Miss Ella J. Neely.
An Appreciation.
She was going to school. And of that interrupted journey we cannot speak although we can never forget the marvelous fortitude and the unflinching love and consideration that marked the brief and agonizing path of pain, and before unconsciousness peacefully claimed her. We would never forget it. "Our hearts in glad surprise to higher levels rise" because of her high courage.

And we may speak of the hidden life spent at home where she gave herself in unsparring devotion. It is richly shrouded in remembering hearts and cherished by those to whom she ministered.

But we may speak—for here we are all her heavy debtors—of that great work of hers with the children. It is a lonely heart that does not shelter one child, and we all know that children hold the key to the future. For twenty years she taught the boys and girls laying a deep, thorough and honest foundation for their future education. This by way of explanation of calling this meeting so close to the day of election.

Please be at the Courthouse next Monday night at 8 o'clock.

THE BEST TEST
Is the Test of Time.
Years ago J. O. Robinson of Charlotte Street, York, told of good results from using Doan's Kidney Pills. Now Mr. Robinson confirms the former statement—says there has been no return of the trouble. Can York people ask for more convincing testimony? Ask your neighbor!

"I found Doan's Kidney Pills were mighty fine when I had occasion to use them some time ago," says Mr. Robinson. "I am glad to recommend them highly. My kidneys were out of order and my back ached. I suffered terribly on that account. I saw Doan's Kidney Pills advertised and got some at the York Drug Store. Doan's soon gave me a complete relief and I have had no trouble since."

Nearly seven years later, Mr. Robinson added: "The cure Doan's Kidney Pills gave me some time ago has been lasting and I haven't had any occasion to use them since. I'll tell you this medicine certainly is reliable and I am glad to have you use my former statement."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Robinson had. Foster-Milburn Co., Manufacturers, Buffalo, N. Y.
