

SWEET SLUMBER BROUGHT BACK

Mrs. White, Unable to Sleep Tells How She Brought Back Natural Sleep.

Gaston, N. C.—Mrs. Ellen White, of this city, says: "I suffered for several years with womanly troubles. I could not rest at night."

I began taking Cardul, the woman's tonic, and before I had finished one bottle I could sleep well. It just acted like a charm. Since taking Cardul I have been in better health than for ten years. It is the best medicine I ever used. It did me more good than the doctors. I can certainly recommend Cardul to all suffering women, for I have been greatly benefited by its use. It will build them up.

Cardul has been worth its weight in gold to me, for now I am well and hearty."

No matter how long-standing the trouble, Cardul will help. It is a tonic remedy. It is prepared for women to bring relief from womanly ailments.

It helps sleeplessness, one of the most common symptoms of nervous breakdown. It helps build nerves and system.

Made from strictly vegetable ingredients, it has no ill-effects on any organ of the body, but acts naturally, gently and safely.

You can rely on Cardul. It will do for you what it has done for thousands of others.

It will help you. Try it.

ACTION IS TAKEN ON APPOINTMENTS

ATTORNEY GENERAL HAS STARTED PROCEEDINGS AGAINST OFFICERS.

HE DECLARES THEM ILLEGAL

The Appointments Were Made Without the Consent of the Senate—Fine is Also Asked—Hearing to be Held in Near Future.

Columbia.—Whether or not several men whom Gov. Blease appointed to county offices without the advice and consent of the senate are acting illegally and shall be fined for doing so will be decided by the supreme court under quo warranto proceedings instituted by J. Fraser Lyon, attorney general. Complaints have been filed against J. M. Bowden, appointed magistrate at Spartanburg; W. E. Green, magistrate at Sandy Springs, Anderson county; S. E. Whitten, magistrate at Pendleton, Anderson county; W. T. Chamblee, magistrate at Rock Hill, York county; J. A. Young, magistrate at Iva, Anderson county.

The complaints against these appointees of Gov. Blease allege that they were made without the recommendations of the county delegations. The complaints ask that the men holding these offices be required to pay the cost of the actions against them and a fine, not exceeding \$2,000, as the court may judge. Hearings on all the cases will be held on April 29.

A rule to show cause was issued by Chief Justice Gary against all the parties named in the complaints. The attorney general has also brought proceedings in the supreme court to have the appointees of the governor as township commissioners for Beaufort county ousted, these being J. W. White, Hilton Head; A. J. Alexander, W. H. Stalworth, Beaufort; C. E. Boineau, J. W. Campbell, B. Josselson, of Sheldon; C. A. Verder, J. R. Cooler, W. W. Hudson, of Bluffton; C. A. Walker, R. A. Cbburn, S. S. Kellars, of Yemassee.

Extension Work is Progressing. The extension of the South Carolina Western railroad from Hartsville to Sumter is now built to a point between Lydia and Bishopville, several miles from Hartsville. The Lydia section being one of the best farming districts in the county, has given the road a large amount of fertilizer to haul, and from the moment the rails were laid to Lydia trains have been hauling loads. The new road is being laid with 80-pound rails, indicating that the promoters anticipate much heavy business. It is the conjecture of some that eventually the road will be built from Sumter to Charleston, thus making the line an artery of importance and probably it will be a trunk line.

South Carolina New Enterprises.

The secretary of state has issued a commission to the Mutual Land and Lumber Company of Charleston with a capital stock of \$3,500. The petitioners are: A. H. Silcox and H. W. Silcox. A charter has been issued to the Florence Gas Company, of Florence, with a capital stock of \$75,000. The officers are: W. R. Barringer, president; J. C. Williamson, vice president, and W. J. Brown, secretary and treasurer. The company will erect a plant to manufacture commercial gas. A commission has been issued to the Mountville Gin Company, with a capital stock of \$4,000. The petitioners are: B. R. Fuller, J. M. Simmons, E. C. Smith, H. M. Bryson, and S. S. Farrar.

Dillon Roads Being Improved.

