AYER'S SARSAPARILLA
FOR PURIFYING THE BLOOD.

THE reputation this excellent medicine enjoys, is derived from its cures of many of which are truly marvellous; inveterate cases of Scrofulous Disease, where the system seemed saturated with corruption, have been purified and cured by it. Scrofulous affections and disorders which were aggravated by the scrofulous contamination which they were painfully afflicting, have been radically cured in each great number in almost every section of the country, that the public scarcely need to be informed of its virtues or uses.

Scrofulous disease is one of the most destructive enemies of our race. Often this unseen and unfelt tenant of the organism undermines the constitution, and invites the attack of enfeebling or fatal diseases, without exciting a suspicion of its presence. Again, it seems to breed infection throughout the body and then, on some favorable occasion, rapidly develops into one or other of its hideous forms, either on the surface or among the vitals. In the latter, tubercles may be suddenly deposited in the lungs or heart, or tumors formed in the liver, or it shows its presence by eruptions on the skin or foul ulcerations on some part of the body. Hence the occasional use of a bottle of this SARSAPARILLA is advisable, even when no active symptoms of disease appear. Persons afflicted with the following complaints generally find immediate relief, and at length cure, by the use of this SARSAPARILLA: St. Anthony's Fire, Rose or Erysipelas, Tetters, Itching Humors, Ringworm, Sore Eyes, Sore Ears and other eruptions or visible forms of Scrofulous disease. Also, in the more concealed forms, as Dyspepsia, Dropsy, Heart Disease, Fits, Epilepsy, Neuritis and the various Uterine affections of the muscular and nervous systems.

Suppurations or Venereal and Mercurial Diseases are cured by it, though a long time is required for subduing these obstinate maladies by any medicine. But long continued use of this medicine will cure the complaint. Leucorrhoea or Whites, Uterine Obstructions, and Female Diseases, are commonly soon relieved and ultimately cured by its purifying and invigorating effect. Minute directions in each case are found in our Almanac, supplied gratis. Rheumatism and Gout, when caused by accumulations of extraneous matter in the blood, yield quickly to it, as also Liver Complaints, Torpidity, Constipation or Indigestion of the Liver and Gallbladder, when arising, as they often do, from the ranking poisons in the blood. This SARSAPARILLA is a great restorer for the strength and vigor of the system. Those who are Languid and Listless, Despondent, Sleepless and troubled with Nervous Apprehensions or Fears, or any of the affections symptomatic of Weakness, will find immediate relief and convincing evidence of its restorative power upon trial.
