A MUSICAL TREAT

Of Real Hawaiian Artists Coming to the Opera House Next Saturday, April 5th.

Judging from the inquiries made concerning Vierras Hawaiian Singers and Players who are to appear at the Opera House on Saturday, April 5th, a capacity house will greet these famous record makers. The following notice taken from the Washington, (N. C.) News will prove very interesting:

"One of the best musical entertainments ever enjoyed in Washington was rendered last night at the New Theatre by Albert Vierra's Hawaiian Singers and Players.

A packed house greeted the Hawaiians, even standing room being at a premium. Every number received hearty applause and a large number of persons bought tickets for the second show in order to hear again the beautiful vocal and instrumental selections which were rendered.

The blending of trained voices, ukuleles, guitars, mandolins and other string instruments gave a beautiful effect which held the audience entranced from the beginning to the end of the program. Never has there been anything presented on the local stage which has given more satisfaction or approval."

The Fewer Suits we Sell a man, the More Business we do!

Ever since we have been offering our customers

MICHAELS-STERNS Clothes

our business has increased, and yet we sell fewer clothes to each customer.

The answer to the riddle is really very simple:

The Suit we Sell You W-E-A-R-S!

It wears twice as long, looks twice as good, and costs no more than ordinary clothing, and once you have known Michaels-Stern satisfaction how long will it be before you tell a couple of your pals the good news; and how long will it take them to come in for a Michaels-Stern Suit?

\$25.00, \$27.50, \$30.00, \$35.00, \$40.00.

Which leads us to announce that the Spring Models are ready at this very moment. Other Good Suits
