The report that we intend removing the SENTINEL to Easley Station is not true.

We have had good rains recently and the turnip and potato crops are flourishing.

We have seen a stalk of corn grown by W. B. Allgood that had three fully developed ears on it.

The Twelve Mile River Baptist Association, convenes at Cathey's Creek Church in Transylvania county, N. C., on Friday before the second Sabbath in October.

LUMBER.—If you want good lumber, call on Folger & Nemberry, at their mill, on Town Creek, 1 1/2 miles from the Court House. They are also prepared to gin your cotton and pack it in good style.

Pic-Nic.—The George's Creek Grange has a basket pic-nic on Saturday next. The members of Pickens Grange have an invitation to attend. The SENTINEL has not been forgotten, and we will try to be present.

Our fellow townsman, Mr. W. H. Ashmore, has laid upon our table a turnip, four weeks old, that measures ten and a half inches in circumference. He deserves a premium, and we will send him to the Greenville fair to get it.

The examination of witnesses, on the part of the State, against Smith and Rother, was concluded before Trial Justice Hollingsworth, yesterday and the prisoners remanded to jail, in default of bond, for their appearance at the next term of court for trial.

HOO CHOLERA.—This disease, or something similar to it, is raging terribly in this county. We hear of many who have lost heavily by it, some losing every hog they owned before it can be arrested. There are many remedies, but we do not know which to recommend, but if any of our readers have discovered, or know a good remedy, and will send it in we will gladly publish it.

HENDRICKS & WILLIAMS.—These enterprising and go-ahead merchants at Easley Station, inform their patrons, through our columns this week, that they are prepared to supply anything they want in their line at astonishingly low prices. These gentlemen have built up an enviable reputation, for honesty and fair dealing, and are drawing customers by the score. They are active, and enterprising merchants, and will not allow any to surpass them in quality or price of goods. Give them a call and be convinced of these facts.

The election of officers of the Pickens Division, sons of temperance, which came off last Tuesday night, resulted as follows:

- G. W. Taylor, W. P.
Miss Hassie Lesley, W. A.
A. S. Lesley, R. S.
T. J. Richardson, A. R. S.
J. Frank Folger, F. S.
W. M. Hagood, Treas.
J. E. Hagood, jr., C.
J. Robbie Hagood, A. C.
J. B. P. Boggs, I. S.
M. M. Kennemore, O. S.
W. A. Lesley, Chaplain.
A. M. Folger, P. W. P.

TWELVE MILE CAMP MEETING.—The annual camp meeting at Twelve Mile Church, began on Thursday evening last, 23d, and continued until Wednesday morning, 28th inst. The congregation on Sunday was large and attentive, and the preaching eloquent and impressive. We have never witnessed in our life, more quietness or better order than prevailed during the meeting. There were seventeen additions to the church and twenty-nine conversions. The following ministers were in attendance—the Rev. Mr. Stockman, who has charge of the circuit, being absent on account of sickness; Dr. Darby, P. E.; and Revs. Walker, Attaway, Jackson, Phillips, Davis, Gaines, Durant, Atrial, Smith and Bowman.

SALE OF LOTS AT LIBERTY.—The sale of town lots at Liberty Station on the 23d inst., must have been very gratifying as well as profitable to those interested. Some of the front lots sold at the rate of \$1,440 per acre, and all the others sold at high figures. The crowd in attendance was large, and meant business. The prospects for the growth and prosperity of the new town begins under very encouraging circumstances, and we hope to see it flourish like a green bay tree. The lots were not all disposed of on the 23d, but to give everybody a chance, there is to be another sale on the 7th of next month upon the same conditions as the first sale. See notice in another column, and do not fail to purchase if you desire to locate in one of the finest sections in South Carolina, for this will be the last opportunity.

On Sunday night, last, a colored boy broke open the tool chest of Mr. James Baswell, at Easley Station, and stole a hand-saw and several other tools, and decamped Monday morning for this place. Mr. Baswell hearing of him, at once started and beat him to this place, had a warrant issued, and when he arrived was prepared to take charge of him. Cuffie did not see the propriety of surrendering at first and depended upon his legs to give him a safe deliverance. He was soon overhauled, however, by a party of gentlemen on horse back, and brought back and lodged in jail. He gave his name as Tom Gault, but Pinkney Smith, colored, says he knows him and his proper name is Frank Williams. Frank says he was raised by a Mr. Bennett, in Laurens county,—has worked at Seneca City, and lastly at Piedmont manufactory. He is doubtless a bad character, and if wanted anywhere else to answer for any offense, he can be had when through with at this place.

No COURT.—We publish a letter this week from Judge Cooke, stating that he has come to the conclusion not to hold court at this place in November, giving his reasons for the same. This determination of the Judge's will meet the approval of all the tax-payers in the county.

Do You Want Health? WHY WILL YE DIE?—Death, or what is worse, is the inevitable result of continued suspension of the menstrual flow. It is a condition which should not be trifled with. Immediate relief is the only safeguard against constitutional ruin. In all cases of suppression, suspension or other irregularity of the "courses," Dr. J. Bradfield's Female Regulator is the only sure remedy. It acts by giving tone to the nervous centres, improving the blood and determining directly to the organs of menstruation. It is a legitimate prescription, and the most intelligent Doctors use it. Prepared by J. H. Bradfield, Druggist, Atlanta, Ga., \$1.50 per bottle, and sold by respectable druggists everywhere.

Boon to Suffering Females. LaGrange, Ga., March 29, 1870. Bradfield & Co., Atlanta, Ga.—Dear Sir:—I take pleasure in stating that I have used for the last twenty years the medicine you are putting up, known as Dr. Bradfield's Female Regulator, and consider it the best combination ever gotten together for the diseases for which it is recommended. I have been familiar with the preparation both as a practitioner of medicine and in domestic practice, and can honestly say that I consider it a boon to suffering females, and can but hope that every lady in our land, who may be suffering in any way peculiar to their sex, may be able to procure a bottle, and their sufferings may not only be relieved, but they may be restored to health and strength. With my kindest regards, I am very respectfully, W. B. FERRELL, M. D.
