OFFICIAL. Acts Passed by the State Legislature.

An Act to incorporate the Wateree and North Carolina Railroad Company.

SECTION 1. Be it enacted by the Senate and House of Representatives of the State of South Carolina, now met and sitting in General Assembly, and by the authority of the same, That William M. Shannon, Joseph B. Kershaw, John M. DeSaussure, James Dunlap, James A. Young, James M. Davis, and their associates and successors, are hereby constituted a body politic and corporate, by the name and style of the Wateree and North Carolina Railroad Company.

Sec. 2. That the said company is hereby authorized to construct a railroad from the town of Camden to some point on the North Carolina line, as nearly on a line between Camden and the town of Goldsborough, North Carolina, as may be practicable; and also a railroad from the town of Camden to the North Carolina line, in the direction of Charlotte, North Carolina.

Sec. 3. That for the purpose of raising the capital stock of the said company, it shall be lawful to open books in the town of Camden, under the direction of James Dunlap, James A. Young and James M. Davis; at Lynchwood, Kershaw County, under the direction of L. W. R. Blair, John R. Shaw, B. S. Lucas and Daniel Bethune; at Cheraw, under the direction of Henry Melva, Alexander McQueen, L. S. Prince and Thomas E. Rowe; at Flat Rock, Kershaw County, under the direction of J. Ross Dye and Lemuel B. Stephenson; at Lancaster, under the direction of James L. Reed, John D. Wylie, William A. Moore and W. M. Connors, for the purpose of receiving subscriptions to an amount not exceeding two millions of dollars, in shares of one hundred dollars each, for the purpose of constructing the railroads provided for by this Act.

Sec. 4. That the amounts subscribed at the places at which books are opened along the proposed lines towards Goldsborough and Charlotte, respectively, shall only be called in, the parties required to pay the same or regarded in any way as stockholders in the said company for the purpose of building, and in connection with the railroad along the line where such subscriptions are made.

Sec. 5. That the times and places for receiving such subscriptions shall be fixed by the Commissioners in the town of Camden, or a majority of them, and shall be advertised for thirty days in one or more newspapers in this State, and the books for receiving such subscriptions shall be kept open for sixty days at each of the places where the same shall be opened.

Sec. 6. That on each share of the stock subscribed, the subscriber shall pay to the Commissioner receiving such subscription the sum of five dollars, and no subscription shall be valid without such payment; and at the expiration of the time hereby prescribed for keeping open the books, the said Commissioner shall make a return of the subscriptions taken by them, and the sums paid thereon, to the Commissioners in the town of Camden.

Sec. 7. That when the sum of three hundred thousand dollars shall be subscribed in the manner herein prescribed, the said company may meet and organize at such time and place as may be designated by a majority of the Commissioners herein named for the town of Camden, due notice having first been given.

Sec. 8. That for the purpose of organizing and forming this company, all the powers conferred by the charter of the North-eastern Railroad Company on the Commissioners therein named shall be vested in the Commissioners named in this Act: Provided, The Commissioners named at any point shall only have any power or be called into the exercise of any such power in the event of subscriptions taken and steps instituted towards building the road along the route where such Commissioners were required to open books; and all the powers, rights and privileges granted by the charter, and the amendments thereto, of the North-eastern Railroad Company, to that company, shall be, and the same are hereby, granted to the Wateree and North Carolina Railroad Company, subject to the conditions therein named, except as to the amount of capital stock, the sum necessary to authorize organization, and except so far as the special provisions of this Act may otherwise require the same

to be modified or varied: Provided, That nothing herein contained shall be construed so as to exempt the said company from the payment of taxes: Provided, further, That said road shall be subject to the provisions of an Act entitled "An Act to declare the manner by which the lands, or the right of way over the lands, of persons or corporations may be taken for the construction and uses of railways and other works of internal improvement," ratified September 22, A. D. 1868.

Sec. 9. That this Act shall be deemed a public Act, and continue in force fifty years: Provided, That the work for the execution whereof of the said company is incorporated shall be commenced within one year from the first day of January next, and be completed within five years after its commencement.

Approved March 26, 1869.

An Act to repeal the tenth Section of an Act entitled "An Act to appoint a Board of Commissioners for the city of Charleston, with power and authority to declare in what cases the streets, lanes and alleys shall be widened, and to provide for carrying into execution the objects of the said Board, and for other purposes therein mentioned."

SECTION 1. Be it enacted by the Senate and House of Representatives of the State of South Carolina, now met and sitting in General Assembly, and by the authority of the same, That Section 10 of an Act entitled "An Act to appoint a Board of Commissioners for the city of Charleston, with power and authority to declare in what cases the streets, lanes and alleys shall be widened, and to provide for carrying into execution the objects of said Board, and for other purposes therein mentioned," be, and the same is hereby, repealed.

