ABBEVILLE BEATS GREENWOOD IN GREAT RALLY IN NINTH

(By Wm. P. Greene, Jr.)

Abbeville won one of the most exciting games of the season Friday from Greenwood by rallies in the fifth and ninth. By beating this game Abbeville won three straight games, a thing which the team has not done before this season.

Payne Henderson, the Greenwood pitcher, was going along smoothly and was pitching air-tight ball until the fifth. He allowed only two hits in the first four innings. In the fifth he walked Scoggins, then hit Allen, pitcher for Abbeville on the head knocking him out for the rest of the game. The next man up, E. Galloway was also walked. The injury to Allen somewhat unsteadied the pitcher, causing him to lose control. He asked to be relieved and Manager Henderson sent Ethridge in.

With the sacks drunk Ethridge began well by striking out R. Galloway but he had not reckoned with Reames, the mighty, who was up next. Undertaking to throw one of his fast ones past Reames, the pitcher found his mistake, because Reames planted the apple safely in left field for three bases bringing three runs. Abbeville scored one in the next frame, and then did nothing until the ninth.

Kennedy, who took Allen's place in the box, opened the ninth by a double to left center. Brownlee hit for E. Galloway and knocked a long fly to right which the fielder appropriated. Galloway R. then hit one just inside the first base line for two bases scoring Kennedy and tying the score. Again the mighty Reames appeared at the plate and slapped another one into left center scoring Galloway, R. and winning the old ball game for Abbeville.

The hitting of Reames and Galloway, R. featured the game for Abbeville. Reames' two triplets were the main factors of Abbeville's victory. Galloway R. secured two doubles, the last one bringing in the tying run. The fielding features of the game were contributed by Bradley, of Greenwood, and E. Galloway, of Abbeville. Bradley robbed three Abbeville men of doubles. Bob Galloway had a bad day in the field. The ball took some bad hops for him. Livingston and Mitchell of Greenwood each knocked a triple off Allen.

Kennedy, who took Allen's place in the box when the latter was injured, pitched as good exhibition of base ball as has been seen here this year. He let Greenwood down with one hit, and this was a scratch hit by Shealy.

The fact that he was the occasion, because he was not the cause, of Allen's injury evidently got on the nerves of Pitcher Payne Henderson. The fact that it worried him to be even the innocent cause of injury to another player is evidence that he is a gentleman and a true sportsman. Henderson was pitching a fine game against Abbeville and had he kept the pace set in the early innings he would no doubt have won his game. Nobody regretted the injury to Allen as much as he did. As Josh Ashley used to say, "We all love him" for the way in which he behaved.

BASEBALL "DOPE"

(Friday's game in the Index-Journal)

Torpedoed in the Ninth!

Submarine Reames shot the torpedoes.

Abbeville always wins from us by one score.

Abbeville hit in the pinches and deserved to win.

You Abbeville boys have just got to lay off that "rough stuff" in the ninth in all future games.

Reames was the "lion of the hour" at Abbeville, he practically winning the old ball game by his own efforts, and take it from us, the two hits in the pinches by him were "some efforts." In the fifth, with the bases loaded, he hit for three bases, scoring three runs. The hit was a "screamer" to deep left, and again in the fatal ninth he hit a beautiful line drive to left center, scoring Bob Galloway from second with the winning run—just "busting up" the ball game in a blaze of glory. Reames also played a fine game in center. Now what more glory does one man want in one afternoon? He was "all wool and a yard wide" yesterday and Abbeville deserved to win on this boy's hitting.

You have got to hand it to those Abbeville lads (this includes both Bobby Clark and "Sal" Brownlee, for they are lads just grown old and rejuvenated) on being the gamest bunch of "fighters" in the league. They are never whipped until the last man is out in the ninth. This is three times now they have come from behind and licked our boys, and our hat goes off to you. Give me a team every time that will fight for every inch on a ball field, over the one that has more natural ability and takes things easy. An aggressive team looks better even in defeat than the other team does in victory. There should be no such thing as "let up" in a ball game. You can let up when you go fishing or play checkers, but not in a ball game—and particularly so when the opposition is about equal in strength.

WILSON AND HAYES TO STATE PRISON.

Columbia, July 29.—The majesty of the law was victorious in a peaceful way today when Supervisor Mack King of Anderson, telephoned Governor Harvey and advised him that he had decided to comply with the Governor's request and turn over to the state penitentiary Ed Wilson and Will Hayes, two Anderson prisoners, who have been held in Anderson, whereas the sentence of the court was that they should serve their sentence in the state prison. The men will be brought to Columbia next Monday.

The Anderson supervisor was in Columbia Wednesday and had a conference with the Chief Executive. He contended that under a decision of 1914, he had the right to hold the two prisoners in Anderson. The governor told him that he proposed to fight to the last ditch the contention that the prisoners should be brought to the penitentiary. The conference was friendly, and when Mr. King left he told the governor he would give his answer by noon Friday; to this the executive agreed, and Friday morning the Anderson official telephoned his decision. He thanked the executive for his kind consideration of his position, and the governor thanked the supervisor for his decision. The governor agreed to give the two prisoners until Monday that they may bid farewell to their relatives in Anderson and wind up some affairs necessary to their de-
