W B Paul, painter and paper hanger, Butler street, Edgefield, says: "I was bothered by kidney trouble nearly all my life. It grew worse when I had measles some years ago. I never found anything that would give me relief from the terrible pains until I happened to hear of Doan's kidney pills. They were just the thing I needed, removing the pains and strengthening and regulating the action of my kidneys. My health became better than it had been in many years. I think as well of Doan's kidney pills as I did when I first endorsed them some years ago. I have little trouble from my kidneys now."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's kidney pills—the same that Mr. Paul had. Foster-Milburn Co., Props., Buffalo, N. Y.

#### Half Your Living Without Money Cost

A right or wrong start in 1915 will make or break most farmers in the Cotton States. We are all facing a crisis on cotton. Cotton credit is upset. The supply merchant cannot advance supplies on 1915 cotton. You must do your best to produce on your own acres the food and grain supplies that have made up most of your store debt in the past.

A good piece of garden ground, rightly planted, rightly tended and kept planted the year round, can be made to pay half your living. It will save you more money than you made on the best five acres of cotton you ever grew! But it must be a real garden, and not the mere one-planting patch in the spring and fall.

Hastings' 1915 Seed Book tells all about the right kind of a money-saving garden and the vegetables to put in it. It tells about the field crops as well and shows you the clear road to real farm prosperity, comfort and independence. IT'S FREE. Send for it today to H. G. HASTINGS & CO., Atlanta, Ga.—Advt.