The roads of the county are being rapidly improved and in a short time will be in as good condition as before the rough winter weather. Superintendent Wayland has put about 100 split log drops over the county and they have proved their worth already in making quickly a good road. Considerable more interest in good roads is shown now than ever before.

Next Meeting at Charleston.

"The congress was a success and results will be secured," said Commissioner Watson, who returned from the annual meeting of the National Drainage congress, which was held in New Orleans. Over 700 delegates from nearly two score states. There were 18 delegates to attend from South Carolina. The next annual meeting will be held in Charleston during January and February of next year at the same time with the National Corn show that is to be held in Columbia.

Could Work But Would Get No Pay.

B. J. Rhame, who has been removed from the office of state bank examiner by Gov. Blease, visited Orangeburg in the performance of his official duties. Mr. Rhame called at some of the banks and signified his intention to examine the banks. He was told that he could proceed to examine the banks, but the matter of his fee for the work would be held up until the courts decided whether or not he is to continue as state bank examiner. Mr. Rhame did not examine any of the banks in consequence thereof.

Two Get Executive Clemency.

The governor has granted a parole to Joe Hope, who was convicted in Richland county in 1906, and sentenced to serve eight years on the county chain gang on the charge of grand larceny and breach of trust with fraudulent intent. The governor has granted a parole to Paul Woods, who was convicted last year in Chester county on the charge of housebreaking and larceny and sentenced to 18 months. Since assuming office the governor has extended clemency to 260 cases.

Catawba Rifles Were Inspected.

Company H, First South Carolina regiment of Rock Hill, locally known as the Catawba rifles, was inspected at the armory by the adjutant general, W. W. Moore, and Capt. George H. McMaster, U. S. A., with a large number of citizens present. Capt. McMaster gave the boys a splendid technical talk on what the soldiers in action should expect, and what was expected of the soldiers. He said that next to the German Fusiliers, the Rock Hill company showed up better than any company he had yet inspected.

LOSE ON THE HAY IMPORTS

Canada Selling Farmers of State Hay While Cowpea is One of Cheapest Crops to Raise.

Clemson College.—Attention has been called recently by President E. W. Dabbs and others to the fact that large shipments of Canadian timothy hay are being brought into South Carolina. It seems absurd and extremely unbusiness-like that the farmers of this state should import hay from Canada, when it can be made so easily and at so much less cost.

Prof. J. N. Harper, director of the experiment station here, has the following to say to South Carolina farmers, therefore, on peavine hay:

The cowpea is the best leguminous crop of the South. It produces hay fully the equal of red clover. It is drought-resistant and produces good yields of all kinds of soils in this state; has few diseases, and because of its effect in adding nitrogen to the soil and improving the physical condition it is a wonderful improver of poor soils.

The best varieties for hay purposes are Unknown, Wonderful, Iron, Clay, Whippoorwill, Red Ripper, Red Crowder, Calico and New Era. On lands subject to wilt the iron pea should be used, as it is resistant to wilt and root knot. Probably the best all-around variety is the Whippoorwill. It is erect in growth, matures medium early and is a heavy bearer. This station has obtained as much as 19.6 bushels per acre from the Whippoorwill.

Early varieties are New Era, Warren, Red Crowder, Early Brown Eye and Early Bullock, while late varieties are Unknown, Iron, Clay, Wonderful, Red Ripper, Calico.

State Corn Contest Explained.

The manual for the state corn contest was issued from the state department of agriculture by Commissioner Watson. The indications are that several hundred farmers of the state, including the members of the Boys' Corn clubs, will enter the state contest. Several hundred dollars in prizes will be given for the best results to be shown. The prizes offered include \$165 for the one-acre contest; \$200 for the five-acre contest, and \$135 for the boys' one-acre contest. Each contestant's work will be judged according to the following scale of points: Purity and selection of seed, 10; methods of culture, 25; record or report its clearness, completeness, accuracy and care bestowed upon it, 15; yield of contest acre, 25; quality of crop, market grade, salability and feeding values, 10; profits resulting from the entire operation, 16.

Warehouse Act Will Be Tested.

