Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out of this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

MRS. SALE GIVES VALENTINE.

The Woman's Gymnasium Class of the Young Women's Christian Association were complimented with a beautiful party given by Mrs. J. W. Sale, one of its most enthusiastic members, at her home on upper Reynolds Street. St. Valentine, the patron saint of the day was evidenced in a number of pretty and unique ways. The three large rooms given over to the entertainment of the guests who enjoyed a delightful game of heart dice, were adorned with a profusion of lovely dogwood blossoms used about the doorways and windows, the beautiful white blossoms being showered with a profusion of tiny crimson hearts. Vases were filled with fragrant carnations and at the conclusion of the game a lovely tea was served, the Valentine colors being carried out and the souvenirs being cunning little crimson baskets filled with confections and adorned with crimson carnations. Miss Lilly Clark made the highest score and was presented with a pair of silk stockings, and the consolation, a beautiful little brocaded silk pin tray, adorned with tiny hand-made roses, was given to Mrs. Reid. During the afternoon much merriment was occasioned by the reading of many comic valentines, which had been carried to the hostess, and which were delivered by little Miss Mary Elizabeth Vorhauer and Miss Margaret Cavanaugh, who dressed to represent valentines, were the postmistresses. —Augusta Chronicle.

FOR FIVE MONTHS SUFFERED GREATLY

MRS. FANNIE HERON SAYS RHEUMATISM KEPT HER IN BED, HELPLESS.

"I think Tanlac has been blessed, it has done me and so many others so much good," is the praise given the master medicine by Mrs. Fannie Heron, of 1810 Taylor St., Columbia, wife of an employee of the Columbia Street Car Company, in her story of the almost wonderful relief Tanlac brought her.

Mrs. Heron must know what it is to suffer the keenest pain, for she was confined to her bed for five months with rheumatism. She could not turn herself, and every move meant the keenest pain. She began taking Tanlac, and now she can walk several blocks without suffering pain or feeling tired. She has taken seven bottles of Tanlac and now weighs more than she has ever weighed before, she said.

Her remarkable endorsement of Tanlac follows:

"I suffered awful agony from rheumatism of the nerves and muscles. I was forced to remain in bed all the time for five months and the pain was so intense that it seemed at times I could not endure it. During these five months every move meant the keenest pain. I could not even turn over in bed so much did my muscles pain me.

"Indigestion, with which I also suffered, caused me great pain. It was awful. My system was run down, and I lost weight.

"I heard of the great relief Tanlac had brought to others in Columbia, and I began taking it. I have taken seven bottles. I can now walk several blocks without feeling pain or becoming tired. I am much stronger now and am in good spirits. My relief is simply wonderful, and I know it is all due to Tanlac, for I took no other medicine along with it.

"I actually weigh more now than I have ever weighed before. I intend to continue taking Tanlac until I have completely recovered from all my ailments and my strength has been fully regained. I think Tanlac has been blessed; it has done me and so many others so much good.

"A large number of my friends are taking Tanlac upon my recommendation, and I can heartily recommend it, and I tell almost every visitor what great relief it brought me."

"Then Mrs. Heron named several of her friends who she said had re-

ceived great benefit from it. Tanlac, the master medicine, is sold exclusively by P. B. Speed, Abbeville; J. H. Bell & Son, Due West; E. A. Fuller & Co.; McCormick; Cooley & Speer, Lowndesville. Price \$1 per bottle straight.—Adv.

THOMAS CASE REVERSED.

The Supreme Court of the State last week filed an opinion in the case of the State vs. Chas. B. Thomas in which the judgment of the lower court was reversed.

Mr. Thomas was indicted during last year for the murder of R. C. Fields. At the trial he was convicted of manslaughter with a recommendation to mercy. The appeal was from a sentence of two years.

The case is reversed, it is understood, on account of the trial Judge, Hon. Frank B. Gary, permitting Rev. Mr. Cantey to detail a conversation he had with Fields on his death-bed. The case will likely be tried at the June term of court; if it is not then tried, it will be tried at the September term of court.

TODAY'S THOUGHT.

The best thing you have in this world is Today. Here it is, a wonderful treasure, a marvelous jewel. It's yours, all yours. It's in your hands. What are you going to do with it?

To-day is your savior; it is often crucified between two thieves, Yesterday and Tomorrow.

Most of our misery is left over from yesterday or borrowed from tomorrow. Keep To-day clean. Make up your mind to enjoy your food, your work, your play, To-day anyhow.

Time is not divided into three parts, past, present, and future. There is only one real time, it is NOW.

Whoever planned this life of ours did well in giving it to us one day at a time. We don't have to live it all at once, thanks be. We've only got to get through till bedtime.

And at the end of every day, we are bathed in death. In sleep we go back to our original nothingness. Every morning, we are born again.

Come, let's finish our small task manfully. It's not long.

J. Frank Clinkscales, Esq., spent Tuesday in Greenwood, having business in the Court of General Sessions.
