Not in person, but in "counterfeit presentment," in the Greeley Hat, which will be found at the Dry Goods Emporium of S. S. Wolfe. Call and buy one before they are all gone.

Summer Recreation.

Still Another.

Judge Willard, of the Supreme Court, has been addressed by a number of persons from Charleston to allow his name to be used for the next Governorship of this State. He intimates his willingness to run, provided he gets the regular Republican nomination.

Public Meeting last Saturday.

The meeting held last Saturday was but slightly attended, but considerable interest was evinced in its objects by those present, and a proper appreciation of the character of the times shown.

Remarks were made by several gentlemen upon the situation and the duty of our people, all quite apropos to the occasion, and availing of the right spirit. Col. Davis announced that he was no Democrat, never had been one, tho' affiliating with that party, and was disposed to await further developments, before connecting himself with any party.

With singular unanimity the Cincinnati platform was heartily endorsed, and the determination expressed to support Ulraoce Greeley in preference to Grant.

George W. Sturgeon, State Senator elect from Orangeburg, has been committed to jail on a charge of forging an order for \$137 on the County Treasury.

Sanders Smith, white, a school-teacher, was killed at Anderson Court House, Saturday last, by being crushed between two cars, which were being shifted. It is supposed he was under the influence of liquor.

Philadelphia Nominee.

By referring to our telegraphic column our readers will observe that U. S. Grant and Henry Wilson, have been nominated by the National Radical Convention for President and Vice-President "of this glorious land of liberty." It is unnecessary to say anything concerning who Grant is.—He is already too well known. Henry Wilson is at present United States Senator from Massachusetts, and is a good representative of the Puritan

THE VILLAGE CHURCH.—It should not look like a barn or storehouse. It should be a building of the truest style of which would cause devout feelings in the breast. A well carved cross should point to heaven; massive paneled doors should impress the solemnity of the place into which he is entering; stained glass should throw a mystic light through the tower; pulpit, altar, and other articles should be ornamented with figurative mouldings, and the columns that support the galleries, and the balusters that rail them in, should be of classic pattern. Any congregation wishing such a church should send their orders for finishing material to Mr. P. P. TOLLE, Importer of French stained glass, and manufacturer of wood doors, Sashes, Blinds, &c. Public Meeting.

A meeting of citizens opposed to the reelection of Grant, and in favor of the adoption of the Cincinnati platform, was held Saturday last in the Court House. On motion, J. S. R. Aiken was called to the chair, and T. R. Robertson requested to act as Secretary. Brief addresses were delivered by the Chairman, Col. H. C. Davis, and Maj. T. W. Woodward, Col. D. in opposition to sending delegates to Columbia as Democrats, Messrs. Aiken and Woodward in favor of participating in the State Convention with a view to sending delegates to Baltimore to prevent a Democratic nomination.

A motion was then made and carried to appoint a committee of five to nominate four delegates to the State Convention. This committee consisting of H. A. Gaillard, D. R. Feaster, R. E. Ellison, Jr., I. N. Withers, and T. G. Robertson, after consultation suggested the following names which were ratified by the meeting: Jas. R. Aiken, T. R. Robertson, H. C. Davis, and T. W. Woodward.

It was understood that the delegates should go to Columbia without any instructions, further than to act for the best interests of the whole people.

Mr. T. R. Robertson offered the following resolution which was unanimously adopted:

Resolved, As the sense of this meeting, that we fully endorse the platform of the Liberal Republican party as enunciated at Cincinnati.

On motion of John A. Fraser, Esq., the meeting then adjourned.

Sad Affair in F. ck. ins.

A correspondent writing to the South Carolinian informs us of a sad affair which occurred recently in Pickens county. The scene of the accident was a mill-pond on Brush Creek. Four young boys, Wm. J. Ellison and brother Andrew J., aged ten and twelve years, and their cousins, Lee and Willie Couch, aged nine and ten years, were found dead from drowning. They had gone to bathe in the pond and found a watery grave.

Columbus Republicans for Greeley.

The Columbus (Ga.) Sun notes that, with the exception of a few office-holders in the post office and internal revenue departments—a mere handful—there is not a Republican or Radical in that city who favors Grant. All go for Greeley, including the freeman.

Tribute of Respect.

At the regular convocation of Flint Hill Chapter, No. 2, R. A. M., held on Monday evening, 3d June, A. C. 1872, A. C. No. 2492, the following preamble and resolutions were unanimously adopted:

Whereas, It has pleased the Grand Architect of the Universe to remove from our midst our beloved companion, OSMOND R. BROWN, thereby depriving us of one familiar face, and one faithful member; and whereas, it is proper for this Chapter to testify its regret at the untimely death of our companion, therefore be it resolved, That the death of our companion Osmond R. Brown, Flint Hill Chapter has been bereft of a member whose loss we deplore, and whose memory we will ever keep alive.

Resolved, That we extend our warmest and deepest sympathies to the family of our departed companion, therefore be it resolved, That a blank page in our Minute Book be suitably inscribed to his memory, and that the Chapter Emblems be draped in mourning for thirty days.

Resolved, That a copy of this preamble and resolutions be transmitted to the family of the deceased, and be published in THE WINNABO NEWS and the FAIRFIELD HERALD.
