"I say, Pompey," said one freedman to another, "dis chile has tried lots of gift fairs and things for a prize, but naber could draw anything at all." "Well, Cesar, I'd vise you to try a hand-ear't, the chances are a thousand to one dat you could draw dat."

"Scissors-in-k-tam" is the last coinage of the journalistic brain for the heading of a miscellaneous column.

A Great Spring and Summer INVIGORATOR AND RESTORER.

NOW IS THE TIME TO CLEANSE OUT those PERILOUS SPOTS, Pimples, corrupt sores, which POLLUTE the LIFE of the BLOOD, and render your body a loathsome thing. They are the precursors of a diseased blood, and will assume a much more formidable shape if allowed to go unchecked. THE QUEEN'S DELIGHT, the only real blood purifier that has ever been invented, as thousands will to-day attest, is offered to the afflicted as a positive remedy for all diseases flowing from a vitiated condition of the system.

THE LIFE OF THE FLESH IS PURE BLOOD. Upon this theory alone the inventor of the Queen's Delight establishes the great hygienic law, WITHOUT PURE BLOOD NO FLESH IS FREE FROM DISEASE. The Pale and Shrunken Form, Yellow Faces, Weak Stomachs, Diseased Livers, Crippled Rheumatics, Nervous Hypochondriacs, Dyspeptic Victims of Headache, so common in this country, is owing entirely to the humors of the blood. Very many other diseases may be traced to bad blood, Scrofula or King's Evil, Erysipelas, Exanthema or Elevation, a rash or eruption on females; Blotches, Tetter, Gout or Swelled Neck, Syphilis and Syphilitic Sores, Strumous Ulcers, &c. These cannot be cured without purifying the blood. Now as this Delight is no other blood purifier that will accomplish such positive and extraordinary cures as Heintsh's Queen's Delight. You may take a barrel of extract Sarsaparilla, and still you will not be cured; and, as a proof of it, look around and you will observe the country, throughout its length and breadth, is flooded with compound Sarsaparillas, extracts and syrups, claiming to be blood purifiers, and yet we see to-day more evidence of impurity of the blood than ever. Why is this? Simply because these extracts and Sarsaparillas are worthless medicines.

The Queen's Delight is a new compound, and is now the great blood medicine; sanctioned by the profession, patronized by the highest dignitaries of the land, endorsed by everybody.

In the brief period of twelve months, over 8,000 cases have been treated so successfully as to entitle it to be the wonder of the age.

For debility, prostration, nervousness, mental depression, impaired digestion, loss of appetite, restlessness, want of vital force. Low spirits; it is more invigorating and strengthening than all the compounds of bark or bitters. As a liver invigorator, it is of inestimable value. As a stimulant, it is safer and surer than all the rum and whiskey tonics of the day, and if you value your life and health a pin's fee, avoid these quickening stimulants to the grave and use the Queen's Delight. Ask for Heintsh's Queen's Delight. This is not the Extract of Stealing, or Queen's Delight, nor is it a Compound Syrup of Queen's Delight, but simply Heintsh's Queen's Delight, the trade mark. Ask for this if you want to be cured, and see that the name of E. H. Heintsh is on the wrapper. Prepared only by E. H. Heintsh. Wholesale agents, FISHER & HEINTSH, Columbia, S. C.
