Edgefield had a sober, quiet, orderly, decent Christmas. Yet withal there was sufficient life and gaiety for the young people to have the time of their lives' socially. It was the writer's privilege to enjoy the annual feast given by the Edgefield Rifles Thursday evening. Chef Gus Edmunds was at his best in serving oysters, the bivalves being delightfully served that the only means the soldier boys had of knowing when they had a sufficiency was by the tightening of their clothing along the "medial line."

We understand that our young friend, Calhoun Mays, Esq., whose future is fraught with bright prospects, will locate at North Augusta if Heyward county is formed.

Miss Gladys Rives entertained a number of her young friends very beautifully Wednesday evening last. Besides very pleasant social intercourse, several spirited contests were provided for the evening's entertainment. The popular young hostess served delightful refreshments.

Little Robert Tompkins, the second son of Mr. and Mrs. John R. Tompkins, celebrated his fifth birthday Tuesday afternoon, inviting a number of his little friends to share the pleasures of the occasion with him. The little tots enjoyed themselves to the fullest extent and for months will speak pleasantly of Robert's party. Fruit, confections and other nice things were served.

Some time ago, having heard of Mr. J. H. P. Roper's fine Rhode Island Red chickens, Mr. William Maxwell, of Columbia, train master of the Southern, placed an order for five chickens. Being so well pleased with the lot, Mr. Maxwell placed a second order, stating that Mr. Roper's Reds were the finest he has seen anywhere. This is a testimonial of which any poultry fancier would justly be very proud.

Mr. Wells in Harness.

The Advertiser salutes Supervisor W. G. Wells, wishing him a maximum of success and a minimum of "cussin," some of which, like all others who have filled the office before him, he is bound to receive. Mr. Wells is not without experience, having served two terms on

the board. He put on the official harness Tuesday and, being an energetic man of good business judgment, we expect to see him make the people an excellent official. Mr. Supervisor, you have The Advertiser's good wishes and support in making your administration a successful one.

Beautiful Home Wedding at White Town.

One of the prettiest home weddings I have attended this season, was that of Miss Mary Sue White, daughter of Mr. and Mrs. J. R. White, to Mr. William Luther Riddlehoover, Sunday December 25th, Rev. L. B. White officiating. Surrounded by a host of friends and relatives, this happy young couple stood beneath an arch of southern smilax, from which was suspended a large white bell.

The bride was very attractive in a gown of messaline satin and the groom looked handsome in a suit of conventional black. The bridesmaids and groomsmen were as follows: Miss Corene Walls with Mr. Tillman White, Miss Dorothy Miller with Mr. F. E. Christian, Miss Juanita Miller with Mr. Willie Barton, Miss Mamie Christian with Mr. Jesse Riddlehoover.

After the ceremony the guests were invited into the dining room which was beautiful in Christmas decorations of holly and red bells. There was a tempting feast of many good things, such as turkey, cranberry sauce, ham, salads, beautifully iced cakes, bon-bons, &c. The popularity of these young people was manifested by the many beautiful gifts presented to them.

This happy young couple were

reared in the same community and have known each other since childhood. We predict for them a happy future. U. No.

They only offer fertilizers that are manufactured by thoroughly reliable manufacturers, such as have been tested by hundreds of farmers in this county for a number of years. Get their prices before closing your fertilizer deals for 1911.

Has Entered Upon His Duties.

Mr. W. W. Fuller took formal charge of the office of county superintendent of education Tuesday, and being asked by a representative of The Advertiser for an expression as to his plans he made the following statement: "In assuming the duties of this office I do so with a full determination of doing my best for the educational interests of Edgefield county. While I expect to exert every effort myself, I invite the co-operation of every person in the county who wants to see our schools just as good as we can get them, and am open to any suggestion that may be made as a means to accomplishing that end. I want all teachers, trustees and patrons my partners in business, and if we work together I feel sure something will be done. Until further notice my office days will be the same as heretofore."

Mr. Fuller's statement has the right kind of ring to it, and we predict that he is going to make the people an official of which they will be proud.

DO IT NOW.

Edgefield People Should Not Wait Until it is Too Late.

The appalling death rate from kidney disease is due in most cases to the fact that the little kidney troubles are usually neglected until they become serious. The slight symptoms give place to chronic disorders and the sufferer goes gradually into the grasp of diabetes, dropsy, Bright's disease, gravel or some other serious form of kidney complaint.

If you suffer from backache, headache, dizzy spells; if the kidney secretions are irregular of passage and unnatural in appearance, do not delay. Help the kidneys at once.

Doan's kidney pills are especially for kidney disorders—they cure where others fail. Over one hundred thousand people have recommended them. Here is one of many cases in this vicinity.

H. B. Sommer, Mainstreet, Aiken, S. C., says: "I have been using Doan's kidney pills during the past few months and they have freed me from a pain in my back and a dull, languid feeling that had clung to me for a long time. I took this remedy after others had failed and the results have been so satisfactory that I heartily recommend it."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Treatment Checks

Physical Decline

A year or more ago, Ernest Hensinger, a promising young resident of Sandwich, Ill., found himself in a condition of physical decline, which was finally overcome by the application of proper treatment. In the following brief statement Mr. Hensinger tells of the manner in which he was restored to health: "For two years I was a victim of stomach trouble. I had a poor ap-

petite, and was frequently nauseated at the mere sight of food. After eating I would be in distress from the gas on my stomach. I was terribly constipated. I lost much in strength, and my condition finally became such that at times I was unable to work.

"Doctors gave me only temporary relief. About a year ago I was persuaded to try Cooper's New Discovery. The first bottle gave me so much relief that I continued its use, taking three bottles in all. I can now eat anything I wish without feeling any bad effect afterward. My bowels are in good condition and I am again strong and well.

"Last fall I noticed a slight indication of distress, but a few doses of the New Discovery caused it to disappear. Cooper's New Discovery is the best preparation I know of for stomach trouble. It did for me what no other medicine was able to do."

The above is only one of thousands of statements of a similar character that have been made by persons living in all parts of the country regarding this remarkable medicine. We are agents for the Cooper remedies in this community.—Penn & Holstein.