Proceeding under the terms of the measure, Attorney General Lyon brought suit in the supreme court to test the constitutionality of the cotton warehouse act, which was passed at the last session of the general assembly. J. W. McCown, T. L. Clinckscale and John S. Horlbeck of Charleston, members of the warehouse commission elected by the legislature, were ordered to show cause before the supreme court on May 6 why a permanent injunction against the operation of the measure should not be issued. The act will be defended in the supreme court by W. F. Stevenson of Cheraw and John L. McLaurin of Bennettsville.

Reduction of Cotton in Chester.

Chairman R. B. Caldwell of the committee that was appointed to superintend the canvassing of Chester county in the interest of the Rock Hill plan for the reduction of cotton acreage, states that the committee has practically completed its work. Mr. Caldwell said that up to the time the heavy rains set in about two-thirds of the planters of the county had been seen and the remainder that had not been interviewed he thought unnecessary to go to, and the inclemency of the weather would necessitate their reducing whether it was their intention to do so or not.

Committee to Reindex Books.

E. P. Henderson, J. B. Salley and L. E. Croft have been appointed by the Aiken county delegation to the general assembly as a committee to superintend the reindexing of the mortgage and real estate title books of the clerk of court as provided in a bill by Senator Croft.

Appointments by the Governor.

Acting upon the recommendation of the South Carolina Medical association, the governor appointed the state board of medical examiners. The members appointed are: Dr. Harry H. Wyman, Aiken; Dr. J. T. Taylor, Adams Run; Dr. W. W. Fennell, Rock Hill; Dr. A. E. Brzyer, Columbia; Dr. A. M. Brailford, Jullins, and Dr. H. L. Shaw, Fountain Inn, and Dr. C. B. Earle. The governor also appointed the executive committee of the association upon recommendation by the state medical board.

Rural Policeman For Cherokee.

A matter which has been perplexing Cherokee county people for some time was settled when Sheriff Thomas appointed Brosie B. Byers as rural policeman for the county. The bill providing for this officer was introduced in the last session of the General Assembly by Representative Dobson, and after being vetoed by the Governor, was passed and became a law. The bill stipulated that this officer was to be appointed by the sheriff upon the recommendation of the county commissioners.

Catawba Rifles Were Inspected.

INTERNATIONAL SUNDAY SCHOOL LESSON

(By E. O. SELLERS, Director of Evening Department, The Moody Bible Institute of Chicago.)

LESSON FOR APRIL 28.

THE BEATITUDES.

LESSON TEXT—Matt. 5:1-12. GOLDEN TEXT—"Blessed are the pure in heart for they shall (No doubt about it) see God."

It was St. Augustine who first gave the ordination address of Jesus, after choosing the twelve, the title of "The Sermon on the Mount," a title now universally accepted. It is better perhaps "The Gospel of the Kingdom," telling us of the characteristics of these members of the new kingdom Jesus came to establish, the influence of these members upon the world, and is a commentary upon the laws of this kingdom. It is this, and more, for it is a prophecy of the church at work and also a test whereby we are to know who belong to this kingdom.

Their Spiritual Meaning.

There are in reality only seven of the Beatitudes, the "blessednesses" and seven is always typical of perfectness. They are written in Old Testament language, but give the old form a new and spiritual meaning. The rewards are not arbitrary, but the logical outgrowth of the character depicted.

The first four are passive virtues. Happy are those who are poor in spirit, not the poor-spirited but the humble minded ones conscious of their need. It is the poor, as to this world, that are to be rich in faith and to be heirs of that kingdom which Christ has promised to those that love him (Jan. 2:5). Happy are those that mourn, for they mourn not as those who have no hope, they shall be comforted, yea, they shall be strengthened. Paul tells us of that sorrow which is unto salvation and need not to be repented of, but the sorrow of the world worketh death. Happy are the meek, those who are not proud. The pride of man is soon cut off as grass. In him, the meek and lowly, we are to find rest to our souls. We are exhorted by the meekness and gentleness of Christ to receive instruction and Peter tells us that our ornamentation that shall be of the greatest price is to be meek and quiet in spirit.

At this point the master begins to make his practical application of the lives of those having these characteristics, upon the world about them. Happy are the merciful. The withholding of mercy tends to poverty, but the liberal soul shall be made fat, for to the merciful he will show himself to be merciful. Forbearing, and forgiving we enter into this happiness, being kind, forgiving, tender-hearted, even as Christ hath forgiven us.

