Dr. Brockway was soliciting subscriptions for their relief in this town last week, the most encouraging success among the humane portion of our commuity.

To the Democratic Voters of Mariposa Co. Important Correspondence.

By the correspondence below it will be perceived that the doubts (if any really existed) of the propriety and legitimacy of the Democratic county convention of the 12th inst. are entirely removed and cleared up. After the failure of the convention of the 1st and 3d of August to make nominations for county offices the central committee could not have avoided calling a new convention without proving recreant to their duty and the party which appointed them. It is well known that the second convention was provided for on principles perfectly fair and thoroughly Demcratic, and in a manner best calculated to preclude improper influences disturbing the will of the majority of the Democrats of the county. The second convention was not calculated in any manner to interfere with the chances of any one lawfully entitled to a nomination, for no one can be so entitled unless with the sanction of the majority he purposes to repre-

have been provided than the one adopted by the late central committee. The cause of the rupture, adjournment and failure of the first convention arose from inability to ascertain the will of the majority, owing to the delegations of certain precincts in being contested. It was only a question of counting noses, which the convention could not for the above mentioned causes clearly and satisfactorily do. How then under the circumstances could any true, sane, and relia-

sent of the Democracy of the county, and no

better mode of obtaining their sense could

vill of the majority.

Upon the adjournment, sine die, of the Demwill of the majority. ocratic County Convention, held in the Town of Mariposa, Mariposa County, on the 1st day of August, 1857, the Democratic County Central Committee issued a call for another Democratic County Convention, to be held in the Town of Mariposa on the 12th day of August, Town of Mariposa on the 12th day of August, 1857. The power to do so was questioned by a number of the Delegates of the Convention of the 1st, when Messrs. Merritt and Worthing. ton addressed the following letter of enquiry to the Democratic State Central Committee, and received the subjoined reply:

MARIPOSA, August 14th, 1857. Messrs. Joseph P. Hoge,
Terence Foley,
R. C. Page & others.

GENTLEMEN—In consequence of local causes exist-ing in our County at this time, the Democratic party are so distracted and divided as to make defeat inevitable, unless something can be done to reconcile the itable, unless something call of usua of therefore, we conflicting elements. For this reason, therefore, we write to give you a statement of our difficulties, and under my hand of the under my hand GOODS DELIVERED by Pack Animals and a obtain your opinion relative to party usages, &c., be-lieving that it will have much weight coming from the State Central Committee. The Democratic Convention of 1856, after making all nominations, elected a Central Committee for Mariposa county, of which after the Committee for Mariposa county. The Committee for Mariposa Democratic near week for three weeks, a copy be deposited in the Post Office directed to him. State Central Committee. The Democratic Conven-Committee H. G. Worthington was a member. Previous to 1st of August, 1857, this Committee duly issued their call for a Convention, to meet in Mariposa on August 1st, in which said call they invited the coone ation of Merced County so far as the nomination of Members of Assembly was concerned. Upon the 1st of August the Convention met, and after the election of Chairman and Secretary and reports of the Committee on credentials, the Convention nominated Assemblymen, one from this and one from Merced County. After this was done the Merced Delegation withdrew from the Convention. An effort was then made to organize into a County Convention for nomination of county officers. This occasioned indescribable confusion in the midst of which, and without or operation of Merced County so far as the nomination SHOEMAKERS AND FARMERS. Committee on credentials, the Convention nominated able confusion, in the midst of which, and without organizing into a county Convention, a motion was made and carried to adjourn sine die. Whereupon the meeting was disbanded. Thereupon the old county Central Committee deemed it their duty to call another Convention, which was done for the latter.

JOHN BALFOUR, J. P.

It appearing to my satisfaction, by affidavit, that E. G. Hall. Therefore it is ordered that the action against E. G. Hall. Therefore it is ordered that the rots of the latter of the la ination of county officers. This occasioned indescrib-able confusion, in the midst of which, and without orother Convention, which was done for the 12th of August. This Convention met and nominated

Now sirs, the question is, did this Committee have the power to call this new Convention? This power is denied, on the ground that the office of the Central Committee of 1856, expired on the assembing of the county Convention of August 1st, 1857. If so, the Democratic party was without a Central Commit-
