CAROLINA DEFEATS CLEMSON 21 TO 0

Columbia, Oct. 27.—The final score in the football game here today was twenty one to nothing in favor of Carolina. The game was one of the most exciting and one of the best exhibitions of gridiron athletics that has ever been seen in the state. Carolina outplayed Clemson all through the game. Forward passes failed in many cases, and trick work was of no avail. It was simply a case of Clemson being outplayed. The Clemson tigers put up a wonderful exhibition, however, and the game was a splendid battle. The largest crowd in the history of the state fair saw the exhibit.

In the third quarter Carolina made seven points, bringing her score to fourteen, on a sixty yard advance by Belk, who intercepted a forward pass attempted by Clemson. In the same quarter Carolina made a third touch down, when Waite carried the ball over the line following stubbornly gained advances made by the gamecocks. Belk kicking goal.

The score in the Carolina and Clemson game today at the end of the first quarter was 0 to 0. Carolina got the kick-off in a toss. Carolina got within twenty yards of goal but an incomplete forward pass and the failure of a punt left the ball with Clemson. The biggest crowd of any similar game in the state saw the greatest contest today.

At the end of the first half the score stood seven to nothing in Carolina's favor. Forward passes by both sides were proving ineffective. During the second quarter Ames ran thirty-five yards making the first down of the game. Snipes then gained twenty-five yards around the right end, taking the ball to the one yard line. Waite then carried the pigskin over the goal line and Belk kicked goal. When the first half ended the ball was Clemson's on her own twenty yard line.

BEER PERMITS WILL BE ISSUED PROMPTLY

No Red Tape, Says Blair; Law Violators Will Not Be Considered Says Commissioner.

Washington, Oct. 27.—Issuance of permits to brewers for the manufacture of medical beer under the new treasury regulations will proceed promptly, Internal Revenue Commissioner Blair said today.

Operation of the regulations promulgated on Monday, Mr. Blair said, would be devoid of red tape and without undue delay. Brewers have only to apply to their directors, he explained in order to obtain the necessary permits. Brewers who have violated the prohibition law, Mr. Blair said, would be unable to obtain these permits but in his opinion he added there were not a great many of these.

Instances of the purchase of closed breweries by companies formed for their operation under the new regulations, Mr. Blair declared, would be thoroughly investigated before permits to manufacture medical beer would be issued. Where the transaction was not a "blind" but a bona-fide business venture, he said, he could see no reason why such concerns should not operate under the treasury regulations.

MAKES GOOD COTTON DESPITE BOLL WEEVIL

Summerville, Ga., Oct. 27.—Chattanooga county still will produce cotton, even with the boll weevil present in unlimited numbers, as is evidenced by the statement of M. S. Presley, a farmer living in the eastern part of Chattanooga county, near Gore.

Mr. Presley planted one acre, which was measure by S. E. Jones, county school superintendent of this county, in cotton, the Culpepper variety being selected for the test. The cotton thrived despite the activities of the weevil. Last week the seed cotton grown on this acre was carried to the gin at Gore and was weighed and ginned by Luke Prickett. The cotton weighed 1,160 pounds in the seed and the net weight of the bale was 415.

This is regarded as a most remarkable yield for this year, since the boll weevil has practically ruined the crop, in many instances from five to seven acres being required to produce a single bale. Mr. Presley believes that the Culpepper variety will help the farmers of the county to beat the boll weevil because it is an early variety and matures before the insect gets in its work.

ONE ELECTROCUTION IS DUE DURING THE WEEK

Columbia, Oct. 27.—An electrocution is scheduled to take place this week, but whether it takes place or not remains to be seen. The man scheduled to die, as the law provides having been duly convicted by a jury of his fellows, is Abraham Williams, a negro of Orangeburg, who was convicted of assault with intent to ravish on a 15-year-old white girl. It is stated at the state penitentiary that all is in readiness for the execution.

A petition in the negro's behalf was filed some weeks ago with the governor. It asks that the sentence be commuted to life imprisonment. It is signed by the trial judge and nine of the jurors. As yet the governor has taken no action on the petition.

Williams is in the death house, in the cell next door to S. J. Kirby.

KILLED HIS FATHER, GIVEN FREEDOM FOR \$1,500

Anderson, Oct. 27.—Bail in the sum of \$1,500 was granted Sherman Browning of Piedmont by Judge Ernest Moore, who is holding court at Walhalla. Browning was lodged in the Anderson county jail Saturday night, charged with the murder of his father, C. M. Browning, who the younger Browning says struck him over the head with a bottle, felling him to the ground, because of reports of the elder man's improper relations with a woman of questionable character in the neighborhood. The son had told his mother, Mrs. C. M. Browning, of his father's alleged misconduct and the father attacked his son with a bottle. Young Browning fatally wounded his father with a shotgun.

\$5,000 REWARD FAILS TO BRING ABOUT ARRESTS

In New York Theft Case—Known Loss is Nearly Half Million Dollars; Police Active.

New York, Oct. 27.—Belief that the loot in Monday night's daring hold up would exceed \$1,000,000 was indicated by postoffice authorities today after a partial check of the contents of the five stolen pouches, while from other sources it was learned that the total might exceed \$2,000,000.

Officials of one Wall Street firm not yet listed as among those affected by the robbery, said that firm had sent \$1,000,000 in securities by registered mail Monday night, but that they had been unable to learn whether it was in one of the five pouches taken by the three bandits who held up the truck.

Known losses made public so far included \$463,000 in bonds, mailed to clients by the Chase National Bank; \$8,000 in securities sent out by Hitt, Farewell and Parks; \$3,500 in bonds mailed out by Remick, Hodges and Company, and \$4,000 in securities sent out by Callaway Fisk & Co. All these losses were said to be covered by private insurance. It also was reported that a \$50,000 consignment of currency was included in the stolen mail, but this was not confirmed by postoffice authorities. It was said a full list of the losses probably could not be compiled for several days.

The three men who staged the hold up were being sought by a large force of federal agents and city detectives today. A reward of \$5,000 for each of the robbers, dead or alive offered by the postmaster general intensified interest in the man-hunt.

Postoffice inspectors also worked inside the city hall postal station, where the stolen pouches in an effort to determine whether the robbers had an "inside" confederate. The fact that the robbers picked with unerring hand from 28 pouches five which were richly laden was taken as an indication that they had as confederate an employe inside the station.

Judge Landis, baseball commissioner, is preparing his decision, it is understood. The Judge said today he had seen nothing but newspaper reports of a proposed visit from Ruth to apologize for violating the rule, and in any case Ruth's apology would have no bearing on his decision.
