fertilizer get one ton of 8-4-4 goods at difference in the cost. If you don't feel like going into it heavy at first, try some of it. If you use five tons of fertilizer get one ton of 8.4-4 goods at least. Next year you will use more til you are using this entirely. It is a complete fertilizer and will pay you better than any you ever used. better than any you ever used. Some weeks ago we wrote the Agri-cultural Department of Clem-on Col-

lege for a formula for an ideal fertilizer for cotton suitable for soils in this sec-tion. You know different soils require different fertilizers and we are trying to make a fertilizer that will suit the soils in this section where we expect to sell our goods. They sent us a for-mula which is practically identical with this 8-4-4 goods as we make it. Their formula calls for Nitrogen but we use ammonia which is the same thing except in a different form. monia, you know, makes the stalk and fruit and that is what you work to get in the crop; stalk and fruit and ammonia helps you to get it. In fact, you don't expect much of a crop unless you have the stalk and the fruit. A great deal depends on the way it is present. mixed and manipulated. The man who got out this formula for mixing

with a low grade blood and tankage either. It requires the very best material such as we have bought. That is why it costs more than the ordinary of the relievable committees. fertilizer and that is why it is better also than the ordinary fertilizer as a plant food. It is made from the very best and choicest plant food. We want you to try it for we know that it will give you satisfactory results. If you have never tried it, try a little at first. People who use it say you can't use too much of it but then you want to be cautious and at first we suggest that you get one or two tons out of five of the fertilizer you use and after that the demand will take care of itself Try it and you will see what you have been missing. See our agents.

C. A. MILFORD & CO.

Our sale on stoves has been better than we expected. There must be a reason for this. Come, look over our line and see if you can't.

Schedule for Due West Bailroad.

Morning train leaves Due West 10:15. The Southern from Greenville and the Southern from Columbia meet in the morning at Shoals Junction, two miles below Donalds. The Due West train will take passengers from both these trains.

The Southern Trains in the evening, North and South, meet at Hodges. If these are on time the Due West train takes passengers from each of them. If they are late it either waits, or runs out to Due West and returns for this service.

Passengers can also go out from Due West on morning or evening freight train. Schedule for Due West Bailroad.

find it. The L. W. White Co.