Approved March 26, 1869.

WITHOUT A GOOD DIGESTION—All other temporal blessings are comparatively worthless. The dyspeptic millionaire, who has tried all the potions of the medical profession in vain, and believes his complaint to be incurable, would give half his fortune to be freed from the horrors of indigestion, and thus enabled to enjoy the other half. Of course he would.

Perhaps HOSTETTER'S STOMACH BITTERS has been recommended to such a sufferer. Possibly he has turned from the friend who made the suggestion with a sneer, intimating that he has no faith in any "patent medicine." If this has been the case, so much the worse for him. His incredulity dooms him to a life of misery. All the luxuries which wealth can purchase are at his command. Not one of them can give him pleasure. His own irrational obstinacy is his bane.

The masses, happily for themselves, are less skeptical. There is such a thing as bigoted unbelief, as well as bigoted credulity, and a golden mean between the two, which men and women who are gifted with common sense adopt and profit by. These are the class that patronize and recommend HOSTETTER'S BITTERS. Why do they approve this famous anti-dyspeptic and antibilious preparation? Simply because they have not been too much the slaves of senseless prejudice to give it a fair trial, and have found that when all other tonics, stimulants and stomachics failed, it produced the desired effect.

"Strike, but hear," said the Roman sage, when his ignorant enemies were assailing him. "Doubt, but try," says the man who has been cured of indigestion, or biliousness, or intermittent fever, by the Bitters, as he relates his experience of the medicine to his invalid friends. Whoever is so wedded to his own foregone theoretical conclusions, as to decline to test the properties of a medicine endorsed by the testimony of intelligent men in every walk of life, and approved by the people at large, deserves to suffer. To Consumptives.—The advertiser, having been restored to health in a few weeks, by a very simple remedy—after having suffered several years with a severe lung affection, and that dread disease, Consumption—is anxious to make known to his fellow-sufferers the means of cure.

To all who desire it, he will send a copy of the prescription used, (free of charge,) with the directions for preparing and using the same, which they will find a SURE CURE FOR CONSUMPTION, ASTHMA, BRONCHITIS, etc. The object of the advertiser in sending the prescription, is to benefit the afflicted, and spread information which he conceives to be invaluable; and he hopes every sufferer will try his remedy, as it will cost them nothing, and may prove a blessing.

Parties wishing the prescription, will please address REV. EDWARD A. WILSON, Williamsburg, Kings County, New York. Feb 3 3mo

Errors of Youth.—A gentleman who suffered for years from Nervous Debility, Premature Decay, and all the effects of youthful indiscretion, will, for the sake of suffering humanity, send free to all who need it, the receipt and directions for making the simple remedy by which he was cured. Sufferers wishing to profit by the advertiser's experience, can do so by addressing, in perfect confidence, JOHN B. OGDEN, Feb 3 3mo No. 42 Cedar street, New York.

CHARLES KERRISON, formerly of the firm of C. & E. L. Kerrison, would inform his friends and the public that he has purchased from Mr. James B. Betts, all his stock in trade, &c., at the Store No. 252 King street, and will there continue the DRY GOODS BUSINESS, Wholesale and Retail, for Cash, on his own individual account and responsibility. He will proceed, without delay, to replenish and renew the Stock, and continue so doing until the assortment shall be made complete and attractive. As the terms will be STRICTLY CASH, or approved city acceptance for a short credit, it necessarily follows that the prices must be kept at least as low as to be found in any other respectable establishment. His brother, Mr. E. L. Kerrison, assisted by Mr. A. B. McDonell, both experienced merchants in this line, will be found at his Store, aiding in the conduct and management of the business, and it is hoped that his and their efforts to win the confidence and patronage of the public will be as successful as in past days was the old firm, at the corner of King and Market streets, Charleston. ST. CLOUD HOTEL.

THIS NEW and Commodious HOUSE, located corner of Broadway and Forty second street, New York, possesses advantages over all other houses, for the accommodation of its guests. It was built expressly for a first-class family boarding-house—the rooms being large and en suite, heated by steam—with hot and cold water, and furnished second to none; while the culinary department is in the most experienced hands, affording guests an unequalled table. One of Wood's Patent Elevators is also among the "modern improvements" and at the service of guests, at all hours. The Broadway and University Place Cars pass the door every four minutes, running from the City Hall to Central Park, while the Sixth and Seventh Avenue lines are but a short block on either side, affording ample facilities for communicating with all the depots, steamboat landings, places of amusement and business of the great metropolis.