Righteousness Defined.

Happy are the pure for they may draw nigh unto God in full assurance of faith for themselves and on behalf of others. Indeed the writer of Hebrews tells us that without holiness (purity) no man can see God, not our own righteousness wherein we might boast but the righteousness of Christ which is by faith.

Happy are the peace-makers, the receivers and the diffusers of this kingdom. Not merely peaceable men, nor pieces of men, but rather as Tyndale's version is, "the maintainers of peace." Led by the spirit of God they are not only called the sons of God, but are the sons of God (Rom. 8:14). "The cause, not the pain, makes the martyr," said St. Augustine. Those who are presented for righteousness' sake, not those who seek persecution, are possessors of this kingdom; possessing it they are persecuted.

Being is doing—doing does not produce life, and we have here a linking of the old law and the new gospel. His kingdom brings blessedness, happiness; satan's kingdom turns to the apples of Sodom. God says, speak out, endure for others. His kingdom is distinguished by altruism. The kingdom of darkness says: "Keep still, live for yourself." This kingdom knows not the essence of brotherhood.

Man ever asks this old question: "How may I be happy?" Those whom Jesus selects as the happy ones are looked upon by the world as the most unfortunate, but time has proven and eternity will justify these declarations of Christ. The good of this age belongs to the selfish and self-assertive, the good of the coming age to the self-renouncing. It is better to have sorrowed and to have received his comfort than never to have sorrowed at all. The message of the meek will get a hearing as against the censorious, and the supremely happy are those who shall see God.

Jesus saw the multitude when he gave us this sermon, which is not a sermon at all. He understood their need, the state of their hearts and what was in their minds. He did not see them as so many pawns upon the chess board of life; he saw their life, their sorrows, their sins. He read the story of human need and human destiny. He looked into their sad eyes and saw their longing after happiness and immortality. He knew that the best heathenism could offer was oblivion or else sensual ease, and so from his heart he spoke to them of the "Heart of Happiness." Light, liberty, growth, altruism rather than any paralysis of soul or supreme selfishness.

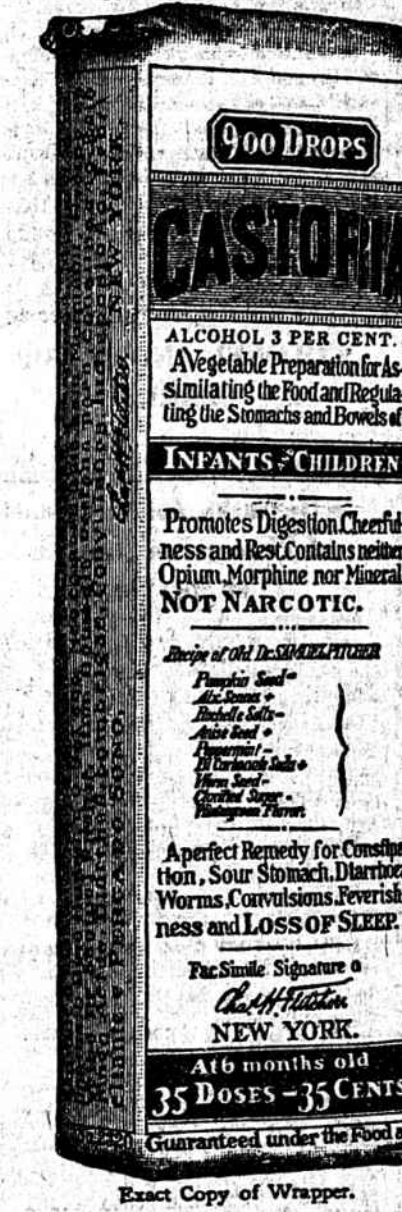

Hunger for the highest and the noblest can find a supply for all its needs in Jesus the Son of God and only according to the principles he here sets forth.

Why rejoice over our reproach? Because this is the path into this new kingdom. And when we walk "for Christ's sake" we shall enter therein and rejoice greatly for we shall have "great reward in heaven." These happy ones are the salt that preserves and the light that lightens human society.

