## Hold On to Insurance.

"I'm hanging on to my war insurance," said a returned soldier in Atlanta the other day. "Two reasons—I can't get any other for as little money, and, as a matter of fact, I can't get any other at all. Can't stand the physical examination now."

The soldier, now discharged and back at his old work in civil life, showed plainly that he had the idea. War insurance is good business. It is a good investment. It is the cheapest insurance that ever was. And the discharged soldier has five years in which to convert it into any one of half a dozen or more different types.

## Miss Emma Cothran Marries.

Greenwood, Aug. 11.—Quite a surprise to their many friends was the marriage of Miss Emma Cothran and J. Ives Townsend, which took place July 28. The young couple motored to Anderson and were married by Dr. Foster, pastor of the Presbyterian church of that place. They left immediately after the ceremony in their car for parts unknown. After a wedding trip they will go to New York, where Mr. Townsend will be in business.

Miss Cothran is the eldest daughter of the late Capt. John Cothran of this place. She has made her home here with Mrs. Annie C. Durst until recently when she went to live with her uncle, Thomas P. Cothran of Greenville.

Mr. Townsend was formerly connected with the Bank of Greenwood.

"Miss Cothran is well known in Abbeville having made her home here with her uncle, Mr. W. S. Cothran, some years ago.

## QUOTATIONS ON FRUIT TREES

Fruit trees are some higher than they were last year. Below I am giving a price list of fruit trees for your benefit. I saw an agent in the county selling fruit trees very high. He was offering peach, pear and apple trees for \$9.00 per dozen or 75c. each. The trees this agent was selling could not be any better than the ones I quote you below. What is the use to pay such a high price for fruit trees when they can be bought direct for one-third the price that this agent was selling them for. Be sure and see your county agent before placing your order for fruit trees, unless you want to give more for them.

Apple trees, 3 to 5 feet high,	20 to 25 cents each.
Peach trees, 2 to 5 feet high,	15 to 25 cents each.
Pear trees, 3 to 5 feet high,	25c. each.
Cherry trees, 3 to 4 feet high,	25 to 30 cents each.
Plum trees, 3 to 5 feet high,	30 to 35 cents each.
Pecan trees, 2 to 3 feet buds,	55 to 75 cents each.
Shade trees, 30 to 75 cents each.	

W. A. Rowell,  
County Agent.