What is Castoria.

CASTORIA is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other Narcotic substance. Its age is its guarantee. It destroys Worms and allays Feverishness. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic, all Teething Troubles and Diarrhoea. It regulates the Stomach and Bowels, assimilates the Food, giving healthy and natural sleep. The Children's Panacea—The Mother's Friend.

The Kind You Have Always Bought, and which has been in use for over 30 years, has borne the signature of Chas. H. Fletcher, and has been made under his personal supervision since its infancy. Allow no one to deceive you in this. All Counterfeits, Imitations and "Just-as-good" are but Experiments that trifle with and endanger the health of Infants and Children—Experience against Experiment.

Letters from Prominent Physicians addressed to Chas. H. Fletcher.

Dr. Albert W. Kohl, of Buffalo, N. Y., says: "I have used Castoria in my practice for the past 20 years. I regard it as an excellent medicine for children."

Dr. Gustave A. Eisenbrauer, of St. Paul, Minn., says: "I have used your Castoria repeatedly in my practice with good results, and can recommend it as an excellent, mild and harmless remedy for children."

Dr. E. J. Dennis, of St. Louis, Mo., says: "I have used and prescribed your Castoria in my sanitarium and outside practice for a number of years and find it to be an excellent remedy for children."

Dr. S. A. Buchanan, of Philadelphia, Pa., says: "I have used your Castoria in the case of my own baby and find it pleasant to take, and have obtained excellent results from its use."

Dr. J. B. Simpson, of Chicago, Ill., says: "I have used your Castoria in cases of colic in children and have found it the best medicine of its kind on the market."

Dr. R. B. Baklison, of Omaha, Neb., says: "I find your Castoria to be a standard family remedy. It is the best thing for infants and children I have ever known and I recommend it."

Dr. L. R. Robinson, of Kansas City, Mo., says: "Your Castoria certainly has merit. It is not its age, its continued use by mothers through all these years, and the many attempts to imitate it, sufficient recommendation. What can a physician add? Leave it to the mothers."

Dr. Edwin F. Pardee, of New York City, says: "For several years I have recommended your Castoria and shall always continue to do so, as it has invariably produced beneficial results."

Dr. N. B. Sizer, of Brooklyn, N. Y., says: "I object to what are called patent medicines, where maker alone knows what ingredients are put in them, but I know the formula of your Castoria and advise its use."

A BLOOD MEDICINE WITHOUT ALCOHOL.

Recently it has been definitely proven by experiments on animals that alcohol lowers the germicidal power of the body and that alcohol paralyzes the white corpuscles of the blood and renders them unable to take up and destroy disease germs. Disease germs cause the death of over one-half of the human race.

A blood medicine, made entirely without alcohol, which is a pure glyceric extract of roots, such as Bloodroot, Queen's root, Golden Seal root, Mandrake and Stone root, has been extensively sold by druggists for the past forty years as Dr. Pierce's Golden Medical Discovery. The refreshing influence of this extract is like Nature's influence—the blood is bathed in the tonic which gives life to the blood—the vital fires of the body burn brighter and their increased activity consumes the tissue rubbish which has accumulated during the winter.

Dr. R. V. Pierce, the founder of the Invalids' Hotel and Surgical Institute, and a physician of large experience and practice, was the first to make up an ALTERNATIVE EXTRACT of roots, without a particle of alcohol or narcotic.

"It is with the greatest of pleasure, that I write to let you know of the great benefit I received from the use of your medicines and self-treatment at home," writes Mrs. Wm. H. Hays, of Ladyship, B. C. "I suffered for three years from a running sore. Consulted four doctors but they failed to mend or give relief. Finally I was told I was in consumption and would have to consult a specialist concerning my ear, that the dead bone must be cut out before the wound would heal. A kind friend advised me to write to Dr. Pierce, which I did, and after seven months' use of the treatment the sore is healed, and I enjoy better health than I ever did. I dressed the wound with Dr. Pierce's All-Healing Salve and took the 'Golden Medical Discovery' and 'Pleasant Pellets' for my troubles. I shall always recommend your medicines."

Dr. Pierce's Pleasant Pellets regulate liver and bowels.
